Gretchen and Barney,

Thank you again for taking our call yesterday and for our productive discussion on our City's community shuttle service.

As discussed, the City of Hallandale Beach would like to take advantage of your order of 29-foot cutaway buses and formally request 5 vehicles to lease under Article 3, Vehicles, Section 3.1, of the ILA for operation in the City's Community Shuttle "Minibus" Service program. The City plans to lease such vehicles from the County until such time the City acquires its own electric fleet to operate the Minibus service.

Please let me know if I should provide any additional information. I look forward to our continue partnership.

Kind Regards and Stay Safe,

In an abundance of precaution to protect public health and mitigate risk of spread of Coronavirus (COVID-19), the City of Hallandale Beach has now transitioned operations to essential core services effective Monday, March 16th, 2020. All City Facilities, including City Hall, will be closed and must carry out various City functions remotely to the public until further notice, nevertheless, we are committed in fulfilling your request as best as possible.
