Good morning, Daniel.

Yesterday I tried to send the below email to Eric Mercier, regarding contract amendments in BYD Motors LLC, pka BYD Motors Inc., Contract No 99999-001-SPD0000138-008 Solicitation Event No 99999-001-SPD0000152, Solicitation Supplemental Mass Transit and Transportation Related Vehicles and Related Equipment and Accessories.

I just got a message from him letting us to know he left his position, and now you are in charge.

The City of Hallandale Beach Florida is piggybacking from the Georgia State Solicitation Event No 99999-001-SPD0000152 and need to update all documents for procurement because we were informed by BYD they requested an amendment to increase the price of their Transit vehicle fleet.

Do there are any changes approved by [Georgia Department of Administrative Services](#) in the NOA Cost proposal from June 28, 2018 for the BYD K7M, as well as in the proposed Bus Components?

Can you please inform asap and send copy of the amended documents?

Best Regards
