Process to apply the Local Vendor Preference (LVP) to a Bid response.

The Procurement Department will review the submission of Exhibit A by the proposer and review of the proper documentation that has been submitted for the requested LVP tier, as well as, all requirements for the LVP. If the complete information/documentation/paperwork has been provided by the proposer the following process below will apply.

Process to apply the LVP to a Bid response having provided all items required

Conditions:

- (1) A vendor/business can only qualify for one tier preference level.
- (2) A vendor/business with outstanding liens, fines or violations with the city shall not be eligible to qualify for tier 1—3 status.
- (3) A vendor/business that operates through a post office box shall not be eligible to qualify for tier 1-3.

Process to apply the LVP to bids:

- (1) *Competitive bid tier 1 local vendor preference.* When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 1 local vendor is within ten percent of the lowest price submitted by any vendor, the tier 1 local vendor shall have an option to submit another bid to match the lowest

responsive bid. If the tier 1 local vendor submits a bid that matches the lowest responsive bid, then the award will go to the tier 1 local vendor. If not, the award will be made to the vendor that submits the lowest responsive bid.

(2) *Competitive bid tier 2 local vendor preference.* When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 2 local vendor is within five percent of the lowest price submitted by any vendor, the tier 2 local vendor shall have an option to submit another bid to match the lowest responsive bid. If the tier 2 local vendor submits a bid which matches that lowest responsive bid, then the award will go to the tier 2 local vendor. If not, the award will be made to the vendor that submits the lowest responsive bid.

(3) *Competitive bid tier 3 local vendor preference.* When a responsive, responsible nonlocal business submits the lowest price bid, and the bid submitted by the tier 3 local vendor is within two and one-half percent of the lowest price submitted by any vendor, the tier 3 local vendor shall have an option to submit another bid to match the lowest responsive bid. If the tier 3 local vendor submits a bid which matches that lowest responsive bid, then the award will go to the tier 3 local vendor. If not, the award will be made to the vendor that submits the lowest responsive bid.

If there is a tier 1 local vendor and a tier 2 local vendor and a tier 3 local vendor participating in the same bid solicitation and the three vendors qualify to submit a second bid as detailed above, the tier 1 local vendor will be given first option.

If the tier 1 local vendor cannot match the lowest bid received, an opportunity will be given to the tier 2 local vendor. If the tier 2 local vendor cannot match the lowest bid received, then an opportunity will be given to the tier 3 local vendor. If the tier 3 local vendor cannot match the lowest bid received, then the bid will be awarded to the lowest bidder regardless of tier 1, tier 2 or tier 3 local vendor preference.

If multiple local vendors submit bids which are within ten percent of the lowest bid, then all vendors will be asked to submit a "best and final offer (BAFO)." The award will be made to the tier 1 local vendor submitting the lowest BAFO providing that the BAFO at least matches the lowest bid received in the original solicitation. If no tier 1 local vendor can beat the lowest bid by matching it, then the process will be repeated with tier 2 and tier 3 local vendors who have submitted a bid which is within two and one-half percent of the lowest bid. If no tier 1, tier 2 or tier 3 local vendor can submit a BAFO that matches the lowest bid submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of the tiers.

Exemptions to Tier 1, Tier 2 and Tier 3.

The City will not count toward a proposer Tier 1, Tier 2 or Tier 3 local vendor participation any portion or portions of the local vendor subcontractor's work that is subcontracted back to as follows:

- a) The proposer, either directly, or through any other company or Firm owned or controlled by the proposer.
- b) Any nonlocal business.
- c) A Tier 1, Tier 2 or Tier 3 local vendor shall not be permitted to subcontract all or a majority of the sub contractual portion of the work to another nonlocal business. A Tier 1, Tier 2 or Tier 3 local vendor subcontractor shall be prohibited from engaging in a sub contractual agreement with the intent of collecting a broker's fee or commission. A Tier 1, Tier 2 or Tier 3 local vendor subcontractor shall also be prohibited from entering into a sub contractual agreement with a Firm whose employees perform none of the direct labor or service activities specified in the contract.
- d) Participation by a Tier 1, Tier 2 or Tier 3 local business shall not be considered and the Tier 1, Tier 2 or Tier 3 local vendor shall be disqualified if the owner of the Tier 1, Tier 2 or Tier 3 enters into an agreement with a nonlocal business with the intent of securing employment with that nonlocal business during the course of performing a City contract.
