SUBJECT: Bridges, Intercoastal Bridge Painting, BP# 12-008

Per City Commission directive, staff met with the Beautification Board for their recommendations on the painting of the bridge. The Beautification Board suggested a mural should be painted that extended the beach theme. The suggested mural is attached to the memo. Staff estimates the cost of this mural would be an additional approximately \$150,000.00 with the total of the project being \$182,000.00. The Beautification Board also selected a second option to paint the entire bridge "youthful coral", color number 170B-5 in the attached swatches. The cost to paint the bridge the "youthful coral" color is \$32,000.00. A purchase order was previously issued for Hunihan Painting to paint the bridge. Staff requests approval to move forward with this project going with the second option. The bridge will be painted with the recommended color, "youthful coral".
