Mr. Klopp: reported that Althea Jefferson was no longer with the City of Hallandale Beach. He further added that current staff will serve as liaison to the Planning and Zoning Board.

Mr. Klopp: stated that before Ms. Jefferson's departure, she secured a grant which would cover the study being presented. However, the approval of the grant requires that the ordinance be presented by June 2017, to the City Commission.

Mr. Klopp: further emphasized that the ordinance only needed to be presented, not adopted, and requested that the motion provided by the Board be in form of affirmative consideration.

Mr. Klopp: pointed out that he has discussed the item being presented with the City Manager. The City Manager has expressed that he will remain proactive and bring forward recommendations to have a joint meeting by the Planning and Zoning Board and City Commission as mentioned in previous meeting.

Mr. Klopp: introduced Dana Little, Urban Design Director for Treasure Coast Regional Planning Council, who worked with staff on the proposed code amendments, design guidelines, and rezoning of the Hallandale Beach Boulevard Corridor.

B. AN ORDINANCE OF THE MAYOR AND THE CITY COMMISSION OF THE CITY OF HALLANDALE BEACH, FLORIDA, AMENDING THE CITY OF HALLANDALE BEACH

ZONING MAP; IMPLEMENTING ZONING REGULATIONS CONTAINED IN CHAPTER 32, ZONING AND LAND DEVELOPMENT CODE, FOR THE HALLANDALE BEACH BOULEVARD REGULATING PLAN; REMOVING BUSINESS GENERAL (B-G) AND CENTRAL CITY BUSINESS (CCB) ZONING DISTRICTS, THE PLANNED REDEVELOPMENT OVERLAY (RDO) AND PLANNED DEVELOPMENT OVERLAY (PDO) DISTRICTS FROM THE LANDS WITHIN THE HALLANDALE BEACH BOULEVARD ZONING DISTRICT; REZONING CERTAIN PARCELS ADJACENT TO HALLANDALE BEACH BOULEVARD, LOCATED WITHIN THE BOUNDARIES OF THE GENERAL COMMERCIAL LAND USE CATEGORY OF THE COMPREHENSIVE PLAN'S FUTURE LAND USE MAP TO THE HALLANDALE BEACH BOULEVARD ZONING DISTRICT; PROVIDING FOR CONFLICT; PROVIDING FOR CODIFICATION; PROVIDING FOR SERVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

Mr. Dana P. Little, City's Urban Design Consultant with Treasure Coast Regional Planning Council (TCRPC) (421 SW Camden Avenue Stuart, FL 34994): provided a PowerPoint presentation and gave a summary of items 5.A & 5.B

Mr. Garson: asked how the proposed rezoning would affect current residential areas or will grandfather in would apply?

Mr. Little: stated that the same process would apply as when the Regional Activity Center (RAC) rezoning was put in place. The property owner would be allowed to apply for Vested Rights.

Mr. Klopp: further added that, a 3-5 acreage parcel will be given six months to provide a proposed development and be reviewed under the current zoning designation.

Mr. Klopp: pointed out that with our current zoning, a 3-acreage parcel needs to meet setbacks along with parking, which is not likely to meet code and requires approval from the City Commission. He stated that lands 5 acreage or more have the right to 350 feet building and Vested Rights would kick in.

Mr. Garson: asked for clarification on automobile uses not being permitted.

Mr. Little: stated that the intent is to not allow any more automobile repair uses on Hallandale Beach Boulevard.

Mr. Lewy: asked for more detail on how progressive parking issues would be addressed?

Mr. Little: stated that the proposed parking requirement were the same as the RAC parking requirements simply being brought over.

Mr. Lewy: expressed his concerns regarding parking:

- a) The reality is that current families require two vehicles;
- b) Recently, the City Commission has lower parking requirement and he believes that they should be increased;
- c) Current developers feel that our current Code is strict in parking requirements and prefer to request variances to allow less parking.

Mr. Lewy: further asked if the code intent was to enforce mass transit?

Mr. Little: stated no.

Mr. Wu: disclosed comments to the Board which he had provided to staff prior to the meeting, related to the Design Guidelines (Exhibit A) and Proposed Ordinances (Exhibit B)

Discussion Ensued.

Mr. Wu: suggested the treescape plans for trees along Hallandale Beach Boulevard be included into the Design Guidelines.

Ms. McKenney: stated that standard and assembly uses as mentioned in Mr. Wu's comments will be revisited by staff and the City Attorney's Office. She stated that further research would be needed to ensure that assembly uses are not interpreted as business or theater uses.

Ms. Natelson opened the Public Hearing.

Ms. Laura Simon (2500 Diana Drive Hallandale Beach, FL 33009): recommended that the proposed map include rezoning of the properties south of Diana Drive, which would allow more buffer and screening of surface parking lots and parking structures.

Mr. Micky Biss (1744 S. Miami Avenue Miami, FL 33129): stated he has specific issues with the rezoning of West Hallandale Beach Boulevard, such as, no potential investment or development in that area and would stiffen economic growth.

Ms. Natelson: closed the Public Hearing.

Mr. Wu: responded to Mr. Biss's comments by stating that he felt very strongly of the Code. He stated he disagreed with his comments and added that the City is not taking Developer's rights. The public is notified and given sufficient time to follow City's process.

Mr. Lewy: agreed with Mr. Wu's response.

Mr. Wu: suggested a straw vote.

Ms. Natelson: suggested keeping the vote as a motion.
