14 EFFECTIVE DATE.
15

16 **WHEREAS**, the parcel of property located at 650 NW 2nd Street ("parcel") is

22 Public Works compound and currently contains a wash pad for the collection of stormwater
23 and street stripping debris; and

29

30 **WHEREAS**, the City is requesting a small-scale Future Land Use Plan Amendment
31 to change the land use designation of the subject parcel to Community Facility-Utilities

35 decisions or recommendations relating to any change to the land use element of the
36 comprehensive plan must address the effect of the proposed amendment as it relates to the
37 following:

- 38 (1) The relationship of the proposed amendment to the purposes and objectives
39 of the City's Comprehensive Land Use Plan, when adopted, with appropriate

consideration as to whether or not the proposed changes will further the purpose of this chapter and other codes, regulations and actions designed to implement the plan.

(2) The proposed change would or would not be contrary to the established land use pattern.

(3) The proposed change would or would not create an isolated district unrelated to adjacent and nearby districts.

(5) Existing district boundaries are illogically drawn in relation to existing conditions on the property proposed for change.

(6) Changed or changing conditions make the passage of the proposed amendment necessary.

(7) Substantial reasons exist why the property cannot be used in accordance with the adopted land use plan and/or the existing zoning.

(8) Whether or not the change is out of scale with the needs of the neighborhood.

WHEREAS, the City intends to amend the Land Use Element of the Comprehensive Plan adopted by Ordinance 97-8 on May 20, 1997, in the manner prescribed in Chapter 163.3187, Florida Statutes, to designate the parcel as Community Facility-Utilities Category (See Proposed Future Land Use Map "Exhibit 1-B"); and

WHEREAS, the parcel is currently designated Low-Medium (10) Residential in the Broward County Future Land Use Map. To maintain consistency with Broward County's Future Land Use Map, the parcel's land use designation must be amended to the Community Land Use category in the Broward County Future Land Use Map (Exhibit "1-C"), which also requires application and transmittal to the Florida Department of Economic Opportunity; and

WHEREAS, notice has been provided and published pursuant to the procedures set forth in Section 32-1004 of the City Code; and

74 **WHEREAS**, after notice of a public hearing being duly published, a public
