WHEREAS, The City and School Board have existing agreements for the use of specific facilities, but no agreements that address the City's use of other SBBC facilities nor allow an SBBC school to use other City facilities; and

WHEREAS, in May, 2023, due to indemnification requirements, the SBBC General Counsel opined that SBBC schools may not enter into the City's use agreements to utilize City facilities without either prior written permission from the School Board for each use or a current RUA between the parties. This does not affect the City's use of SBBC facilities but, due to the time-consuming process on their end to obtain Board approval, has prohibited the schools from using the City facilities they rely on for their athletic and enrichment needs; and

WHEREAS, the proposed Reciprocal Use Agreement provides a mechanism for the City and the SBBC to use each other's facilities at no rental cost when the facilities are available. The RUA is a supplemental agreement and does not supersede any other agreement between the parties which relates to the use of specific facilities; and

WHEREAS, Staff recommends that the Mayor and City Commission find it in the public interest to enter into a Reciprocal Use Agreement between the City of Hallandale Beach and the School Board of Broward County which will allow the SBBC and the City to utilize each other's facilities, and authorize the City Manager to execute any relating documents.
