SHORT TITLE:

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA, ESTABLISHING THE PROPOSED MILLAGE RATE; AND ESTABLISHING THE PROPOSED RATE FOR THE DEBT OBLIGATION FOR THE PARKS AND RECREATION GENERAL OBLIGATION (GO) BOND; FIRE ASSESSMENT RATES; AND LOT MAINTENANCE ASSESSMENT FIGURES FOR FISCAL YEAR 2022-2023; AND SETTING THE DATE, TIME AND PLACE OF PUBLIC HEARINGS TO CONSIDER THE PROPOSED MILLAGE RATES; FIRE ASSESSMENT RATES; AND LOT MAINTENANCE ASSESSMENT FIGURES AND PROPOSED BUDGET; PROVIDING FOR DIRECTIONS TO THE CITY CLERK; AND PROVIDING FOR AN EFFECTIVE DATE.

STAFF SUMMARY:

Summary:

This agenda memorandum is to adopt the proposed millage rate for the City and the Parks General Obligation Bonds, Fire Assessment Rates and Lot Maintenance Assessment figures for FY 22/23. The millage rates and assessment figures need to be forwarded to the Broward County

Property Appraiser's Office (BCPA) by August 4, 2022. This item will also set the dates for the public hearings in September to adopt the tentative and final millage rates and budget; the Fire Assessment Rates and Lot Maintenance Assessment figures for the upcoming fiscal year (October 1, 2022 – September 30, 2023).

Background:

During the City Commission meeting held on August 2, 2021, the City Commission set the City's General Fund proposed operating millage rate at 7.0000 and the Parks General Obligation Bonds proposed millage rate at .5377 mills for FY 21/22 and authorized the City Manager to sign the Certification of Taxable Value and advise the appropriate agencies on the proposed millage rate. Two public hearings were held to adopt the budget. At the first public hearing held on September 13, 2021, the City Commission adopted a tentative General Fund millage rate of 7.0000 mills and the Parks General Obligation Bonds at .53774 mill. At the second public hearing for final millage/budget adoption held on September 27, 2021, the City Commission adopted these final millage rates, 7.0000 mills and .5377, respectively for FY 21/22.

Current Situation:

The Broward County Property Appraiser's Office (BCPA) has submitted its June 1, 2022 preliminary Certified Property Value. The rolled-back millage will be 6.5325. The City's gross taxable value had an increase of \$573,637,599 (or 9.59%) from \$5,980,807,546 in 2021. This taxable value increase, when calculated at the proposed millage rate of 8.2466 mills, amounts to an increase of \$12,186,235 in tax revenue from the prior year. Please note that the amounts provided above will be adjusted once the July 1 Certified Taxable Value figures are released by BCPA.

The City's current operating millage rate is 7.0000 mills. The proposed General Fund (GF) operating millage rate staff recommends providing to the County is 8.2466, which is 1.2466 mills higher than the current rate millage. The debt service millage rate will decrease from .5377 mill to .4946 mill, which is a .0431 decrease to cover the debt service payment on the Parks General Obligation (GO) Bonds. Note that in the past it has been the practice of the City to set the proposed millage rate higher than what was adopted to provide the flexibility for financial adjustments should they be needed, as once the City sets its proposed millage rate, it cannot go above that rate without re-advertising. It should be noted that the City Manager Recommended Budget is predicated on utilizing 8.7412 (8.2466 GF Operating and .4946 GO Bonds) millage rate.

In addition to the millage rate, the City must also advise the Broward County Property Appraiser the date and time of the public hearings and the total amount to be collected from the Fire Assessment and the Lot Maintenance Assessment. The current Fire Assessment rates recover 95% of the total fire protection service costs. The remaining 5% of these costs are funded by General Fund revenues. The residential rate will remain at \$265.06 per year as well as the rates for the other property types. The Lot Maintenance Assessment amount to be collected is \$17,055.26. However, additional properties may be added to the list.

The date of the first public hearing by law must be set between September 3 and September 18. Further, the public hearing cannot conflict with either the County or the School Board's budget hearings. The County has set its first public hearing for September 8, 2022 and its second public hearing for September 20, 2022. The School Board will hold its hearings August 2, 2022 and September 13, 2022. Also, note the City's public hearings must be held after 5:00 p.m. Accordingly, the first public hearing is scheduled for September 12, 2022 at 5:05 p.m. Also, staff proposes to conduct the Fire Assessment hearing at 5:10 p.m. and the Lot Maintenance Assessment hearing at 5:15 p.m. on September 12, 2022 in accordance with State Statute.

The second public hearing to adopt the final millage rate and FY 22/23 Budget must be held two to five days after advertising the Hearing and no later than October 1. In addition, the advertisement must be within 15 days from the first public hearing date. Accordingly, the second public hearing is scheduled for September 26, 2022 at 5:05 p.m.

Why Action is Necessary:

The Truth-In-Millage (TRIM) Bill legislation requires municipalities to submit the Certification of Taxable Value (Form DR-420) to the County Appraiser by August 4th. Cities are required to certify in this form the rolled-back millage rate, current year proposed millage rate, and the date, time and location of the first public hearing. The rolled-back rate essentially requires any new revenues from year to year caused by inflation in property values rather than new construction, additions and deletions of property to be advertised as a "tax increase". It further requires municipalities that have non-ad valorem assessment(s) to advise the appropriate agencies of the total amount to be collected for that special assessment(s) and the date, time, and location for the public hearings.

Cost Benefit:

The millage rates and assessment fees provide funding for services in the City. The GO Bond millage pays down the debt on the Parks GO Bonds, which was voted by the citizen of the City for parks infrastructure.

PROPOSED ACTION:

The City Commission approve a Resolution of the City of Hallandale Beach, Florida, Establishing the Proposed Millage Rate for the City and the Parks General Obligation Bonds; Fire Assessment Rates; and Lot Maintenance Assessment Figures for FY 22/23; and Setting the Date, Time and Place of Public Hearings to Consider the Proposed Millage Rates; Fire Assessment Rates, Lot Maintenance Assessment Figures and Budget; Providing for Direction to the City Clerk; and Providing for an Effective Date.
