Background:

The City of Hallandale Beach has followed a Master Plan for the development of a comprehensive world class parks system. An election took place on Tuesday November 4, 2014, for the approval of the GO Bond referendum. The results showed that nearly 65 percent of the voters supported a not to exceed GO Bond referendum, for an amount not to exceed \$58.5 million, to complete the 2011 Parks Master Plan.

The Historical Village project is located at 324 SW 2nd Avenue. It is the home of the Historical Curci House built in 1924 and which is listed in the U.S. National Register of Historical places. The site is a 0.63 acre consisting of the Curci House, open areas, and until recently the Moffitt House which has been demolished due to unsafe conditions and to allow for the construction of the proposed new amenities to support the Curci House and Historical Village as a whole.

The upgraded historical park will be built with General Obligation Bond (G.O. Bond) funds which were approved by the citizens of Hallandale Beach, in November of 2014, to improve all the City parks.
