3. Application #DB-21-4094 for Major Development Review approval pursuant to Section 32-782 of the Zoning and Land Development Code in order to construct the proposed commercial development with a total of 105,152 square feet in gross floor area.

Polling of Ex-Parte Communications (Board Secretary)

Board Secretary read the quasi-judicial statement into the record on the items listed on the agenda and polled the Planning and Zoning Board regarding ex-parte communications.

Mr. Levinson confirmed and disclosed all ex-parte communication and confirmed his decision would be based solely on the testimony presented at the meeting.

Mr. Garson confirmed and disclosed all ex-parte communication and confirmed his decision would be based solely on the testimony presented at the meeting.

Ms. Dillard confirmed and disclosed all ex-parte communication and confirmed her decision would be based solely on the testimony presented at the meeting.

Mr. Wu confirmed and disclosed all ex-parte communication and confirmed his decision would be based solely on the testimony presented at the meeting.

Swearing in of Witnesses (Board's Secretary)

Board Secretary swore in City staff, the applicant, and any other members of the audience who would give testimony during the evening's proceeding.

Ms. Dominguez, Planning and Zoning Manager, provided a PowerPoint presentation and overview of the item.

Mr. Dillard asked who would be responsible for the maintenance of the electric charging stations.

Ms. Dominguez: responded, the property owner.

Mr. Wu asked what is the building height maximum allowed for this site?

Ms. Dominguez: responded three stories.

Mr. Wu: expressed his concern about the lack of transition from the current use zoning to 3 stories and how residents will be affected if approved.

Ms. Dominguez responded that this concern would be considered for the area.

Mr. Wu: inquired about the square footage of the public space next to the proposed project.

Ms. Dominguez: advised that applicant provides no onsite civic space and has requested a waiver on the 7.5% requirement and that the City parcel is approximately 5,600 square feet.

Mr. Wu: asked why direct access from the building to the city parcel would be prohibited?

Ms. Dominguez: explained that this city parcel was granted to the city by FDOT with restrictions on its use, and one of these requirements was precisely to have only public access.

Mr. Wu: asked about the installation of traffic diverters proposed by Michael Miller in his traffic study.

Mr. Miller: stated that this would help prevent traffic from the alley from blocking the westbound traffic on Atlantic Shores Boulevard.

Mr. Wu: asked the applicant to show the proposed setbacks surrounding the building.

Mr. Sinalovski: introduced himself and provided an overview of the project and read the proposed setback details into the record.

Ms. Dillard inquired about the loading zone areas.

Mr. Sinalovski: stated that this project would ensure an accessible area on the ground floor high enough to fit any courier company truck or vehicle, such as FedEx, Amazon, etc. and would also, provide enough parking spaces for this activity.

Ms. Dillard asked about the types of trees this project would have and the importance of trees that can provide enough shade in the outdoor seating area.

Mr. Sinalovski, mentioned the different kinds of trees and confirmed that they would provide the necessary shade for this open area.

Mr. Wu asked about the garage façade on the edge of the proposed building and the importance of keeping cars from being exposed.

Mr. Sinalovski: stated that the parking levels will have a low concrete wall with a height of approximately 42 inches, it will block the direct light of the vehicles at night.

Mr. Wu: encouraged staff to talk to FDOT about not having a direct access to the commercial activity.

Mr. Wu closed the floor to public participation.

MR. LEVINSON MOVED THAT THE PLANNING AND ZONING BOARD RECOMMEND APPROVAL
