16 **WHEREAS**, Section 28-172 of the City Code, last amended in 1980, requires towing from
17 public rights-of-way to be provided on a franchise basis and limits the competitive solicitation of a
18 towing franchise to a bid process; and

19 **WHEREAS**, by restricting the form of solicitation to a bid process, Section 28-172 limits
20 the ability of the City to take into account factors such as ease of access to towing facilities for
21 residents; and

22 **WHEREAS**, Section 28-172 requires award of the towing franchise by resolution,
23 conflicting with Charter Section 5.01, which requires a franchise to be awarded by ordinance; and

24 **WHEREAS**, the City Administration recommends solicitation by way of proposal to enable
25 the city to consider factors such as level of service to residents and accessibility of facilities,
26 among others; and

27 **WHEREAS**, other language in Section 28-172 is redundant of requirements in the City's
28 procurement policies; and

29 **WHEREAS**, amending Section 28-172 will enable the City to solicit the services in the
30 manner best suited to the needs of the City and its residents, remove language conflicting with
31 the City Charter, and remove language redundant to the City's general procurement policies; and

32 **WHEREAS**, the Mayor and the City Commission have determined that it is in the best
33 interest of the residents of the City of Hallandale Beach to amend Chapter 28 Section 28-172 to
34 allow invitations for towing franchise services to be solicited through a competitive solicitation,

evaluated in accordance with general city procurement policies, and awarded by way of ordinance, in compliance with City Charter requirements.

NOW, THEREFORE BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF HALLANDALE BEACH, FLORIDA:

SECTION 1. Chapter 28, Traffic, Motor Vehicles and Boats; of Article V, Towing; Section 28-172, Towing franchise; is amended to read as follows:

Section 28-172. – Towing franchise.

(a) In order to provide towing service for all damaged, disabled and abandoned motor vehicles, the city will allow a private towing agency to provide such service on a franchise basis. ~~The city will competitively solicit services for towing. A towing agency desiring to render such service to the city will be provided with specifications and invited to submit a bid in accordance with such specifications. The award of the bid by the city shall be to the towing agency submitting the highest and best bid which meets specifications and conditions. After bids are received and a selection is made, a certificate of compliance must be furnished to the city within 90 days of the award indicating that all specifications have been met; and failure of the successful bidder to provide the certificate shall be cause for the loss of the franchise. The bid specifications and conditions contained in the notice to bidders and the proposal form and agreement will comprise the contractual instruments between the city and the towing agency, upon acceptance by the city. The city commission shall indicate acceptance by a resolution awarding the franchise and ordering the city manager to enter into an agreement with the successful bidder.~~

SECTION 2. Conflict. All ordinances or portions of the Code of Ordinances of the City of Hallandale Beach in conflict with the provisions of this ordinance shall be repealed to the extent of such conflict.
