SHORT TITLE:

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE GOLDEN ISLES SAFE NEIGHBORHOOD DISTRICT, ESTABLISHING THE PROPOSED MILLAGE RATE FOR FISCAL YEAR 2026-2027 AND SETTING THE DATE, TIME, AND PLACE OF PUBLIC HEARINGS TO CONSIDER THE PROPOSED MILLAGE RATE AND PROPOSED BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE.

STAFF SUMMARY:

Summary:

This agenda memorandum is to set the millage rate and the dates and times for the public hearings in September 2026 to adopt the FY 2026-27 Golden Isles Safe Neighborhood Districts' millage rate and budget.

Background:

During the June 18, 2025, Golden Isles Safe Neighborhood District Board of Directors meeting, the Board of Directors set the proposed millage rate for the Golden Isles Safe Neighborhood District for FY 2025-26 at 1.0934 mills and authorized the City Manager to sign the Certification of Taxable Value and advise the appropriate agencies on the proposed millage rate. Two Public Hearings were held to adopt the budget. At the second Public Hearing for the final millage/budget adoption held on September 29, 2025, the Board of Directors adopted a millage rate of 1.0934 for FY 2025-26.

Current Situation:

The Broward County Property Appraiser's Office (BCPA) has submitted its June 1, 2026, Taxable Value Report. The rolled-back millage will be 1.0725 when extended upon the current year's adjusted taxable value of \$650,830,990. Gross taxable value is \$662,379,550 with a net new taxable value increase of \$11,548,560. The District's gross taxable value had an increase of \$24,005,848 (or 3.76%) from \$638,373,702 in 2025, to \$662,379,550 in 2026. This taxable value increase, when calculated at the District's current millage rate of 1.0934, amounts to an increase of \$26,248 in tax revenue from the prior year.

The District's current millage rate is 1.0934. The proposed millage rate staff recommend providing to the County is the current rate of 1.0934. Note that in the past it has been the practice of the District to set the proposed millage rate higher than the rolled-back rate to provide the flexibility for financial adjustments should they be needed, as once the District sets its proposed millage rate, it cannot go above that rate without re-advertising. It should be noted that the City Manager Recommended Budget is predicated on utilizing the 1.0934 millage rate.

The date of the first public hearing, by law, must be set between September 12, 2026, and September 26, 2026. Further, the public hearing cannot conflict with either the County or the School Board's budget hearings. The County has set its first public hearing for September 10, 2026, and its second public hearing for September 22, 2026. The School Board will hold its hearings July 28, 2026, and September 8, 2026. Also, note the City's public hearings must be held after 5:00 p.m. Accordingly, the first public hearing for the Golden Isles Safe Neighborhood District is scheduled for September 14, 2026, at 5:05 p.m. The second public hearing to adopt the final millage rate and FY 2026-27 Budget must be held two to five days after advertising the hearing and no later than October 1. In addition, the advertisement must be within 15 days from the first public hearing date. Accordingly, the second public hearing is scheduled for September 28, 2026, at 5:05 pm.

Why Action is Necessary:

The Truth-In-Millage (TRIM) Bill legislation requires Districts to submit the Certification of Taxable Value (Form DR-420) to the County Appraiser by August 4th. Districts are required to certify in this form the rolled-back millage rate, prior year millage rate, current year proposed millage rate, and the date, time, and location of the first public hearing.

Cost Benefit:

The millage rate for the district is set based on funding need.

PROPOSED ACTION:

The Golden Isles District Board of Directors to consider the attached resolution.
