**Amendment Request
Contract #12-22
Cleaning Supplies, Equipment, and Custodial Related Products
and Service and Solutions**

Dear Paul,

We have fielded several requests from U.S. Communities members to procure financing for equipment purchased on the AmSan-CleanSource Jan/San contract with Fresno Unified School District.

We propose adding an amendment to Contract #12-22 referenced above to incorporate the attached Municipal Master Lease Agreement which will allow a Participating Public Agency (PPA) to access financing for all equipment acquired through Contract #12-22 if the PPA so desires.

Fair Market Value or "FMV" is the value of each item acquired for use as configured, in place and installed. The Fair Market Value or "FMV" shall be determined by the equipment price on Contract #12-22 referenced above.

In such instances where the PPA enters into an agreement to finance the equipment the lease agreement will be in accordance with and subject to the relevant state statutes, ordinances, rules and regulations that govern each PPA's procurement practices. Such terms and conditions will be binding on the contractor and PPA issuing the order.

Each Municipal Master Lease Agreement will include a "Non-Appropriations" agreement which provides the terms and conditions that allow the municipal customer to terminate the lease and return the equipment without penalty if funds for the next fiscal year cannot be made available.

All other terms and conditions remain the same.
