SHORT TITLE:

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA, AWARDDING BID # FY 2023-2024-07 16 INCH WATER MAIN REPLACEMENT ON ATLANTIC SHORES BLVD TO JVA ENGINEERING CONTRACTOR INC. AS THE LOWEST RESPONSIVE BIDDER, IN THE AMOUNT OF ONE MILLION, EIGHT HUNDRED, NINETY-EIGHT THOUSAND AND TWO HUNDRED DOLLARS (\$1,898,200); AND PROVIDING AN EFFECTIVE DATE.

STAFF SUMMARY:

Summary:

This agenda item seeks City Commission’s approval to award Bid # FY 2023-2024-07 16-inch Water Main Replacement on Atlantic Shores Blvd. to JVA Engineering Contractor Inc. as the lowest responsive bidder, in the amount of \$ 1,898,200 plus a 10%

contingency (\$189,820) for a not-to-exceed amount of \$2,088,020 to complete the construction of the project.

Background:

On August 5, 2020, the City Commission approved Resolution No. 2020-054 authorizing continuing service agreements to be awarded in accordance with the Consultant Competitive Negotiation Act (CCNA) per RFP # FY2018-2019-012, to a selected group of design professional firms (Exhibit 2).

On June 17, 2021, the City entered into a Work Authorization Agreement with R.J. Behar & Company, Inc. to complete the design of the 16-Inch Watermain Replacement Project in the amount of \$141,119.49 (Exhibit 3). This watermain is along Atlantic Shores between NE 14th Ave. and Three Island Blvd.

The intent of the project is to replace an existing 12-inch watermain on Atlantic Shores Blvd. with a new 16-inch watermain from NE 14th Ave. to Three Islands Blvd. This project will install approximately 879 feet of the new watermain using horizontal directional drilling technology to pass beneath the bottom surface of the De Soto Waterway. The directional drilled line will be 18" in diameter to match the internal diameter of the 16" PVC waterline. In addition to this work, this will also be a new 8" PVC watermain, tee connections, gate valves, air release valves, sleeves, and other water utility related work.

The work includes the abandonment of the existing 12" watermain that is being replaced. Additional to this work is the removal of the existing 12-inch watermain located on the Atlantic Shores bridge crossing the De Soto Waterway.

Current Situation:

Release Date of Bid – July 22, 2024:

The release notice for the Bid was sent to over two thousand three hundred (2,300) vendors including, vendors from the City's Vendor list and pertinent vendors that have a City Business Tax License to operate in the City.

The Bid was also advertised on:

- o Hallandale Beach Chamber of Commerce website,
- o City's website,
- o DEMANDSTAR.com,
- o City Social Media pages,
- o Miami Minority Business Development Agency Business Center,
- o U.S. Small Business Administration,
- o Broward County Community Relations and Outreach Section Office of Economic and Small Business Development.

In Person Non-Mandatory Pre-Bid Meeting – August 5, 2024:

Two (2) firms attended the Pre-Bid Meeting in person.

Last Day for Questions for this project – August 14, 2024, by 11:00 AM

Responses Due – September 9, 2024, by 11:00 AM
