Short Title:

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA, AUTHORIZING THE CITY MANAGER TO EXECUTE A CHANGE ORDER PURSUANT TO SECTION 23-12 OF THE HALLANDALE BEACH CODE OF ORDINANCES TO WASTE CONNECTIONS OF FLORIDA, LLC. IN AN AMOUNT NOT TO EXCEED EIGHTY FIVE THOUSAND DOLLARS (\$85,000) TO CONTINUE THE TRANSFER AND DISPOSAL OF SOLID WASTE AND PROCESSING OF SINGLE STREAM RECYCLABLES; AND PROVIDING FOR AN EFFECTIVE DATE.

Staff Summary:

Background:

The City Commission adopted Resolution #2014-06 (Exhibit 2) approving and executing the 2nd Amendment to the Agreement (Exhibit 3) by and between the City of Hallandale Beach and Progressive Waste Solutions of Florida, Inc. for an amount not to exceed \$1,125,000. This Agreement provides for the Transfer and Disposal of Solid Waste and Processing of Single Stream Recyclables. The prices stated in Exhibit 3 remain valid.

Services under this agreement began on January 1, 2014 and will continue through December 31, 2018.

On June 1, 2016, Waste Connections, Inc. acquired and combined with Progressive Waste Solutions Ltd., the parent company of Progressive Waste Solutions of Florida. Since then, Progressive Waste Solutions of Florida, Inc. has operated under the fictitious business name of "Waste Connections of Florida."

Current Situation

The amount authorized (\$1,125,000) for the transfer and disposal of solid waste and processing of single stream recyclables was consistent with average historical expenditures. Purchase Order 20180056 was issued on October 13, 2017 (Exhibit 5). However, the City has seen an increase in sanitation accounts over the last few years. Staff expects an additional 1, 250 tons of waste for disposal this fiscal year. Therefore the originally requested expenditure is no longer sufficient.

The originally approved expenditure authorization must be increased by \$85,000 in order to continue to provide for the transfer and disposal of solid waste and the processing of single stream recyclables for City residents until the end of FY 17-18.

Account 3420-543040 currently has a balance of \$132,150. This account contain sufficient funds in order to increase the present Purchase Order for services from Progressive Waste Solutions of Florida, Inc. D/B/A Waste Connections of Florida to pay for solid waste and recycling services through the end of FY 17-18.

Staff will submit a change order to increase the original Purchase Order for Progressive Waste Solutions of Florida, Inc. D/B/A Waste Connections of Florida services by the amount of \$85,000. This change order will bring the Progressive Waste Solutions of Florida, Inc. D/B/A Waste Connections of Florida Purchase Order amount from the original \$1,125,000 to \$1,210,000 and serve to ensure the quality of services to the City's residents.

Why Action is Necessary:

Pursuant to Chapter 23, Section 23-12 - Purchases in excess of \$50,000 (7) - Change Orders -, any change in the contract price, scope of work or time for completion of any project following the award of a contract shall be by a written change order, approved by the city manager and executed with the same formalities as the contract.

Proposed Action:

Staff recommends the City Commission adopt the attached resolution authorizing the City Manager to execute a change order to increase the original Purchase Order (#20180056) from \$1,125,000 to \$1,210,000 (in an amount not to exceed \$85,000) for the services of Progressive Waste Solutions of Florida, Inc. D/B/A Waste Connections of Florida, in order to continue solid waste transfer and disposal services as well as recycling services.

James Simmons
