The Southeast Florida Governmental Purchasing Cooperative Group began approximately 23 years ago with a small group of Broward County cities. The Co-Op has grown to 46 entities from Broward, Miami-Dade, and Palm Beach Counties.

The Co-Op combines the buying power of the members on products or services purchased by most of the members to achieve the best available pricing under a term contract. The Co-Op also reduces time spend on bidding procedures and the quantity of bids that any individual Co-Op Agency would issue. A lead agency completes the bidding for all members that wish to participate in that product or service.

The City utilizes Temporary Employment Services in lieu of full-time staff or part-time personnel on a regular basis. The hourly rates are low and staff time is saved

processing applications and hiring personnel for temporary assignments. It also affords the opportunity to obtain personnel with only a 24 hour notice.

The City of Coral Springs is the lead agency for the Temporary Employment Services Contract, which was utilized by 21 of the Cooperative Agencies. The first two year renewal term of the contract will be utilized by 16 returning agencies and 3 new agencies in the tri-county area. Three vendors are selected for the Temporary Services Contract awards, as the work force available from each vendor varies. Multiple vendors also allow each Co-Op agency a better opportunity to find appropriate personnel.

A five percent increase in the hourly rates was requested, and is being recommended by staff. The recommended increase is due to the current more competitive labor market, two yearly increases in the Florida Minimum Wage and additional federally mandated health care expenses for insurance coverage provided by the vendors to their temporary work staff.

The Parks and Recreation Department has been the main user of the Blue Collar positions for custodial personnel, irrigation, and ground crews with great success. Code Enforcement, City Attorney's, and Public Works have utilized the contract for office assistants, senior office assistants, and maintenance workers. The quality and dependability of the temporary staff has been quite good, the savings substantial, and several have gone on to obtain full time employment with the City.

Examples of positions and hourly wages with the 5% increase is as follows:

Position	Vendor	Current Hourly Rate	5% Increase
Maintenance Worker	Albion Staffing	\$10.40	\$10.92
Lead Worker	Tampa Service Co	\$14.20	\$14.91
Office Assistant	Albion Staffing	\$11.56	\$12.13
Senior Office Assistant	Alpha 1 Staffing	\$13.44	\$14.11

The Purchasing Division recommends the renewal of the Temporary Employment Services contract to the listed vendors.
