Date: May 4, 2022
To: Christy Dominguez, Planning & Zoning Manager
From: Richard Brown, Fire Prevention Officer / Hallandale Beach
Subject: Nightclub License – Resubmittal of Application for Amsterdam Restaurant Inc.

Fire Department Prevention Bureau staff conducted multiple fire and life safety inspections at the Amsterdam Restaurant Inc. located at 100 South Federal Highway in Hallandale Beach. The inspections were related to permits for building alterations and interior improvements, all of which were approved. On July 15, 2021, a fire and life safety inspection was performed in conjunction with the application for a business tax receipt which was approved. Recently concerns were raised regarding demonstration performances involving flaming props. An investigation revealed that they are being conducted within the code requirements as to the product types and quantities. Secondary to this application, another fire and life safety inspection was performed on May 4, 2022. No fire code violations or deficiencies were found to exist. Amsterdam meets all requisite fire codes and presents no significant fire hazards or threats to life safety. The fire department has no objection to granting the requested to extend their hours of operation.
