RE: RFP # FY 2016-2017-006

Dear Captain Smith and interested parties,

Pursuant to our conversation regarding to the continuance of our security guard services under contract RFP # FY 2016-2017-006, we are kindly request a 2% increase to the current bill rate. As per our conversation we are seeking an increase in the contract due to a rise in the CPI for 2020, rise in insurance costs, specifically worker's compensation, general liability and salary / wages for the security personnel. We believe it is a minimal amount and ask for your consideration to our cost adjustment request.

Should you have any questions please feel free to reach out any time.

Sincerely,

David J. Rodriguez-Baez
Area Manager
