Dear Mr. Fawcett:

The City of Hallandale Beach desires to piggyback onto the City of Stuart's Sodium Hypochlorite Bleach. As mentioned before all bids require that each entity owns their tanks; however as a mean of keeping all expenditures at a minimum, Allied Universal Corp. will allow you the price of the bid with \$0.01 per gallon added since the tanks and containments are leased from Allied Universal Corp.

Pricing will be as follows:

$\$0.568 + .01 = (\$0.578/\text{gal})$, for full or less than truckloads (minimum of 4800 gallons)

This price is good until September 19, 2017

If you are in agreement with this offer and wish to accept this pricing structure, please indicate your acceptance by signing below and faxing a copy back to my attention @ 305-463-8369 or e-mail markc@allieduniversal.com

Once your acceptance has been received, the above referenced pricing will be extended in our system.

Thank you for your continued cooperation and consideration.

Respectfully,

Mark Carlson,
Vice President of Sales

City of Hallandale Beach
