City of Hallandale Beach (" Customer") and Kronos agree that the terms and conditions set forth: i) in Section A of this Agreement apply to all Equipment and Software specified on a Kronos order form (the "Order Form"); ii) in Section B apply to all Software, firmware (contained in or downloaded to the Equipment), and Training Materials specified on the Order Form; iii) in Section C apply to all Professional Services, if any, specified on the Order Form; iv) in Section D apply to all Software Support Services, if any, and the Kronos KnowledgePass Education Subscription, if any, specified on the Order Form; and v) in Section E of the Agreement apply to all items specified on the Order Form and supplement the terms of Sections A through D. For purposes of this Agreement, the term "Customer" shall include Customer's parent company as well as Customer's wholly owned subsidiaries, if any.

SECTION A. TERMS AND CONDITIONS APPLICABLE TO EQUIPMENT AND SOFTWARE ONLY

1. PAYMENT AND DELIVERY

Payment terms are indicated on the Order Form or other contemporaneous ordering document containing product-specific payment terms signed by the parties. Delivery terms are as stated on the Order Form ("Delivery").

2. ACCEPTANCE

For Customer's initial purchase of each Equipment and Software product Kronos shall provide an acceptance test period (the "Test Period") that commences upon Installation. Installation shall be defined as: a.) the Equipment, if any, is mounted; b.) the Software is installed on the data base server(s) and/or personal computer(s); and c.) implementation team training, if any, is complete. During the Test Period, Customer shall determine whether the Equipment and Software meet the Kronos published electronic documentation, ("Specifications").

The Test Period shall be for 30 days. If Customer has not given Kronos a written deficiency statement specifying how the Equipment or Software fails to meet the Specifications ("Deficiency Statement") within the Test Period, the Equipment and Software shall be deemed accepted. If Customer provides a Deficiency Statement within the Test Period, Kronos shall have 30 days to correct the deficiency, and Customer shall have an additional 30 days to evaluate the Equipment and Software. If the Equipment or Software does not meet the Specifications at the end of the second 30 day period, either Customer or Kronos may terminate this Agreement. Upon any such termination, Customer shall return all Equipment and Software to Kronos, and Kronos shall refund any monies paid by Customer to Kronos therefor. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

3. LIMITED WARRANTY

Kronos warrants that all Kronos Equipment and Software media shall be free from defects in materials and workmanship, for a period of ninety (90) days from Delivery. In the event of a breach of this warranty, Customer's exclusive remedy shall be Kronos' repair or replacement of the deficient Equipment and/or Software media, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Specifications. This warranty is extended to Customer only and shall not apply to any Equipment, (or parts thereof) or Software media in the event of:

- (a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
- (b) failure of Customer to provide and maintain a suitable installation environment, as specified in the Specifications; or
- (c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

If Customer is licensing Workforce Payroll Software the following additional warranty exclusions shall apply: i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using the Software, (ii) using the Software does not release Customer of any professional obligation concerning the preparation and review of such reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or the Software for any advice or guidance regarding compliance with federal and state laws or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using the Software and satisfy itself that those calculations are correct.

4. INDEMNIFICATION

Kronos agrees to indemnify Customer and to hold it harmless from and against any and all claims, costs, fees and expenses (including reasonable legal fees) relating to actual or alleged infringement of U.S. patents or copyrights asserted against Customer by virtue of Customer's use of the Software as delivered and maintained by Kronos, provided that: i) Kronos is given prompt written notice of any such claim and has sole control over the investigation, preparation, defense and settlement of such claim; and, ii) Customer reasonably cooperates with Kronos in connection with the foregoing and provides Kronos with all information in Customer's possession related to such claim and any further assistance as reasonably requested by Kronos. Kronos will have no obligation to indemnify Customer to the extent any such claim is based on the use of the Software with software or equipment not supplied by Kronos. Should any or all of the Software as delivered and maintained by Kronos become, or in Kronos' reasonable opinion be likely to become, the subject of any such claim, Kronos may at its option: i) procure for Customer the right to continue to use the affected Software as contemplated hereunder; ii) replace or modify the affected Software to make its use non-infringing; or iii) should such options not be available at reasonable expense, terminate this Agreement with respect to the affected Software upon thirty (30) days prior written notice to Customer. In such event of termination, Customer shall be entitled to a pro-rata refund of all fees paid to Kronos for the affected Software, which refund shall be calculated using a five year straight-line depreciation commencing with the date of the relevant Order.

SECTION B. LICENSE TERMS APPLICABLE TO SOFTWARE (INCLUDING SOFTWARE DOCUMENTATION), FIRMWARE AND TRAINING MATERIALS ONLY

GENERAL LICENSE TERMS

Kronos owns or has the right to license the Software. The Software and Software documentation are confidential and may not be disclosed to a third party without Kronos' written consent. The Software contains proprietary trade secret technology. Unauthorized use and copying of such Software is prohibited by law, including United States and foreign copyright law. The price Customer pays for a copy of the Software constitutes a license fee that entitles Customer to use the Software as set forth below. Kronos grants to Customer a non-exclusive, nontransferable, perpetual (except as provided herein) license to use the Software. This license may be terminated by Kronos by written notice to Customer upon any material breach of this Agreement by Customer. This license is subject to all of the terms of this Agreement, including those set forth below:

(a) FEE BASED LIMITATIONS

Customer recognizes and agrees that the license to use the Software is limited, based upon the amount of the license fee paid by Customer. Limitations, which are set forth on the Order Form, may include the number of employees, simultaneous or active users, Software product modules, Software features, computer model and serial number, and/or the number of terminals to which the Software is permitted to be connected. Customer agrees to: i) use the Software only for the number of employees, simultaneous or active users, computer model and serial number, and/or terminals permitted by the applicable license fee; ii) use only the product modules and/or features permitted by the applicable license fees; and iii) use the Software only in support of Customer's own business. Customer agrees not to increase the number of employees, simultaneous or active users, terminals, products modules, features, or to upgrade the model, as applicable, unless and until Customer pays the applicable fee for such increase/upgrade. Customer may not relicense or sublicense the Software to, or otherwise permit use of the Software (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

(b) OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code.

(c) PERMITTED COPIES

Customer may copy the Programs as reasonably necessary to load and execute the Programs and for backup purposes only. All copies of the Programs or any part thereof, whether in printed or machine readable form and whether on storage media or otherwise, are subject to all the terms of this license, and all copies of the Programs or any part of the Programs shall include the copyright and proprietary rights notices contained in the Programs as delivered to the Customer.

(d) UPDATES

In the event that Kronos supplies Service Packs, Point Releases and Major Releases (including legislative updates if available) of the Software (collectively referred to as "Updates"), such Updates shall be part of the Software and the provisions of this license shall apply to such Updates and to the Software as modified thereby.

(e) CUSTOMER TERMINATION

Customer may terminate this license at any time by returning to Kronos the original copy of the Software and destroying all other copies of the Software. Upon termination of this license by Kronos, Customer will return the original Software to Kronos and destroy all other copies of the Software.

(f) ISERIES SOFTWARE

If Customer is licensing Kronos iSeries Central Software, the following additional terms shall apply: Upon Customer's request and full payment of all license fees, Kronos shall license to Customer, for Customer's internal use only, the source code for the Kronos iSeries Central application programs licensed to Customer under this license. All of the terms and conditions specified in this Agreement for object code shall also apply to the source code. Customer acknowledges and agrees that the Software, all source code, object code and algorithms relating thereto, all user interface screens generated by the Software and source code, and all copyright, trade secret and other proprietary rights therein, are and shall remain the sole and exclusive property of Kronos. Customer agrees that it shall not disclose or otherwise make the Software available to third parties unless and to the extent such disclosure is necessary for Customer's permitted use of the Software. Furthermore, Customer must obtain Kronos' written consent to any such disclosure and any such third party must agree in writing to be bound by the terms contained herein.

(g) MICROSOFT SQL SERVER SOFTWARE

If Customer is sublicensing Microsoft SQL Server software, the following additional terms shall apply: The Microsoft SQL Server software being sublicensed hereunder ("SQL") as part of the Kronos Software is "Runtime-Restricted Use" software; as such, SQL may only be used to run the Software. SQL may not be used either (i) to develop and/or (ii) in conjunction with, new applications, databases or tables other than those contained in the Software. The foregoing, however, does not prohibit Customer from using a tool to run queries or reports from existing tables, and/or from using a development environment or workbench, which is part of the Software to configure or extend such Software. Notwithstanding any provision of this Agreement, Customer may only transfer SQL as part of the Software. Customer also agrees to use the Microsoft SQL Server software only on the servers, processors or other electronic devices which the Software is permitted to be connected.

Certification under the Certification Program is valid for two (2) years after successful completion of the Certification Program, applies only to the point release of the Software for which the Certification Program is taken, and covers only the Customer employee who completes the Certification Program.

SECTION C. TERMS AND CONDITIONS APPLICABLE TO PROFESSIONAL SERVICES AND EDUCATIONAL SERVICES ONLY

1. ESTIMATED PROFESSIONAL SERVICES RESOURCES AND HOURS

Customer recognizes and agrees that the Kronos professional services resources ("PS Resources") identified and the hours defined within any Professional Services Estimate "(PSE)", or similar statement of work document that may be provided by Kronos, have been estimated based upon: (i) the preliminary information provided by Customer; and, (ii) Customer fulfilling its obligations as defined in the PSE or similar statement of work document. Additional PS Resources and/or hours may be required to complete the implementation as a result of newly discovered information, Customer's delay in fulfilling its obligations, or a change in the scope of the project. Kronos will review with Customer the PS Resources and the number of hours Kronos anticipates will be required for the completion of the work after assessment of Customer's requirements. Kronos will monitor the PS Resources and hours used as the work progresses, and will advise Customer through a change order if more are required. The applicable rate for each PS Resource is set forth in the PSE and/or the Order Form and shall remain in effect for 12 months from the effective date of the PSE or similar statement of work document. Pricing for professional services associated with the implementation of add-on Software licensed subsequent to an initial PSE will be priced at the then-current Kronos professional service rates.

Training Points may be redeemed at any time within 12 months of the date of the applicable Order Form, at which time they shall expire. Training Points may not be exchanged for other Kronos products and/or services.

3. PROFESSIONAL SERVICES AND EDUCATIONAL SERVICES PAYMENT

Kronos will invoice Customer for professional services at the PS Resource rates and on the payment terms identified in the PSE and/or the Order Form. Kronos will invoice Customer for the Training Points identified in the Order Form on the payment terms indicated therein.

Customer will be billed by Kronos for such travel expenses and payment thereof shall be due net 30.

5. WARRANTY

Kronos warrants that all professional and educational services performed under this Agreement shall be performed in a professional and competent manner. In the event that Kronos breaches this warranty, and Customer so notifies Kronos within 90 days of completion of the Services, the Customer's sole remedy and Kronos' exclusive liability shall be to re-perform the services which were deficient in a manner so as to conform to the foregoing warranty, at no additional cost to Customer.
