**EXHIBIT A**

**Project Description and Responsibilities**

**A. Project Description** (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): Purchase of Electric Buses, Supporting Equipment, Bus Wrapping

**B. Project Location** (limits, city, county, map): City of Hallandale Beach/Hallandale Beach, FL/Broward County

**C. Project Scope** (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size): Purchase of Electric Buses, Supporting Equipment, Bus Wrapping

"Service Development Projects specifically include projects involving the use of new technologies, services, routes, or vehicle frequencies; the purchase of special transportation services, and other such techniques for increasing service to the riding public as are applicable to specific localities and transit user groups. Projects involving the application of new technologies or methods for improving operations, maintenance, and marketing in public transit systems can be funded through the Service Development program. Eligible capital costs are any costs that would be defined as capital costs by the Federal Transit Administration. Examples would include, but not be limited to: the acquisition of buses for fleet and service expansions; transfer facilities; intermodal terminals and park and ride facilities; and passenger amenities, such as passenger shelters and bus stop signs. Eligible net operating costs are all operating costs of a project; less any federal funds, fares, or other sources of income to the project."

**D. Deliverable(s)**: Electric Buses and Supporting Equipment for Community Bus Program

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of incremental progress that has been made, and provide evidence that the payment requested is commensurate with the accomplished incremental progress and costs incurred by the Agency.

**E. Unallowable Costs** (including but not limited to): candy, alcohol, decorations, greeting-cards, lobbying, personal cell phone, office parties, entertainment, food, fans, coffee pots, portable heaters, refrigerators, microwave ovens, congratulatory telegrams, refreshments, banquets, catering, gifts, flowers, or promotional items.

**F. Transit Operating Grant Requirements (Transit Only):**

Transit Operating Grants billed as an operational subsidy will require an expenditure detail report from the Agency that matches the invoice period. The expenditure detail, along with the progress report, will be the required deliverables for Transit Operating Grants. Operating grants may be issued for a term not to exceed three years from execution. The original grant agreement will include funding for year one. Funding for years two and three will be added by amendment as long as the grantee has submitted all invoices on schedule and the project deliverables for the year have been met.
