

# Hallandale Beach Boulevard

## Form-Based Code Design Guidelines Revitalization Plan

*City Commission Presentation*

Wednesday, May 3, 2017

Development Services Staff

# What Are We Doing?

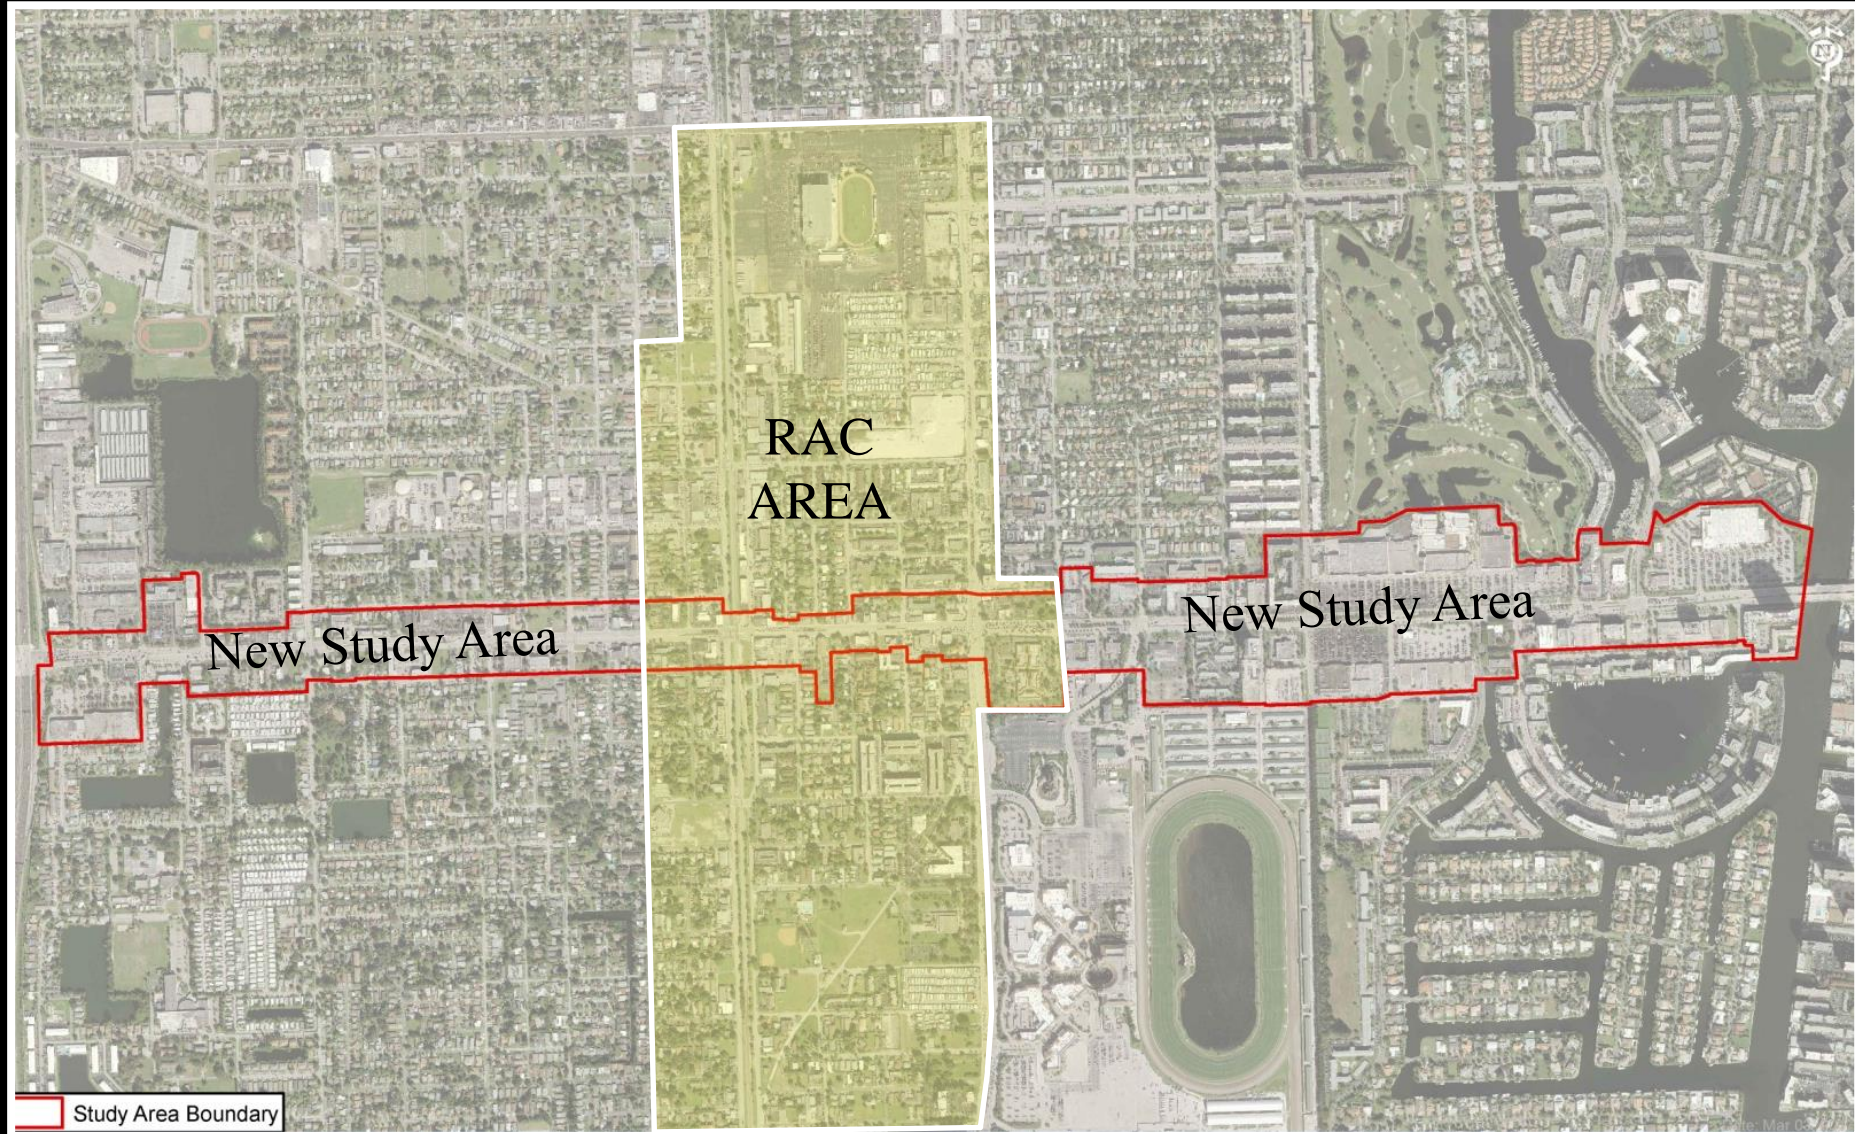

- Awarded a Department of Economic Opportunity (DEO) Grant
- Treasure Coast Regional Planning Council Hired to Assist

## **Expected to Result in:**

- Updates to the Land Development Code (New Form-Based Code).
- Design Guidelines along HBB.
- A Revitalization Plan for the corridor.

# Study Area

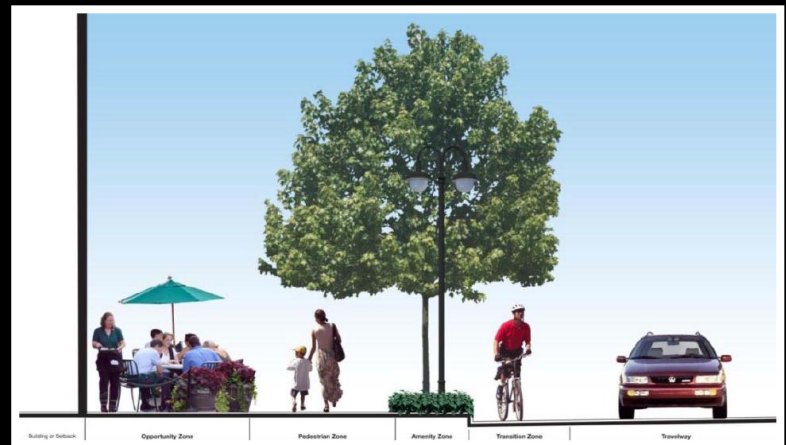

# Updating the Land Development Code

Proposed regulations would:

- Extend Form-Based Code along HBB
- Creating new zoning districts
- Define allowable uses
- Define allowable building heights
- Define allowable densities
- Civic and open spaces
- Parking requirements
- Landscape requirements
- Etc. ...

# Establishing Design Guidelines

Guidelines to include:

- Frontage Designs
- Architectural Elements
- Building use transitions
- Parking
- Street furniture
- Street trees
- Landscaping
- Outdoor activities/dining

# Creating a Revitalization Plan

Revitalization Plan framework to include:

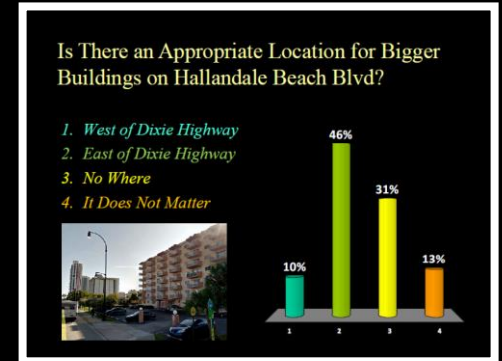

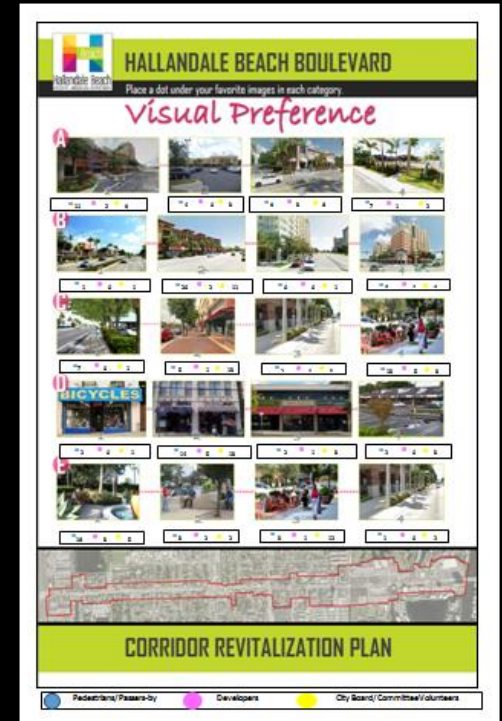

- Complete streets strategies
- Smart growth principles
- Design Guidelines
- Marketing efforts and economic development strategies

# Public Outreach Efforts

- 3 Community Workshop/Public Meetings
- Social Media, City Website, Online Surveys
- In field Pop-Up Sessions
- Chamber of Commerce Meetings w/ CRA & Realtors

# Next Steps...

- Intergovernmental Coordination Team Meeting (May 5<sup>th</sup>)
- Planning and Zoning Board Review (May/June)
- City Commission Adoption Hearings (TBD)

# Thank You
