RECITALS

1. Section 336.025, Florida Statutes, as amended, authorizes the County to establish a six-cent (\$0.06) local option gas tax on every gallon of motor fuel and special fuel sold in the County and taxed under the provisions of Chapter 206, Florida Statutes, for a period not to exceed thirty (30) years, to be used solely for “transportation expenditures” as defined in Section 336.025(7), Florida Statutes, with distribution of the proceeds determined pursuant to an interlocal agreement between the County and the eligible municipalities representing a majority of the population of the incorporated area within the County.

2. The Parties desire that the current six-cent local option gas tax expiring August 31, 2018, be reestablished, reimposed, and relieved through December 31, 2048, with the proceeds distributed among the Parties consistent with the terms of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and pursuant to Section 336.025, Florida Statutes, the Parties hereby agree as follows:

AGREEMENT

1. **Recitals:** The foregoing recitals are true and correct and by this reference are incorporated herein.
2. **Intent of Agreement:** The intent of this Agreement is to establish the method of distribution of the proceeds of a local option gas tax to be used for transportation expenditures.
3. **Distribution of Proceeds:** The Parties agree to divide the proceeds of the local option gas tax according to the following distribution formula: Sixty-two and one-half percent (62.5%) to the County, and Thirty-seven and one-half percent (37.5%) to the Municipalities.
 - 3.1 The distribution of proceeds to the Municipalities will be based upon the annual Bureau of Economics and Business Research (“BEBR”) population figures as of April 1 of each year, pursuant to Section 336.025(3)(a)(3), Florida Statutes, as same may be amended.
 - 3.2 By July 1 of each year this Agreement is in effect, the County shall forward the finalized BEBR population figures to the State of Florida Department of Revenue for the purpose of distributing the proceeds of the local option gas tax in accordance with the distribution formula established pursuant to this Agreement.
 - 3.3 In the event the BEBR population figures are not finalized by July 1, the County shall forward the finalized figures to the State of Florida Department of Revenue within thirty (30) days after the County receives notice that the figures are finalized.
4. **Effective Date:** Pursuant to Section 336.025(1)(b)(1), Florida Statutes, the six-cent local option gas tax and this Agreement shall be effective, and continue uninterrupted, from and including September 1, 2018, through and including December 31, 2047, a term of twenty-nine (29) years and four (4) months, provided that the County and Municipalities representing a majority of the population of the incorporated area within Broward County have approved and executed this Agreement by March 31, 2018.
