SHORT TITLE:

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA AUTHORIZING USE OF A COOPERATIVE PURCHASING CONTRACT THROUGH OMNIA PARTNERS CONTRACT # 2019-000319 THROUGH THE CITY OF CHARLOTTE, N.C. RFP NO. 269-2018-047 FOR LEASING SANITATION TRUCKS FROM BIG TRUCK RENTAL, LLC, FOR AN AMOUNT NOT TO EXCEED THREE HUNDRED AND SEVENTEEN THOUSAND DOLLARS (\$317,000) FOR FY 2021-2022; AND PROVIDING AN EFFECTIVE DATE.

STAFF SUMMARY:

Summary:

This agenda item seeks City Commission approval to utilize the competitively solicited OMNIA PARTNERS contract #2019-000319 with Big Truck Rental, LLC Inc. through the City of North Carolina's RFP No. 269-2018-047 for Equipment Rentals and Related Products and Services in an amount not-to-exceed \$317,000 for Fiscal Year 2021-2022.

Background:

For Fiscal Year 2020-2021 the City Commission approved Resolution No. 2021-029 (Exhibit 2) to utilize Big Truck Rental to procure front load sanitation truck to service the solid waste collection needs of Commercial and Multi-Family accounts.

The Sanitation Division's Commercial and Multi-Family Solid Waste Collection operation has been under great pressure due the failure of several front load refuse trucks that have reached their useful life, are damaged beyond repair, or have been declared a total loss. This operation functions with a fleet of six (6) front loader trucks. Currently only three (3) trucks are operational (see table below).

Unit #	Description	Condition
983	2009 Autocar (Diesel)	Internal engine damage - cost of repair exceeds truck's value
1138	2014 Autocar (CNG)	Declared total loss from fire back in November 2020
1139	2014 Autocar (CNG)	Internal engine damage - cost of repair exceeds truck's value
980	2010 Autocar (Diesel)	Past its useful life of 10 years, but operational
1140	2014 Autocar (CNG)	Operational but is frequently in the shop for repairs
1220	2015 Autocar (CNG)	Operational

Current Situation:

Currently the Division is utilizing three (3) rental front loader refuse trucks (diesel) from Big Truck Rental, LLC. To continue running the Commercial and Multi-Family waste collection operation staff has budgeted \$317,000 for Fiscal Year 2021-2022. To assure no interruption in service, for fiscal year 2021-2022, staff has opened a purchase order (PO 20220331) in the amount of \$50,000. Rental fees are shown below and reflected on Exhibit 6.

# of Trucks	Rental cost	# of weeks	Total Cost
3	\$ 2,000.00/Week/Each	52	\$ 312,000.00
Contingency			\$ 5,000.00
Total Budgeted			\$ 317,000.00

These rentals are new model vehicles: Two (2) 2020 Peterbilt Front Loader trucks and one (1) 2021 Mack Front Loader truck. Staff intends to continue utilizing the OMNIA PARTNERS Contract # 2019-000319 with Big Truck Rental, LLC Inc. (Exhibit 3).

Why Action is Necessary:

Pursuant to Chapter 23, Section 23-8 Exception to Bid Requirements, (6) Bids and Contracts from Other entities, and Section 23-9 Cooperative Purchasing, the City Manager is authorized to procure all supplies, materials, equipment, and services from other governmental units, when the best interests of the City would be served subject to the requirement that any purchase in excess of \$50,000 requires City Commission approval.

Cost Benefit:

Considering the impending release of the RFP to outsource the Multi-Family and Commercial Solid Waste Collection operation, renting the trucks (rather than purchasing them) is the most cost beneficial course of action to keep providing the core service of trash removal.

PROPOSED ACTION

The City Commission approved the attached resolution to authorize utilize the competitively solicited OMNIA PARTNERS contract #2019-000319 with Big Truck Rental, LLC Inc. through the City of North Carolina's RFP No. 269-2018-047 for Equipment Rentals and Related Products and Services in an amount not-to-exceed \$317,000.
