Subject: CITY OF HALLANDALE BEACH SODIUM HYPOCHLORITE SUPPLY

John,

In the event that the City of Leesburg does not renew its contract after 9/30/18, Odyssey proposes that the City of Hallandale piggyback another Odyssey contract at the same or lessor amount. If that is not available, Odyssey agrees that ownership of its tanks and piping would immediately revert to the City of Hallandale Beach effective 9/30/18. Thanks. Pat.
