5. Project Goals: Provide specific project goals and quantifiable objectives. Quantifiable objectives should specifically state who, what, where and how many. The scope of services must include activities involved in implementing the project. Project continuation and maintenance relates to whether or not this will be an ongoing activity after funding ends.

a. Project Goals and Quantifiable Objectives:

Please note that HUD requires that 70 percent of CDBG funds must benefit low/moderate income persons over a three year period. Only pick one of the three national objectives listed below. Describe how goals and objectives will either:

- 1). Benefiting low and moderate (L/M) income persons *24 CFR 570.208(a);*
- 2). Aid in the prevention or elimination of slums or blight *24 CFR 570.208(b); and*
- 3). Meet a need having a particular urgent community development need *24 CFR 570.208(c)*

The Public Works Improvement Project will provide area benefit to the predominantly low and moderate income residents who reside within census tract #1004; group 3 and 4. The specific areas for implementation are indicated on the attached map (Exhibit 1).

Project includes street resurfacing, construction of new storm water facilities, regrading and sodding of swales and construction/restoration. These improvements will address flooding in the area and upgrade physical/aesthetic appearance that will complement housing development and rehabilitation as well as promote more attractive neighborhoods.

- b. Detailed Scope of Services: The scope of services should explain exactly what will be accomplished with the funds requested.

Description	Quantity	Cost
Retrofitting/upgrade drainage	N/A	\$50,000
Concrete Construction/Reconstruction (including Sidewalks)	70 SY	\$2,600
Asphalt Pavement Construction/Reconst.	1,300 SY	\$54,000
Regrading and Sodding of Swales	200SY	\$1,600
	Total	\$108,200

- c. Project Continuation and Maintenance: Indicate what organization is responsible for maintenance of the project after completion. (Attach letters or verification).

The City of Hallandale Beach will be responsible for maintenance of the project after completion.

- d. Program Design: How do you plan to achieve the goals identified above? Please be clear and specific. Please attach separately, if necessary.

For housing activities/projects, please provide details to include the types of assistance provided, affordability period, recapture terms etc. These terms and provisions must be consistent with Broward County's Consolidated/Action Plan.

The project retrofitting and upgrades will be designed by a consultant and project will be subsequently bid and constructed by outside contractor.

6. Applicant's Management Capability: Briefly describe the capacity of your municipality to undertake the proposed project. Discuss prior experience in the administration of Federal funds and list existing funding agreements.

- a. Experience - Discuss experience in the administration of Federal funds and general management capacity, include other Broward County funded

programs and provide a list of CDBG Projects below.

The City of Hallandale Beach has over 19 years of experience participating in the Broward County CDBG Program. The City has demonstrated the in-house capacity and expertise to complete project professionally.

- b. Does the municipality intend to utilize an outside vendor/contractor to provide the direct service delivery for any of the activities listed?

Yes. The City will utilize 44th Year CDBG funding to procure outside vendors/contractors for the construction of the project.

If yes, please provide a detailed method of the procurement method used.

Please see attached Standard Operation Procedure Flowchart from Procurement Department (Exhibit 2).

- c. Monitoring – How does the municipality ensure compliance with regulatory and statutory requirements and third party vendors/contractors?

The City will hire a consultant to do the design of the project (the plans will be signed and sealed by a Professional Engineer). The City staff will managed and inspected the project from start to finish. The project manager will make sure that the state and local requirements will be follow during the design and construction of the project.

- d. Non – housing activities – How does the municipality ensure compliance with scope of work, budgetary items, procurement, programmatic compliance etc.?

N/A.

- e. Housing activities: How does the municipality track the properties, beneficiary data, HQS (if applicable) and ensure compliance with affordability restrictions?

N/A.

Please provide monitoring process and include monitoring policy/procedures (Attachment A).

See Exhibit 3 - CDBG Prodecure for Capital Improvement Projects

- f. Provide a list of current CDBG projects, including the most recent 3 years, funding amount, current status, extensions needed. Etc.

11. Describe and calculate Leveraging: Describe and attach supporting documentation including letter(s) of commitment, resolutions, minutes of meetings, etc., showing specific resources the applicant will commit to the project as identified in columns 2 and 3 of the Budget Table on page 6. Include and identify in-kind contributions, sweat equity and other resources.

a. Provide documentation as an attachment and summarize below.

1. For economic development projects, the value of the jobs produced in the previous year can be used as leverage. Documentation must be

provided showing the name of business, job titles and salaries.

N/A

2. For housing development projects, anticipated mortgage financing will be considered as in-kind contribution.

N/A

- b. Instructions on calculating leveraging

Leveraging will be computed by taking into account the total dollar cost of the entire project including in-kind contribution.

$$\text{Percent Leveraging} = \frac{\text{Total Non-CDBG Funds \$} \times 100}{\text{Total CDBG \$}}$$

In computing Total Cost of the project, funding from all sources for the project must be added. This includes Federal funds, State funds, contributions, private sector financing, in-kind contributions, etc.

In-Kind Contributions are non-cash items. Non-cash items are contributions to the project, e.g., labor, office space, use of equipment, etc that do not involve cash payments by the entity. However, a dollar value must be provided for in-kind contributions and that value must be added to the cost of the project. In-kind contributions must be accounted for and included in the financial audit of the funded entity.
