| 14 | Lauderhill | 11/13/201 @ 7 p.m. (workshop) 11/27/2017 @ 7 p.m. (consent) | 5581 W. Oakland Park Blvd., Lauderhill, FL 33313 | 11/27/2017 | Questions were posed regarding the potential for competition between Lauderhill 6-12 and Millenium 6-12 Schools and about how the atypical grade configuration is factored into public school concurrency. | School Board Member Osgood was present and responded that due to differences in programs offered and matriculation patterns of the student population of the two schools that competition should not be a problem. Additionally staff answered that the development review process is not affected by the atypical grade configuration. The student generation rate by unit type derives separate middle and high school students that are then aggregated to the overall capacity of the facility. |
