2
3 ORDINANCE NO. 2016 -

4
5 AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF
6 THE CITY OF HALLANDALE BEACH, FLORIDA, AMENDING
7 CHAPTER 32, ARTICLE III OF THE ZONING AND LAND
8 DEVELOPMENT CODE, TABLE 32-193(a), PERMITTED USES
9 TO EXPAND THE USES THAT WILL BE PERMITTED BY RIGHT
10 AND ESTABLISHING ADDITIONAL USE TYPES; AMENDING
11 SECTION 32-200 GREYHOUND TRACK SUBDISTRICT
12 STANDARDS INCLUDING LOT SIZE, BUILDING HEIGHT, LOT
13 AREA, BASE DENSITY, MAX DENSITY, AND FRONTAGE
14 AREA; AMENDING 32-205, APPROVAL PROCESSES TO
15 PROVIDE ADDITIONAL STANDARDS FOR FUTURE
16 OVERLAYS AND PLANNED DEVELOPMENT OVERLAYS;
17 AMENDING 32-8 TO CREATE DEFINITIONS FOR FAMILY
18 ENTERTAINMENT CENTERS AND UNIFIED CONTROL;
19 PROVIDING FOR CONFLICT; PROVIDING FOR
20 SEVERABILITY; PROVIDING FOR CODIFICATION; AND
21 PROVIDING AN EFFECTIVE DATE.
22
23
24

25 **WHEREAS**, the City Commission adopted Ordinance No. 2014-30 and Ordinance No.
26 2014-31, rezoning those lands located within the Regional Activity Center (RAC) and creating
27 development standards for form-based zoning districts located within the Central RAC Subdistrict,
28 on November 5, 2014; and
29

30 **WHEREAS**, as a result of further review of the Citywide Zoning Map and Central RAC
31 Subdistricts created by said aforementioned ordinances, the City Commission has determined
32 that it is in the City's interest to modify the uses that will be permitted by right and establish
33 additional use types, amend the subdistrict standards for building height, lot area, base and max
34 density and frontage area, as well as the approval processes for future overlays and planned
35 overlays. These amendments will help improve the facilitation of development that aligns with the
36 goals and policies of the area; and
37

38 **WHEREAS**, the amendments to allowable uses will be reflected in the allowable use table,
39 and new definitions for family entertainment centers and unified control will aid in clarifying the
40 vision for development in the area and highlight the requirements for eligibility to request overlays
41 in the area; and
42

43 **WHEREAS**, pursuant to Section 2-231 of the City's Code of Ordinances, the Planning and
44 Zoning Board reviews and makes advisory recommendations to the City Commission with regard
45 to all zoning and land development code amendments; and

46
47 **WHEREAS**, at a duly noticed public hearing on July 27th, 2016 the Planning and Zoning
48 Board found this ordinance to be consistent with the Hallandale Beach Comprehensive Plan and
49 recommended that the City Commission approve these code provisions; and

50
51 **WHEREAS**, at duly noticed public hearings the Mayor and the City Commission received
52 and considered comments from the public and carefully considered this ordinance; and

53
54 **WHEREAS**, the Mayor and City Commission find this ordinance to be in the best interest
55 of the City and its residents.

56
57 **NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF**
58 **THE CITY OF HALLANDALE BEACH, FLORIDA:**

59
60 **SECTION 1.** Chapter 32, Article III "Zoning", Division 3 "Form-Based Zoning Districts",
61 Section 32 is amended as follows:

62
63
64 -----
65

66 **Section 32-193. Allowable Uses.**

67 (a) Permitted and Conditional Uses. Table 32-193(a) Allowable Uses by Subdistrict
68 identifies uses that are allowed as permitted or conditional uses in each Central RAC
69 subdistrict as well as uses that are not permitted in each subdistrict. Uses identified with
70 a "P" are permitted by right. Uses identified with a "C" are permitted subject to the
71 standards in Section 32-964 Conditional Uses and additional standards in each subdistrict.
72 Uses identified with a "-" are not permitted in the subdistrict.

73 (b) Accessory Uses. Each Central RAC subdistrict allows the accessory uses and
74 structures described in Section 32-242(a) and (b) Permitted Accessory Uses. All
75 accessory uses and structures must comply with the special regulations in Section 32-243
76 Special Regulations. Unless otherwise directed in Section 32-242 Permitted Accessory
77 Uses, accessory uses and structures shall be located behind the main building façade and
78 may be placed as close as five (5) feet to rear and side property lines.

(1) Permitted only on parcels abutting NE 1 Avenue and/or NE 7 Street.

81 **Section 32-194. Configuration of Buildings.**

82 (d) Architectural Standards. In all RAC subdistricts, the following architectural standards
83 apply:

- 84 (1) Building façades facing streets or civic open spaces must have transparent
85 windows covering ~~between~~ a minimum of 20 percent and a maximum of 75
86 percent of the wall area of each story as measured between finished floors.
87 Transparent means non-solar, non-mirrored glass with a light transmission
88 reduction of no more than twenty percent (20%).

89 *****

90 **Section 32-200. Greyhound Track Subdistrict Standards**

91 (a) Purpose and Intent. The Greyhound Track Subdistrict is intended to be a ~~unique, lively~~
92 ~~arts mixed use~~ and commerce area accommodating a wide range of uses including
93 commercial, residential, retail, and some industrial uses.

94 (b) ~~Incremental Redevelopment. The development of individual buildings on the site shall~~
95 ~~follow the Commercial Recreational (active) district (CR-A) standards in addition to the~~
96 ~~following:~~

- 97
98 (1) ~~A perimeter landscape treatment at least 10 feet wide shall be installed along the~~
99 ~~nearest street frontage comprised of a continuous, maintained hedge three feet to~~
100 ~~three feet six inches high and one shade tree, uniformly spaced, per 25 feet of~~
101 ~~linear street front.~~
102 (2) ~~Buildings shall be positioned on the site so that a street and block network that~~
103 ~~meets the requirements of Section 32-205 can be incorporated in a long-term~~
104 ~~redevelopment strategy.~~

105
106 Table 32-200(a) provides the dimensional requirements regarding lot size, lot coverage, building
107 setbacks, and building frontage for the RAC Greyhound Track subdistrict. Figure 32-200(a)
108 illustrates the dimensional requirements from the table.

- 109
110 (1) A minimum of 75 percent of the linear width of the lot along a Primary Street shall
111 be occupied by the primary façade of a building, located in accordance with the
112 minimum and maximum setbacks in Table 32-200(a).
113 (2) Secondary streets do not have a required minimum building frontage and buildings
114 shall be located in accordance with the minimum setback in Table 32-200(a).
115 (3) Buildings taller than five stories are subject to additional setback requirements
116 in order to ensure harmony among adjacent buildings and architectural articulation
117 of building mass.
118 (4) Buildings with more than 250 feet of street frontage shall provide a pedestrian
119 passageway at least 10 feet wide connecting rear parking to the sidewalk in the
120 public right-of-way that the building faces, and generally mid-point of the building
121 frontage.

122
123 (c) Building Size and, Height and Lot Area

- 124 (1) On Primary Streets, the minimum building height is two stories in height or one
125 story at least 20 feet tall.

126 (2) Maximum building height is ten stories, except that buildings which provide all the
127 following public benefits may build to fifteen stories:

- 128 a. Provide a total of 7.5% of the site, or the portion of the site proposed
129 for development in a multi-phased project, as Civic Open Space(s);
130 and
131 b. Provide street/streetscape improvements consistent with the City's
132 complete streets efforts, on both sides of adjacent rights-of-way; and
133 c. On Secondary streets fully conceal parking levels at the sidewalk level
134 for a depth of at least 20 feet by a story containing active uses, such
135 as residential, office, or retail.

136 (3) Developments which meet the criteria in section (2) above, have 100 feet or more
137 of frontage along Pembroke Road, and are on three or more contiguous acres may
138 receive approval from the City Commission for five additional stories, for a total of
139 20.

140 (4) Site Plan Approval may be granted by the City Commission in accordance with
141 Section 32-205 Approval Process for a development that is less than 5 contiguous
142 acres in lot area under unified control. Such development shall not be subject to
143 the Central RAC regulations contained in Section 32-204 Street and Block
144 Standards.

Figure 32-200 (a)
Greyhound Track Building Placement & Height

160 (d) Buildings Uses and Density:

161 (1) Specific Uses. Specific uses in the RAC Greyhound Track subdistrict shall
162 conform to the regulations in Section 32-193 Allowable Uses.

163 a. Public Parking Garages. On Primary Streets, Public parking garages
164 open to the public as a principal use shall be lined along the sidewalk
165 level for a depth of at least 20 feet by a story containing active use(s),
166 such as residential, office or retail.

167
168 (2) Conditional Use Standards. Conditional uses must be approved pursuant to the
169 provisions in Section 32-964 Conditional Uses. In addition, the following
170 regulations apply:

- 171 a. Drive-through facilities for any use. Drive-through facilities for any use
172 shall have the drive through window(s) and stacking area located behind
173 buildings on Primary Streets. On Secondary Streets, drive through
174 facilities may be located to the rear or side of buildings.
175 b. (e) Interim Parking Lots. Parcels no greater than 25,000 square feet in area
176 may be approved for interim parking lots serving general business and
177 residential areas for specific timeframes. Interim parking lots must be
178 maintained with a dust-free surface and shall have perimeter landscaping
179 comprised of a continuous maintained hedge three to four feet in height
180 with one tree every 30 feet installed along streets and residential
181 properties, with final details to be incorporated as conditions of approval.
182 The approval may specify an annual review process that could result in
183 revocation if these requirements and any other conditions of approval are
184 not maintained.

185 (d) Large-Scale Redevelopment.

186 ~~In the event that significant redevelopment of the site is proposed, a street and block~~
187 ~~network consistent with the requirements of Section 32-205 that interconnects and the~~
188 ~~expands the local street network shall be established for the site and regulations~~
189 ~~regarding building setbacks and frontage shall be incorporated into this Subdistrict.~~

190 (3) Base Density. The Base Density in Table 32-(200)(a) is the number of dwelling
191 units allowed per acre.

192 (4) Maximum Density. The Maximum Density in Table 32-200(a) is the number of
193 dwelling units allowed per acre based upon all the following performance criteria
194 and the approval process set forth in Sections 32-205 Approval Process and 32-
195 206 RAC Density Allocation Standards:

- 196 a. For density up to 70 du/ac, projects shall:
197 1. Provide a total of 7.5 % of the site, or the portion of the site proposed
198 for development in a multi-phased project, as Civic Open
199 Spaces(s);

- 200 2. Fully conceal parking garage levels on Secondary streets at the
201 sidewalk level for a depth of at least 20 feet by a story containing
202 active use(s), such as residential office, or retail; and
203 3. Provide street/streetscape improvements consistent with the City's
204 complete streets efforts, on both sides of adjacent rights-of-way.
205 b. For density up to 90 du/ac, in addition to the criteria in (d)(4)(a), projects
206 shall:
207 1. Provide at least 15% of the project's residential units as workforce
208 housing or contribute to the City's affordable housing fund; and
209 2. Provide at least 10% more parking than the amount required,
210 accessible to the general public on an hourly or daily basis, with a
211 fee to be determined by the owner in consultation with the City
212 Manager .

213 (e) Frontage Standards.

214 (1) The front setback and side setbacks facing streets shall be hardscaped with the
215 following design characteristics:

- 216 a. Street trees shall be installed as set forth in Section 32-201(c) Frontage
217 Standards.
218 b. A pedestrian walkway shall be accommodated as set forth in Section 32-
219 201(b) Frontage Standards.
220 c. Any setback area not needed to accommodate a pedestrian walkway as
221 determined by the city may be landscaped using trees, potted plants in
222 removable planters, and ground planting that does not obstruct views into
223 windows, and may also be used to accommodate merchandise displays or
224 outdoor dining areas.

226 (2) The main entrance(s) to ground story lobbies or commercial space(s) shall be
227 directly from and face a public right-of-way or civic open space. Doors allowing
228 public access shall occur at intervals no greater than 75 feet.
229

230 (3) Building entrances shall use at least one of the following frontage types detailed
231 in Section 32-201:

- 232 a. Stoop
233 b. Forecourt
234 c. Bracketed Balcony
235 d. Storefront
236 e. Arcade/Colonnade
237 f. Porch

238 (f) Other applicable Standards. See Section 32-194 Configuration of Buildings and
239 Section 32-203 Central RAC Parking Standards; for standards that also apply to the
240 RAC Greyhound Track Subdistrict.

241 *****

242 **DIVISION 3. FORM-BASED ZONING DISTRICTS Subdivision I. Central RAC District**

243 **32-205 APPROVAL PROCESSES**

(a) Approval types. Development applications may follow two different review and approval processes:

(1) Development applications in the Central RAC zoning district may be approved administratively if the application:

- a. Meets all requirements of this code; and
- b. Does not exceed the base density specified for its RAC subdistrict; and
- c. Does not require any conditional uses, variances, or redevelopment area modifications.

(2) Development applications in the Central RAC zoning district may be approved only by the city commission using the ~~m~~Major ~~d~~Development ~~r~~Review process if the application:

- a. Meets all requirements of this code only upon approval of simultaneously requested conditional uses, variances, or redevelopment area modifications; and/or
- b. Is requesting a density level between the base density and the maximum density allowable in any Central RAC subdistrict.

(b) Submission requirements and procedures.

(1) Development applications in the Central RAC zoning district that may be approved administratively (see subsection (a)(1) above) shall be submitted to the city using the procedures in Article V of this code, except that the Development Services Director has the authority to approve the application administratively even if Chapter V would otherwise require review and approval by the planning and zoning board and the city commission.

(2) Development applications in the Central RAC zoning district that may be approved only by the city commission (see subsection (a)(2) above) shall be submitted to the city using the procedures in Article V of this code. These applications will be reviewed and processed as if they were ~~m~~Major ~~d~~Developments even if they are below the size thresholds in section 32-782(a) Applicability.

(c) Conditional uses and variances. The city commission may approve conditional uses and variances in the Central RAC zoning district using the procedures and standards in Article VIII of this code plus any additional standards set forth in the Central RAC regulations. However:

(1) These processes cannot be used to increase the number of stories above the maximum building height established for each Central RAC subdistrict.

(2) These processes cannot be used to increase density levels above the base density in any Central RAC subdistrict; the process for requesting a density increase (up to the maximum density) is set forth in section 32-206.

(d) Redevelopment area modifications. The city commission may approve redevelopment area modifications in the Central RAC zoning district using the procedures and standards in section 32-135 Redevelopment Area Modifications, plus the following additional standards:

(1) This process cannot be used to increase the number of stories above the maximum building height established for each Central RAC subdistrict.

(2) This process cannot be used to increase density levels above the base density in any Central RAC subdistrict; the process for requesting a density increase (up to the maximum density) is set forth in section 32-206.

(e) General rules for changes to Central RAC zoning district.

(1) Overlays as contained within Section 32-186.

a. Prior mapped overlays. Portions of the Central RAC zoning district had previously been included in one or more mapped overlays: North Dixie Corridor Overlay, South Dixie Highway Overlay, Fashion Art and Design Overlay, Pembroke Road Overlay, Foster Road Corridor Overlay, and Redevelopment Overlay. Relevant parts of those overlay regulations have been incorporated into the Central RAC subdistrict regulations.

b. Previously approved planned development overlays. Some individual properties in the Central RAC zoning district had obtained prior approval for a site-specific “planned development district (PDD)” overlay. At the landowner’s discretion:

1. The terms of those approvals may continue to be used to obtain remaining development approvals until such time as the original approval and/or development agreement has expired; or
2. The provisions of the Central RAC zoning district may be used to obtain future development approvals without rescinding the prior “planned development” approval. However, the two methods may not be combined except to the extent that non-conformity with the current code is not furthered. :

c. Future overlays. Additional mapped or planned development overlays may ~~not~~ be approved in the Central RAC zoning district, ~~with~~ subject to the following ~~exceptions~~ restrictions:

1. On sites in the RAC Corridor subdistrict with 5 or more contiguous acres under unified control, a landowner may request a Planned Development Overlay (PDO) and development agreement consistent with the applicable provisions of section 32-186; on sites in the Greyhound Track subdistrict with 5 or more contiguous acres in lot area under unified control, a landowner may request a Planned Development Overlay (PDO) and development agreement consistent with the applicable provisions of section 32-186.

322 2. On sites in the RAC Corridor subdistrict with 3 to 5 contiguous acres
323 under unified control, a landowner may request a Planned Development
324 Overlay (PDO) and development agreement consistent with the
325 applicable provisions of section 32-186 for a period up to six months
326 after the land was rezoned to the Central RAC zoning district.

327 i. The request must accompany an official development application
328 that meets the site plan review submission requirements as set forth
329 in Article V of the City of Hallandale Beach Zoning and Land
330 Development Code.

331 ii. Development approval for the application must be obtained within
332 six months of the original request for PDO and development
333 agreement. For good cause shown, the City Manager may grant an
334 additional six (6) months for the development plan approval.

335 iii. Development approvals granted under this provision are subject to
336 extension provisions as outlined in Section 32-790 of the City of
337 Hallandale Beach Zoning and Land Development Code.

338 iv. Should the site plan approval expire, the development agreement
339 shall expire concurrently, and the PDO will be administratively
340 removed via rezoning.

341 3. ~~Under either exception, the following additional standards shall apply~~
342 All sites within a Planned Development Overlay shall be subject to the
343 following additional standards:

344 i. Development must be consistent with the city's comprehensive
345 plan.

346 ii. Allowable uses and all development regulations and requirements,
347 including height and density shall be as specified for the RAC
348 Corridor subdistrict, except where modifications were specifically
349 requested and explicitly approved in the Planned Development
350 Overlay and development agreement.

351 iii. Allowable uses and all development regulations and requirements,
352 including height and density shall be as specified for the underlying
353 subdistrict, except where modifications are specifically requested
354 and explicitly approved in a Planned Development Overlay and
355 development agreement.

356 iv. Such modifications specifically requested and specifically approved
357 in a Planned Development Overlay and development agreement
358 shall not be required to demonstrate compliance with the
359 development regulations applicable for the underlying subdistrict.

360 (2) Expansions, contractions, and subdistrict adjustments. The boundary of the
361 Central RAC zoning district and the boundaries of its subdistricts may be expanded
362 or contracted by the city commission by amending the regulating plan in section
363 32-192. Landowners desiring boundary changes to the regulating plan must
364 request an amendment to the zoning and land development code instead of using

the rezoning process. Requests for amendments to the regulating plan shall be advertised, posted and noticed in conformity with the requirements of section 32-1004 as to rezonings in addition to requirements for zoning code text amendments.

(f) Transitional Period. For applications submitted prior to September 1, 2014, staff may present an analysis of the measurable parameters of development under both regulations.

Sec. 32-8. - Definitions.

Family means one or more persons occupying a dwelling, not more than three of whom are unrelated to each other by birth, adoption, or marriage.

Family entertainment center is a use applicable only to the Central RAC, which means an entertainment center catering to families, which includes, but is not limited to, such entertainment uses as bowling lanes, arcade and video games, with redemption prizes, and some form of food and beverage, among other things to do.

Fence (wall) means any construction of wood, metal, wire mesh, masonry or other material, erected for privacy, protection, ornamentation, enclosure or screening.

Turf grass means all species normally grown as permanent lawns in South Florida and/or identified in *Waterwise* by the South Florida Water Management District. Turf grass areas are required to be sodded and shall be clean and reasonably free of weeds and noxious pests or diseases.

Unified Control is a term that is applicable only to the Central RAC, which means all land included for development at the time of site plan approval that is under the legal control of the applicant, whether applicant be an individual, partnership, corporation, or group of individuals, partnership, corporation, or group of individuals, partnerships, or corporations. The legal instrument establishing unified control shall be approved by the city attorney. The site plan approval shall run with the land and shall be binding on all successors in interest to the property. Nothing herein shall be construed to preclude the sale of any portion of the property that was the subject of the site plan approval after recordation of the development order constituting the site plan approval.

Use, principal, means the same as "Permitted use."

...

SECTION 2. Conflict. All ordinances or portions of the Code of Ordinances of the City of Hallandale Beach in conflict with the provisions of this ordinance shall be repealed to the extent of such conflict.

SECTION 3. Severability. Should any provision of this ordinance be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the ordinance as a whole, or any part thereof, other than the part declared to be invalid.

SECTION 4. Codification. It is the intention of the Mayor and City Commission that the provisions of this ordinance be incorporated into the Code of Ordinances; to effect such intention the words "ordinance" or "section" may be changed to other appropriate words.

SECTION 5. Effective date. This Ordinance shall take effect immediately upon adoption.

PASSED AND ADOPTED on 1st reading on _____, 2016.

PASSED AND ADOPTED on 2nd reading on _____, 2016.
