Commission:

Item 8C – Employee Health Insurance: To direct staff to go out to bid for Employee Health Insurance Benefits.
Assigned to Procurement Director.

Commissioner Lazarow:

Long term parking on Atlantic Shores Blvd: Staff to look into vehicles parked long term on Atlantic Shores Boulevard.
Assigned to Police Chief.

Staff is periodically checking all the vehicles parked in this area. There is no current prohibition on long term parking in the City right of way spaces along Atlantic Shores Blvd. Staff checks the vehicles parked there to determine whether the vehicle appears to be operable and has a current valid registration. If these two criteria are met, the vehicle is legally parked as long as it is properly within a parking space. For vehicles that appear to be inoperable or have an expired registration, PD staff issues citations.

Vehicles may be towed if they remain improperly parked for 24 hours after they are cited. However, staff generally attempts to contact the owner prior to towing in a circumstance such as this.

Staff in looking into installing street sweeping signs which will require an ordinance similar to the ordinance for Golden Isles Drive.

Commissioner Taub:

Shot off windows at B.F. James Park: Staff to look into shot off windows at B.F. James Park.
