(2) The Local Government currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

In addition, the Local Government agrees to budget, by amendment if necessary, payment to the Department from other legally available non-ad valorem funds all sums becoming due before the same become delinquent. The withdrawal of moneys from the Loan Debt Service Account shall be for the sole purpose of making the Semiannual Loan Payment or for discharging the Local Government's obligations pursuant to Section 8.01.

3.04. ASSETS HELD IN TRUST.

The assets in all accounts created under this Loan Agreement shall be held in trust for the purposes provided herein and used only for the purposes and in the manner prescribed in this Agreement; and, pending such use, said assets shall be subject to a lien and charge in favor of the Department.

ARTICLE IV - PROJECT INFORMATION

4.06. COMPLETION MONEYS.

In addition to the proceeds of this Loan, the Local Government covenants that it has obtained, or will obtain, sufficient moneys from other sources to complete construction and place the Project in operation on, or prior to, the date specified in Article X. Failure of the Department to approve additional financing shall not constitute a waiver of the Local Government's covenants to complete and place the Project in operation.

4.07. CLOSE-OUT.

The Department shall conduct a final inspection of the Project and Project records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved costs. As a result of such adjustment, the Semiannual Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

Disbursements shall be made directly to the Local Government for reimbursement of the incurred construction costs and related services. Disbursements for materials, labor, or services shall be made upon receipt of the following:

(1) A completed disbursement request form signed by the Authorized Representative. (8) Failure of the Local Government to give immediate written notice of its knowledge of a potential default or an event of default, hereunder, to the Department and such failure shall continue for a period of 30 days.

6.02. REMEDIES.

All rights, remedies, and powers conferred in this Agreement and the transaction documents are cumulative and are not exclusive of any other rights or remedies, and they shall be in addition to every other right, power, and remedy that Department may have, whether specifically granted in this Agreement or any other transaction document, or existing at law, in equity, or by statute. Any and all such rights and remedies may be exercised from time to time and as often and in such order as Department may deem expedient. Upon any of the Events of Default and subject to the rights of others having prior liens on the Pledged Revenues, the Department may enforce its rights by, *inter alia*, any of the following remedies:

(1) By mandamus or other proceeding at law or in equity, cause to establish rates and collect fees and charges for use of the Utility System, and to require the Local Government to fulfill this Agreement.

(2) By action or suit in equity, require the Local Government to account for all moneys received from the Department or from the ownership of the Utility System and to account for the receipt, use, application, or disposition of the Pledged Revenues.

(3) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Department.

(4) By applying to a court of competent jurisdiction, cause to appoint a receiver to manage the Utility System, establish and collect fees and charges, and apply the revenues to the reduction of the obligations under this Agreement.

(5) By certifying to the Auditor General and the Chief Financial Officer delinquency on loan repayments, the Department may intercept the delinquent amount plus a penalty from any unobligated funds due to the Local Government under any revenue or tax sharing fund established by the State, except as otherwise provided by the State Constitution. The Department may impose a penalty in an amount not to exceed an interest rate of 18 percent per annum on the amount due in addition to charging the cost to handle and process the debt. Penalty interest shall accrue on any amount due and payable beginning on the 30th day following the date upon which payment is due.

(6) By notifying financial market credit rating agencies and potential creditors.

(7) By suing for payment of amounts due, or becoming due, with interest on overdue payments together with all costs of collection, including attorneys' fees.

(8) By accelerating the repayment schedule or increasing the Financing Rate on the unpaid principal of the Loan to as much as 1.667 times the Financing Rate.

6.03. DELAY AND WAIVER.

No course of dealing between Department and Local Government, or any failure or delay on the part of Department in exercising any rights or remedies hereunder, shall operate as a waiver of any rights or remedies of Department, and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder. No delay or omission by the Department to exercise any right or power accruing upon Events of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient. No waiver or any default under this Agreement shall extend to or affect any subsequent Events of Default, whether of the same or different provision of this Agreement, or shall impair consequent rights or remedies.

ARTICLE VII - THE PLEDGED REVENUES

7.01. SUPERIORITY OF THE PLEDGE TO THE DEPARTMENT.

From and after the effective date of this Agreement, the Department shall have a lien on the Pledged Revenues, which along with any other Department State Revolving Fund liens on the Pledged Revenues, of equal priority, will be prior and superior to any other lien, pledge or

assignment with the following exception. All obligations of the Local Government under this Agreement shall be junior, inferior, and subordinate in all respects in right of payment and security to the Senior Revenue Debt defined in Section 1.01 of this Agreement and to any additional senior obligations issued with the Department's consent pursuant to Section 7.02. The Department may release its lien on such Pledged Revenues in favor of the Department if the Department makes a determination in its sole discretion, based upon facts deemed sufficient by the Department, that the remaining Pledged Revenues will, in each Fiscal Year, equal or exceed 1.15 times the debt service coming due in each Fiscal Year under the terms of this Agreement.

7.02. ADDITIONAL DEBT OBLIGATIONS.

The Local Government may issue additional debt obligations on a parity with, or senior to, the lien of the Department on the Pledged Revenues provided the Department's written consent is obtained. Such consent may be granted if the Local Government demonstrates at the time of such issuance that the Pledged Revenues, which may take into account reasonable projections of growth of the Utility System and revenue increases, plus revenues to be pledged to the additional proposed debt obligations will, during the period of time Semiannual Loan Payments are to be made under this Agreement, equal or exceed 1.15 times the annual combined debt service requirements of this Agreement and the obligations proposed to be issued by the Local Government and will satisfy the coverage requirements of all other debt obligations secured by the Pledged Revenues.

ARTICLE VIII - GENERAL PROVISIONS

8.01. DISCHARGE OF OBLIGATIONS.

All payments required to be made under this Agreement shall be cumulative and any deficiencies in any Fiscal Year shall be added to the payments due in the succeeding year and all years thereafter until fully paid. Payments shall continue to be secured by this Agreement until all of the payments required shall be fully paid to the Department. If at any time the Local Government shall have paid, or shall have made provision for the timely payment of, the entire principal amount of the Loan, and as applicable, Loan Service Fee, interest, and Grant Allocation Assessment charges, the pledge of, and lien on, the Pledged Revenues to the Department shall be no longer in effect. Deposit of sufficient cash, securities, or investments, authorized by law, from time to time, may be made to effect defeasance of this Loan. However, the deposit shall be made in irrevocable trust with a banking institution or trust company for the sole benefit of the Department. There shall be no penalty imposed by the Department for early retirement of this Loan.

8.02. PROJECT RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Department for inspection at any reasonable time after the Local Government has received a disbursement and until five years after the Final Amendment date.

8.03. ACCESS TO PROJECT SITE.

The Local Government shall provide access to Project sites and administrative offices to authorized representatives of the Department at any reasonable time. The Local Government shall cause its engineers and contractors to cooperate during Project inspections, including making available working copies of plans and specifications and supplementary materials.

8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Department may assign any part of its rights under this Agreement after notification to the Local Government. The Local Government shall not assign rights created by this Agreement without the written consent of the Department.

8.05. AMENDMENT OF AGREEMENT.

This Agreement may be amended in writing, except that no amendment shall be permitted which is inconsistent with statutes, rules, regulations, executive orders, or written agreements between the Department and the U.S. Environmental Protection Agency (EPA). This Agreement may be amended after all construction contracts are executed to re-establish the Project cost, Loan amount, Project schedule, and Semiannual Loan Payment amount. A Final Amendment establishing the final Project costs and the Loan Service Fee based on actual Project costs shall be completed after the Department's final inspection of the Project records.

8.06. ABANDONMENT, TERMINATION OR VOLUNTARY CANCELLATION.

Failure of the Local Government to actively prosecute or avail itself of this Loan (including e.g. described in para 1 and 2 below) shall constitute its abrogation and abandonment of the rights hereunder, and the Department may then, upon written notification to the Local Government, suspend or terminate this Agreement.

(1) Failure of the Local Government to draw on the Loan proceeds within eighteen months after the effective date of this Agreement, or by the date set in Section 10.07 to establish the Loan Debt Service Account, whichever date occurs first.

(2) Failure of the Local Government, after the initial Loan draw, to draw any funds under the Loan Agreement for twenty-four months, without approved justification or demonstrable progress on the Project.

Upon a determination of abandonment by the Department, the Loan will be suspended, and the Department will implement administrative close out procedures (in lieu of those in Section 4.07) and provide written notification of Final Unilateral Amendment to the Local Government.

In the event that following the execution of this Agreement, the Local Government decides not to proceed with this Loan, this Agreement can be cancelled by the Local Government, without penalty, if no funds have been disbursed.

8.07. SEVERABILITY CLAUSE.

If any provision of this Agreement shall be held invalid or unenforceable, the remaining provisions shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

8.08. USE AS MATCHING FUNDS.

The EPA has provided a class deviation from the provisions of 40 CFR 35.3125(b)(1) to allow these second tier funds to be used as local matching requirements for most EPA grant funded treatment works projects, including special Appropriations Act projects.

8.09. DAVIS-BACON AND RELATED ACTS REQUIREMENT.

(1) The Local Government shall periodically interview 10% of the work force entitled to Davis-Bacon prevailing wages (covered employees) to verify that contractors or subcontractors are paying the appropriate wage rates. Local Governments shall immediately conduct interviews in response to an alleged violation of the prevailing wage requirements. As provided in 29 CFR 5.6(a)(5) all interviews must be conducted in confidence. The Local Government must use Standard Form 1445 or equivalent documentation to memorialize the interviews. Copies of the SF 1445 are available from EPA on request.

(2) The Local Government shall periodically conduct spot checks of a representative sample of weekly payroll data to verify that contractors or subcontractors are paying the appropriate wage rates. The Local Government shall establish and follow a spot check schedule based on its assessment of the risks of noncompliance with Davis-Bacon posed by contractors or subcontractors and the duration of the contract or subcontract. At a minimum, if practicable, the subrecipient should spot check payroll data within two weeks of each contractor or subcontractor's submission of its initial payroll data and two weeks prior to the completion date of the contract or subcontract. Local Governments must conduct more frequent spot checks if the initial spot check or other information indicates that there is a risk that the contractor or subcontractor is not complying with Davis-Bacon. In addition, during the examinations the Local Government shall verify evidence of fringe benefit plans and payments thereunder by contractors and subcontractors who claim credit for fringe benefit contributions.

(3) The Local Government shall periodically review contractors' and subcontractors' use of apprentices and trainees to verify registration and certification with respect to apprenticeship and training programs approved by either the U.S Department of Labor (DOL) or a state, as appropriate, and that contractors and subcontractors are not using disproportionate numbers of laborers, trainees, and apprentices. These reviews shall be conducted in accordance with the schedules for spot checks and interviews described in items (1) and (2) above.

(4) Local Governments must immediately report potential violations of the Davis-Bacon prevailing wage requirements to the appropriate DOL Wage and Hour District Office listed at <http://www.dol.gov/whd/america2.htm> and to the EPA Region 4 Water Division/Grants and Infrastructure Section by calling 404-562-9345. Additional information on Davis-Bacon

guidance is located on the EPA website at: <https://www.epa.gov/grants/davis-bacon-and-related-acts-dbra>.

8.10. AMERICAN IRON AND STEEL REQUIREMENT.

The Local Government's subcontracts must contain requirements that all of the iron and steel products used in the Project are in compliance with the American Iron and Steel requirement as described in Section 608 of the Federal Water Pollution Control Act unless the Local Government has obtained a waiver pertaining to the Project or the Department has advised the Local Government that the requirement is not applicable to the Project.

8.11. FISCAL SUSTAINABILITY PLAN.

The Federal Water Pollution Control Act (FWPCA), under Section 603(d)(1)(E)(i) of that act, requires a recipient of a Loan for a project that involves the repair, replacement, or expansion of a treatment works to develop and implement a Fiscal Sustainability Plan or certify that it has developed and implemented such a plan.

The Local Government shall either develop and implement a Fiscal Sustainability Plan or certify that it has developed and implemented a Fiscal Sustainability Plan, that includes the following: An inventory of critical assets that are a part of the treatment works; an evaluation of the condition and performance of inventoried assets or asset groupings; a certification that the recipient has evaluated and will be implementing water and energy conservation efforts as part of the plan; and a plan for maintaining, repairing, and, as necessary, replacing the treatment works and a plan for funding such activities.

At a minimum, the Fiscal Sustainability Plan shall include: an inventory of critical assets that are part of the Project funded by this Agreement; an evaluation of the condition and performance of these assets; a certification that the assistance recipient has evaluated and will be implementing water and energy conservation efforts as part of the plan; and a plan for maintaining, repairing, and, as necessary, replacing the treatment works and a plan for funding such activities.

A Fiscal Sustainability Plan certification is a certification by the Local Government that the Fiscal Sustainability Plan has been developed and is being implemented. For systems that self-certify under Section 603(d)(1)(E)(ii), certification is due at the time of loan closing. For systems developing a Fiscal Sustainability Plan under Section 603(d)(1)(E)(i), the requirement to develop and implement a Fiscal Sustainability Plan is a condition of the Loan Agreement and is due before the final disbursement is approved.

8.12. PUBLIC RECORDS ACCESS.

(1) The Local Government shall comply with Florida Public Records law under Chapter 119, F.S. Records made or received in conjunction with this Agreement are public records under Florida law, as defined in Section 119.011(12), F.S. The Local Government shall keep and maintain public records required by the Department to perform the services under this Agreement.

(2) This Agreement may be unilaterally canceled by the Department for refusal by the Local Government to either provide to the Department upon request, or to allow inspection and copying of all public records made or received by the Local Government in conjunction with this Agreement and subject to disclosure under Chapter 119, F.S., and Section 24(a), Article I, Florida Constitution.

(3) The Local Government agrees to observe the above requirements for applicable subcontracts entered into for the performance of work under this Agreement.

(4) As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

8.14. SUSPENSION.

The Department may suspend any or all of its obligations to Loan or provide financial accommodation to the Local Government under this Agreement in the following events, as determined by the Department:

- (1) The Local Government abandons or discontinues the Project before its completion,
- (2) The commencement, prosecution, or timely completion of the Project by the Local Government is rendered improbable or the Department has reasonable grounds to be insecure in Local Government's ability to perform, or
- (3) The implementation of the Project is determined to be illegal, or one or more officials of the Local Government in responsible charge of, or influence over, the Project is charged with violating any criminal law in the implementation of the Project or the administration of the proceeds from this Loan.

The Department shall notify the Local Government of any suspension by the Department of its obligations under this Agreement, which suspension shall continue until such time as the event or condition causing such suspension has ceased or been corrected, or the Department has re-instated the Agreement.

Local Government shall have no more than 30 days following notice of suspension hereunder to remove or correct the condition causing suspension. Failure to do so shall constitute a default under this Agreement.

Following suspension of disbursements under this Agreement, the Department may require reasonable assurance of future performance from Local Government prior to re-instating the Loan. Such reasonable assurance may include, but not be limited to, a payment mechanism using two party checks, escrow or obtaining a Performance Bond for the work remaining.

Following suspension, upon failure to cure, correct or provide reasonable assurance of future performance by Local Government, the Department may exercise any remedy available to it by this Agreement or otherwise and shall have no obligation to fund any remaining Loan balance under this Agreement.

(1) After the Department's authorization to award construction contracts has been received, the Local Government shall submit the following documents:

The proceeds of insurance policies received as a result of damage to, or destruction of, the Project or the other Revenue Producing Facilities, shall be used to restore or replace damaged portions of the facilities. If such proceeds are insufficient, the Local Government shall provide additional funds to restore or replace the damaged portions of the facilities. Repair, construction or replacement shall be promptly completed.

ARTICLE X - DETAILS OF FINANCING

10.01. PRINCIPAL AMOUNT OF LOAN.

The estimated principal amount of the Loan is \$2,281,480, which consists of \$2,267,480 to be disbursed to the Local Government and \$14,000 of Capitalized Interest.

Capitalized Interest is not disbursed to the Local Government, but is amortized via periodic Loan repayments to the Department as if it were actually disbursed. Capitalized Interest is computed at the Financing Rate, or rates, set for the Loan. It accrues and is compounded annually from the time when disbursements are made until six months before the first Semiannual Loan Payment is due. Capitalized Interest is estimated prior to establishing the schedule of actual disbursements.

10.02. LOAN SERVICE FEE.

The Loan Service Fee is estimated as \$45,350 for the Loan amount authorized to date. The fee represents two percent of the Loan amount excluding Capitalized Interest amount; that is, two percent of \$2,267,480. The Loan Service Fee is estimated at the time of execution of the loan agreement and shall be revised with any increase or decrease amendment. The Loan Service Fee is based on actual Project costs and assessed in the final loan amendment. The Local Government shall pay the Loan Service Fee from the first available repayment(s) following the Final Amendment.

10.03. FINANCING RATE.

The Financing Rate on the unpaid principal of the Loan amount specified in Section 10.01 is 0.58 percent per annum. The Financing Rate equals the sum of the interest rate and the Grant Allocation Assessment Rate. The interest rate is 0.58 percent per annum and the Grant Allocation Assessment rate is 0. However, if this Agreement is not executed by the Local Government and returned to the Department before January 1, 2025 the Financing Rate may be adjusted.

10.04. LOAN TERM.

The Loan term shall be 20 years.

10.05. REPAYMENT SCHEDULE.

Repayments shall be made semiannually (twice per year). The Semiannual Loan Payment shall be computed based upon the principal amount of the Loan plus the estimated Loan Service Fee and the principle of level debt service. The Semiannual Loan Payment amount may be adjusted, by amendment of this Agreement, based upon revised information. After the final disbursement of Loan proceeds, the Semiannual Loan Payment shall be based upon the actual Project costs, the actual Loan Service Fee and Loan Service Fee capitalized interest, if any, and actual dates and amounts of disbursements, taking into consideration any previous payments. Actual Project costs shall be established after the Department's inspection of the completed Project and associated records. The Department will deduct the Loan Service Fee and any associated interest from the first available repayments following the Final Amendment.

Each Semiannual Loan Payment shall be in the amount of \$61,694 until the payment amount is adjusted by amendment. The interest and Grant Allocation Assessment portions of each Semiannual Loan Payment shall be computed, using their respective rates, on the unpaid balance of the principal amount of the Loan, which includes Capitalized Interest. Interest (at the Financing Rate) also shall be computed on the estimated Loan Service Fee. The interest and Grant Allocation Assessment on the unpaid balance shall be computed as of the due date of each Semiannual Loan Payment.

Semiannual Loan Payments shall be received by the Department beginning on August 15, 2027 and semiannually thereafter on February 15 and August 15 of each year until all amounts due hereunder have been fully paid. Funds transfer shall be made by electronic means.

The Semiannual Loan Payment amount is based on the total amount owed of \$2,326,830, which consists of the Loan principal and the estimated Loan Service Fee.

10.06. PROJECT COSTS.

The Local Government and the Department acknowledge that the actual Project costs have not been determined as of the effective date of this Agreement. Project cost adjustments may be made as a result of construction bidding or mutually agreed upon Project changes. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. If the Local Government receives other governmental financial assistance for

this Project, the costs funded by such other governmental assistance will not be financed by this Loan. The Department shall establish the final Project costs after its final inspection of the Project records. Changes in Project costs may also occur as the result of an audit.

The Local Government agrees to the following estimates of Project costs:

CATEGORY	PROJECT COSTS (\$)
Construction and Demolition	2,061,345
Contingencies	206,135
SUBTOTAL (Disbursable Amount)	2,267,480
Capitalized Interest	14,000
TOTAL (Loan Principal Amount)	2,281,480

10.07. SCHEDULE.

The Local Government agrees by execution hereof:

(1) This Agreement shall be effective on May 19, 2018. Invoices submitted for work conducted on or after this date shall be eligible for reimbursement.

(2) Completion of Project construction is scheduled for February 15, 2027.

(3) The Loan Debt Service Account shall be established and Monthly Loan Deposits shall begin no later than February 15, 2027.
