Section 3. INSURANCE

3.01 CITY shall maintain liability insurance with limits of at least \$1,000,000 combined single limit to cover bodily injury and death. Such insurance shall cover liability arising out of the negligence, acts or omissions of the CITY, its employees, agents or servants in connection with the storage, use or operation of any auto (including owned, hired, and non-owned) of ENTERPRISE (the "Vehicles") under the Agreement. To the extent provided for herein, CITY's program of insurance and self-insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs, bonds or cash deposits afforded to or insuring ENTERPRISE. CITY agrees to pay all claims, losses and associated expenses (including reasonable attorney fees) attributed to the negligence, acts or omissions of CITY, its employees, agents or servants.

CITY agrees to maintain a Risk Management Program of self-insurance in accordance with Florida Statutes 768.28, and agrees to self-insure and cover physical damage to all Vehicles provided under this Agreement for causes of loss attributable to comprehensive and collision damages caused by a third party tortfeasor, phantom vehicle, or as the result of the negligence, acts or omissions of CITY, its employees, agents or servants. In the event that CITY is not at fault, ENTERPRISE will exercise due diligence in its effort to subrogate the physical damages against the third party. Within forty-five (45) calendar days from the accident, Enterprise will provide CITY's Risk Management Division with a detailed report substantiating its diligence in pursuing the subrogation action. If after eighty-nine (89) calendar days ENTERPRISE is unsuccessful in such efforts to subrogate the physical damages claim and does not foresee the likely subrogation of such damages within a reasonable time thereafter, ENTERPRISE may invoice CITY and CITY shall pay ENTERPRISE for the cost of repairing the physical damage and assign rights of subrogation to the CITY. ENTERPRISE'S invoice to the CITY must include a copy of the proof of loss and a cover letter, a copy of the rental agreement, photos of vehicle's damage, repair estimate, and police report when available. This information should be submitted to the City of Coral Springs, Risk Management Division, Attn: Risk Manager, 9551 West Sample Road, Coral Springs, Florida 33065 by mail or by email to Tracy Szatkowski, Risk Manager, at tszatkowski@coralsprings.org. CITY shall only pay ENTERPRISE'S direct physical damage, including any applicable towing costs, to the damaged Vehicle and for the loss of use of the damaged vehicle. The cost to the CITY for the loss of use of the damaged vehicle shall be capped at four (4) days. In the event the loss of use of the damaged vehicle is for less than four (4) days, the CITY shall responsible for the lesser of the two costs. ENTERPRISE agrees that CITY shall not be responsible for any administrative fees and/or diminution in value damages as a result of physical damage to the vehicle, regardless who is at fault.

3.02 Notwithstanding anything to the contrary herein, Sections 3.02 through 3.10 do not apply to and do not cover the Vehicles, the CITY's or its employees, agents or servants use of the Vehicles or any damage, injury or death arising therefrom, as that is covered exclusively in Section 3.01. Sections 3.02 through 3.10 apply only to ENTERPRISE's business operations. ENTERPRISE shall secure and maintain, or self-insure for at its own expense, and keep in effect during the full term of the Agreement, a policy or policies of insurance, or self-insurance funds, which must include or cover the following coverages and minimum limits of liability ("Business Insurance"):

(1) Worker's Compensation Insurance for statutory obligations imposed by Worker's Compensation or Occupational Disease Laws, including, where applicable, the United States Longshoremen's and Harbor Worker's Act, the Federal Employers' Liability Act and the Jones Act with respect to ENTERPRISE'S employees. Employer's Liability Insurance shall be provided with a minimum of two hundred thousand and xx/100 dollars (\$200,000.00) per

accident with respect to ENTERPRISE's employees. ENTERPRISE agrees to be responsible for the employment, conduct and control of its employees and for any injury sustained by such employees in the course of their employment.

(2) Commercial Automobile Liability Insurance for all owned, non-owned and hired automobiles and other vehicles used by ENTERPRISE's employees in the performance of ENTERPRISE'S obligations in the Agreement (which shall not include any of the owned, non-owned and hired Vehicles used by the CITY or its employees, agents or servants pursuant to the Agreement which are specifically provided for in SECTION 3.01) with the following minimum limits of liability with no restrictive endorsements:

\$1,000,000.00 Combined Single Limit, per occurrence, Bodily Injury & Property Damage

(3) Comprehensive General Liability (occurrence form) with the following minimum limits of liability with no restrictive endorsements:

\$1,000,000.00 Combined Single Limit, per occurrence, Bodily Injury & Property Damage arising out of the actions of ENTERPRISE and its employees, agents in servants under the Agreement (but excluding coverage for any damage, injury or death specifically provided for under Section 3.01). Coverage shall specifically include the following with minimum limits not less than those required for Bodily Injury Liability and Property Damage Liability:

- (a) Premises and Operations.
- (b) Independent Contractors.
- (c) Product and Completed Operations Liability.
- (d) Broad Form Property Damage.
- (e) Broad Form Contractual Coverage applicable to the Agreement.
- (f) Owner's or contractor's Protective Liability.

3.02 UPON CONTRACT EXECUTION, ENTERPRISE SHALL SUBMIT TO CITY COPIES OF ITS CERTIFICATE(S) OF INSURANCE EVIDENCING THE BUSINESS INSURANCE AND SPECIFICALLY PROVIDING THAT THE CITY OF CORAL SPRINGS IS AN ADDITIONAL NAMED INSURED OR ADDITIONAL INSURED WITH RESPECT TO THE BUSINESS INSURANCE. All of the policies of Business Insurance so required to be purchased and maintained shall contain a provision or endorsement that the coverage afforded shall not be canceled, materially changed or renewal refused until at least thirty (30) calendar days written notice has been given to CITY by certified mail.

3.03 These Business Insurance requirements shall not relieve or limit the liability of ENTERPRISE. CITY does not in any way represent that the types and amounts of Business Insurance required hereunder are sufficient or adequate to protect ENTERPRISE'S interests or liabilities but are merely minimum

requirements established by CITY'S Risk Management Coordinator. CITY reserves the right to require any other insurance coverages that CITY deems necessary depending upon the risk of loss and exposure to liability, subject however to ENTERPRISE'S right to terminate the Agreement by providing written notice if ENTERPRISE chooses not to provide that insurance coverage.

3.04 ENTERPRISE may provide the required Business Insurance coverage under this Agreement pursuant to its self-insurance program.

CITY shall provide written notice of occurrence within fifteen (15) working days of CITY'S actual notice of such an event.

3.09 ENTERPRISE shall not commence performance of its obligations under this Agreement until after it has obtained all of the minimum Business Insurance herein described and the same has been approved.

3.10 Violation of the terms of Section 3.02-3.10 by ENTERPRISE shall constitute a breach of the Agreement and CITY, at its sole discretion, may cancel the Agreement and all rights, title and interest of ENTERPRISE shall thereupon cease and terminate.

3.11 Nothing contained herein is intended, nor shall be construed, to serve as a waiver of sovereign immunity by CITY to which sovereign immunity may be applicable or as a waiver of limits to liability or rights existing under Section 768.28, Florida Statutes, as amended from time to time.

Section 4. **INDEMNIFICATION**

ENTERPRISE shall be liable to CITY for ENTERPRISE'S negligence or willful misconduct in the performance of its obligations under this Agreement, provided that any liability of ENTERPRISE hereunder to CITY shall be limited, in the aggregate, to the amount of any fees paid to ENTERPRISE pursuant to this Agreement or any disclosure dissemination agent agreement or continuing disclosure agreement entered into between ENTERPRISE and CITY in connection with services provided under this Agreement.

- Term.** The term of this Preferred Rate Agreement ("Agreement") begins September 1, 2017, and ends on August 31, 2019. This Agreement may be extended for two (2) additional two (2) year periods upon mutual agreement of the parties. Either party may terminate this Agreement at any time by providing the other party with thirty (30) days prior written notice.
- Rental Program.** Enterprise agrees to make its vehicles available to Employees for rental from Enterprise's rental facilities for business use. This Agreement shall not apply to or cover vehicle rentals by Enterprise to an Employee from a car rental facility which is located in any other jurisdiction or is operated by Enterprise under the "Alamo Rent A Car" or "National Car Rental" brand name or any truck rental facility operated by Enterprise.
- Rental Contracts.** For each vehicle rented, the Employee must execute Enterprise's Rental Contract in the jurisdiction in which the vehicle rental occurs. Each Employee (and any person identified on page 1 of the Rental Contract as an "Additional Authorized Driver") must possess a valid driver's license issued by the state in which such person resides, and must be age 21 or older (unless otherwise agreed to in writing and 18 or older if required by law; and 25 or older for 12 and 15 passenger vans), and meet Enterprise's other normal renter qualifications. In the event of a direct conflict between the terms of this Agreement and the terms of any Rental Contract, the terms of this Agreement will govern. However, the specific terms of each Rental Contract will govern to the extent not directly in conflict with the terms of this Agreement. Customer agrees to pay Enterprise upon demand for all rental and other charges incurred and all indemnity and other payments owed by an Employee under a Rental

Contract relating to a rental for business use not timely paid by the Employee.

4. Rental Rates. In each successive 24 month period following the date of this Agreement, Enterprise agrees to charge the Base Rental Charges quoted on the cover page of this Agreement. In each successive twenty four-month period, the Base Rental Charges are subject to increase in accordance with the preceding year's Consumer Price Index (CPI) for All Urban Consumers, All Items (1982-1984). In no event shall the price adjustment exceed five percent (5%). In determining the length of rental, a day is deemed to be any 24-hour period or portion thereof.
5. Preferred Provider Status. Customer agrees to promote Enterprise internally as a preferred provider of rental cars, and to recommend Enterprise as an option to Employees renting vehicles for business use. No advertising is required.
6. Miscellaneous. Except as otherwise required by law, Customer and Enterprise agree to maintain the confidentiality of the terms of this Agreement. This Agreement and any Rental Contract entered into between Enterprise and an Employee sets forth the entire understanding between the parties and may only be amended in a written document signed by each party. This Agreement shall be governed by the substantive laws of the state listed as part of Customer's address on Page 1. Rental Contracts shall be governed by the substantive laws of the state in which they are executed.
7. Maintenance. City of Coral Springs will maintain the vehicles, both as to mechanical repairs and routine maintenance. The routine maintenance includes but is not limited to oil changes and tire rotations (both to be completed simultaneously every 4,000 miles), fluid replacement and tire replacement. Enterprise will notify the City of Coral Springs when the routine maintenance is required and the facilities to use for such routine maintenance and mechanical repairs. Enterprise will pay for such routine maintenance performed in accordance with this paragraph at the facilities designated by Enterprise as well as mechanical repairs not caused by the City of Coral Springs's failure to maintain the vehicles in accordance with the required schedule. The mechanical repairs to be paid for by Enterprise will not include body repairs or any repairs as a result of an accident, unless said accident is due to the negligence, act or omissions of Enterprise, its employees and/or agents. The City of Coral Springs must provide appropriate documentation of consistent maintenance on the vehicles. When a Vehicle is out of operation for service, a replacement or loaner Vehicle will be provided immediately upon return of said vehicle. In the event of an accident, a loaner or replacement vehicle will be provided at no additional charge while the damaged vehicle is repaired (customer is still required to make rental payment on original vehicle).
8. Vehicle Usage. It is understood and agreed that vehicles rented under this Agreement are intended for undercover investigation and surveillance by the Customer. The vehicles rented under this Agreement are not intended for use in traffic control and enforcement, nor are they intended for use in chase and apprehension or transportation of suspects under arrest. It is further

understood that a situation may occur outside the control of either Customer or Enterprise, which may require emergency use of a vehicle in an unanticipated fashion. Additionally, in the event of an emergency use of a vehicle or the usage of the vehicle in an unanticipated fashion, it is understood that the customer assumes full responsibility for liability and physical damage to the vehicle(s).

9. Modification of Vehicle. Enterprise specifically agrees that the Customer may, at its own expense, apply tinting to the windows of any vehicle. Any tinting applied must meet the requirements of the Florida Statutes for window tinting under sections 316.2951 through 316.2956. The Customer will maintain the tinting as to not detract from the value of the vehicle. The Customer may, at its own expense, install any electronic equipment it may deem necessary, provided that said installation causes no permanent damage to the vehicle (e.g. holes in sheet metal or dash area of vehicle). Any such electronic equipment shall, at all times, remain the property of Customer and shall be removed from the vehicle by Customer prior to its return to Enterprise.
10. Billing and Payments. The Customer will issue a purchase order to cover vehicles under this Agreement. Enterprise will invoice the Customer on a monthly basis and expect payment within Thirty (30) days, following receipt of said invoice by the Customer.

12. Offsets. The parties agree that Enterprise/Provider may, from time to time and upon notice to Customer, offset any undisputed amounts that are owed to Enterprise/Provider from the Customer against amounts owed to the Customer, in the ordinary course of business. Enterprise/Provider shall have the ability to discontinue this right to offset (in whole or in part), upon advance written notice to the Customer.
13. Assignment. Customer hereby consents to an assignment by Enterprise/Provider to any of Enterprise's/Provider's affiliated companies or a corporate successor upon conversion, merger or consolidation.

A. Objective:

Solicit competitive sealed proposals from qualified contractors to furnish undercover vehicle rental services for the City of Coral Springs and those listed within the Scope of Services. This is a cooperative Request for Proposals issued by the City of Coral Springs, acting as Lead Agency on behalf of the participating agencies in the Southeast Florida Governmental Purchasing Cooperative Group, referenced within this Request for Proposals. Any reference to a single entity shall apply to all participating agencies.

Due to the nature of the investigative and undercover work involved, utmost discretion is required of the awarded contractor.

Some co-op agencies may currently have a contract in place for the services listed herein. Those entities may participate in this contract at the expiration of their current contracts.

B. Services Required by the City:

Contractor shall:

- Provide a vehicle rental program for the City of Coral Springs. The City's intended use is for undercover investigation and surveillance.*
- Provide a wide selection of vehicles from which to choose, including notifying the City when new vehicles are available for rental.*
- Provide a rental program, which would allow the City to exchange vehicles or replace vehicles at any time at the vendor's locations in South Florida.*

Enterprise Rent-A-Car has read and understands the objectives and services required by the City in respect to RFP No. 17-C-053.

Vehicle Usage

The vehicles will be primarily used within the boundaries of the applicable City. However, at the discretion of the City, the vehicles may be used for statewide travel. The anticipated annual minimum number of rentals or estimated annual expenditure will be listed on the pricing page.

Enterprise understands that vehicles may be used for statewide travel in addition to local travel.

Vehicles to Be Provided

**Proposer shall provide a list of vehicles that are available for rent.*

**The City shall be permitted to exchange vehicles at any location in the south Florida region within each of the categories. Provide a list of locations from where vehicles may be rented or exchanged.*

We have provided in [Exhibit A – Fleet Guide](#) a list of the categories and vehicles that we can provide.

We have also included as [Exhibit B – Florida Locations](#), a list of Enterprise locations within South Florida. Upon the award of a contract, we can provide a listing of locations throughout the State.

City shall be able to rent vehicles on a short-term basis (less than one month) as may be required by special circumstances. Vehicle rates shall be prorated in such instances.

Enterprise understands that vehicles might be rented for less than one month and will provide rates accordingly.

*Maintenance of Vehicles

Please describe how routine service checks should be handled for all agencies.

Enterprise holds strict standards for the quality and safety of our vehicles in every country in which we operate. Through our Preventative Maintenance (PM) program, vehicle mileage, registration status, and service history are monitored on a central computer system that flags vehicles for regular service. These inspections at manufacturer-specified intervals ensure the safety and reliability of every vehicle. Our service program adjusts or replaces any component failing to conform to manufacturer specifications, including brakes, tires, tune-ups, and lubrication.

As part of our long-term rental program (Month-Or-More), maintenance is provided free of charge. Travelers are required to contact the rental location every 30 days to report the miles that have been driven. At that time, we will communicate any required maintenance to the traveler. The branch will advise the traveler where to take the vehicle for maintenance.

Mileage Limits

Vendor shall include at least 3,000 miles in the monthly cost of each rental vehicle.

The monthly rental rate for each vehicle will include 3,000 miles per month.

Modifications of Vehicles

City may apply, at own expense, window tinting to any rental vehicle. City may also install any electronic equipment deemed necessary to any rental vehicle with the understanding that said installation will not cause permanent damage to the vehicle. Any costs incurred to remove the equipment shall be the City's responsibility.

Enterprise Rent-A-Car understands and agrees to this provision. All costs incurred to add or remove equipment shall be the City's responsibility.

Contract Term

Contract term shall be for two (2) years with two (2) additional two (2) year renewal terms available.

Enterprise understands and agrees with the proposed contract terms.

Rental Rates

Rental charges quoted shall remain firm for the initial two (2) year term of the contract. For each successive two (2) years, renewal term, the monthly rental charges are subject to increase in accordance with the preceding two-year's Consumer Price Index (CPI) for All Urban Consumers, All items (1982-1984). In no event shall the price adjustment exceed five (5) percent.

Enterprise understands and agrees with the proposed rental rates adjustments.

*Tolls

City shall pay for tolls as a pass-through cost. Please explain how toll-by-plate charges will be handled.

In Florida the toll system is video operated. In these areas, the TollPass program is available to local and one-way travelers for \$3.95 per day with a maximum charge of \$19.75 per rental. Renters will incur TollPass charges only on days that they use toll roads. In contrast, our competitors apply toll charge fees for the entire rental period, even on days when the traveler does not use toll roads.

There is nothing to reserve or rent; tolls are automatically charged only when incurred.

***Roadside Service**

Roadside assistance shall be included. (Proposer must describe the level of services available.)

If vehicle is disabled due to a mechanical problem or accident, a replacement or loaner vehicle shall be issued immediately at no additional charge while the damaged vehicle is being repaired.

Customers in need of emergency road service in the United States and Canada may call a dedicated 24-hour roadside assistance line. Instructions for contacting the roadside assistance line are included in the rental agreement provided at the counter.

Travelers using the Enterprise Rent-A-Car App also have the ability to press the Roadside button. This allows them to call 911 or be connected with our Roadside team for assistance with items such as flat tires or lockouts.

When a replacement vehicle exchange is necessary, the Roadside Assistance department will identify the closest location to the point of disablement. A tow provider will be dispatched to exchange vehicles with the traveler. All service for the disabled vehicle will be addressed by Enterprise.

Because each client's needs are distinct, it is very difficult to provide specific response times for service. For example, in a metropolitan area, tire changes, lock-out assistance, or jump starts generally take 45 to 90 minutes. Assistance in remote areas could require a longer response time. The traveler will receive an ETA when reporting their need for assistance.

With hundreds of locations throughout the State of Florida, we can call upon any location in our network to deliver a replacement vehicle should the need arise.

While there is no fee for roadside assistance, charges do apply for negligence-related service calls involving lost keys, running out of gas, dead batteries due to lights being left on, etc.

Without Damage Waiver or one of our additional roadside assistance plans, the renter is responsible for all costs including, but not limited to key replacements, lockout services, jump starts, fuel delivery, tire and glass replacement, and all related services.

Service Fees	
Service	Fee
Lockout Service	\$66
Jump Start	\$56
Tire Change	\$56
Fuel Delivery	\$56
Winch/Extraction	Actual Cost
Glass Replacement	Actual Cost
Tire Repair/Replacement	Actual Cost

Vehicle Tags and Fees

Contracted vendor shall be responsible for all tags and registration fees for rental vehicles.

Enterprise will be responsible for all tags and registrations fees for vehicles supplied under this contract.

Participating Agencies

See Attachment A.

1. Scope of Services Proposed

Clearly describe the scope of services proposed, inclusive of your ability to service the geographically diverse entities participating in this RFP. A brief statement must be included which explains why your approach and plan would be the most effective and beneficial to the City of Coral Springs.

Proposer may choose to provide different categories (no more than 5) of vehicles with related monthly rental charges. Proposer shall provide the year, make, and model of all rental vehicles available under each category.

Proposer must address each of the questions in the Scope of Services, indicated by an asterisk ().*

Enterprise Rent-A-Car has been in the South Florida car rental market for more than 30 years. In that time we have had the opportunity to service many federal and local agencies including may police and undercover programs throughout the State of Florida.

Currently we operate approximately 60,000 rental vehicles in South Florida. We operate more than 175 locations that are serviced by 2,000 employees in the State of Florida. With this level of flexibility, Enterprise is in a unique position to service this contract in its entirety with multiple levels of support, including:

- **A wide variety of non-airport rental locations to choose from**
- **Unmatched award winning customer service**
- **The largest fleet in the car rental industry**
- **Superior account management**

The Enterprise fleet is made up of more than 350 late model vehicles to support this contract. The average age of Enterprise's fleet is six months at our airport locations and eight months in the home-city markets. The average mileage across the entire U.S. fleet is approximately 16,300 miles. Coral Springs and its partners will have a wide selection of vehicles to choose from.

Enterprise also operates with a virtual fleet model, which means that vehicles are in place where you need them, when you need them.

Because Enterprise has a location within 15 minutes of 90 percent of the U.S. population, we can facilitate vehicle replacements regardless of location.

2. Firm Qualifications

This section of the proposal should give a description of the firm, including the size, range of activities, etc. Particular emphasis should be given as to how the firm-wide experience and expertise in the area of Undercover Vehicle Rental Services will be brought to bear on the proposed services.

This section must also identify the contact person supervisory personnel who will work on the project. Resumes of each person should be provided with emphasis being given to their experience with similar work. If resumes are not available at the time the proposal is submitted, you should provide a listing of the qualifications, including education, experience, etc., that will be required.

In addition to numerous industry awards and third-party surveys, we use a variety of internal processes to measure our customers' satisfaction, including our Service Quality index (SQi), Quality Service Process, and Brand Integrity Assessments. All of this ensures we are exceeding expectations worldwide while continually improving and distinguishing our service from the competition.

Ranked No. 15 on the *Forbes* America's Largest Private Companies list, our operating company Enterprise Holdings is unparalleled in size, strength, and stability — the only investment-grade company in the car rental industry. This conservative and disciplined long-term approach to managing our business has earned us by far the strongest balance sheet in our industry. Our stable financial footing is a distinct competitive advantage, ensuring the long-term viability of your rental program.

Undercover Expertise

Enterprise has extensive experience working with law enforcement, especially in meeting needs for undercover vehicles. Due to the sensitive nature and national security considerations, specific detail and reference to these programs must be protected. Details of these programs and contacts for references can be made available provided we obtain the proper approvals from each agency.

We have the ability to offer a number of solutions that will allow vehicles to be obtained with no tie to law enforcement agencies.

- **License and registration:** All vehicles will be registered to the Enterprise subsidiary in the market where the vehicle is obtained. Plates will be standard issue for rental vehicles in the state where the vehicle is obtained.
- **Delivery requirements:** Vehicles can be delivered to a neutral location or can be picked up from a convenient Enterprise location.
- **Renters:** We can work with a customer to identify options in the event driver identity needs to be protected/masked.
- **Contractor ID:** In many instances, a shell company is set up to look like a corporation in an industry that has regular long-term rental needs. A consulting firm, government contractor, or technology shell will be established as the name that appears on any paperwork. This shell can be entirely fictional and would not require any action to be taken on the part of the law enforcement agency. We currently have one current client that has formally created a fictional corporation including financials, a website, etc. which is used as the backdrop for their rental needs. If the City of Coral Springs wishes to do something similar, Enterprise will be as flexible as possible in hiding the true identity of these users.

Each entity attached to the Coral Springs contract will be assigned a Business Rental Sales Executive, an Area Manager who oversees operations, and a primary Branch Manager based at the location of the City or County offices. This team management structure will facilitate ongoing program management and will work collectively to ensure that issues and areas of opportunities that may arise are addressed immediately, with confidentiality and safety of the officers and employees in mind.
