Caution! This message was sent from outside your organization.

Good afternoon Igor,

I am doing well and I hope the same for you. Thank you for asking. Please see the approved submission for the Heliox 180 DC battery charger and charging dispensers within the BYD Georgia Statewide Contract Options. I am including separately the pricing in excel and the BYD DBE FTA TVM is process under the name BYD Coach and Bus LLC I hope this document is suffice as prove of FTA DBE verification.

Please let me know if you need anything additionally.

Good morning Eric

I hope this email find you well

Please can you provide an update on the BDY K7M Transit Bus regarding the approval for the Heliox 180 DC battery charger, and charging dispensers within the BYD Georgia Statewide Contract Options.

Have a Happy Thanksgiving!

Best Regards

From: Colmenares, Igor

Good morning Eric

Any updates in our request?

The City need to verify if under BDY K7M options the Heliox 160 DC battery charger was approved.

Best Regards

Thanks a lot.

Best Regards

Subject: RE: Georgia State-Wide eRFP Electric Transit Vehicles

Good Morning Eric

Hope this email finds you well.

Please do there are any new eRFP Cost Data Base approvals for added new equipment or changes in Bus and component values as today, for BYD Buses and for Proterra Buses.

Any changes from Data Base provided on September 8th , 2021?

Thanks a lot.

Best Regards

2017 Georgia Supplemental Mass Transit Pricing Sheet (Electric)
