4. PUBLIC PARTICIPATION

There was one public speaker, who introduced himself as a new Hallandale Beach resident and real estate agent. He does not live in the Golden Isles district but expressed interest in learning about the community and getting involved.

5. BOARD/COMMITTEE BUSINESS

- a. **Regions Security-** Expecting confirmation on attendance at the next meeting to discuss issues with negligent guard activity. The Board has expressed discontent with the level of service provided especially considering the recent 30% contract increase. Punitive actions will be taken if not resolved.

- c. **Police Detail Update-** Board is requesting a monthly detailed list of hours worked, the amount paid, and the percentage of detail missed. Captain Rivera explained that shifts are sometimes partially worked so review by pre-scheduled shift sign-ups is not reflective of total hours worked but he will get payroll data from Finance and provide amounts paid at the next meeting.
- d. **GISND Budget FY 22/23-** Motion to approve, pending clarification of 2023 CMRec \$120,000 for Consultants/Prof Svcs **(5/0)**

- e. **Stantech-** Next steps are to attend the next advisory board meeting, schedule a 2nd public meeting, conduct a survey and deliver the Master Vision Plan. Community mailing method discussed. Board Member: Faith Fehr prefers enveloped letters instead of door hangers and wishes to also inform residents of the presence and purpose of the Golden Isles Safe Neighborhood District.
