MEMORANDUM**

DATE: June 26, 2017

TO: Christy Dominguez, Principal Planner

FROM: Mark Ellis, Fire Chief 

SUBJECT: RENEWAL OF NIGHTCLUB LICENSES FOR FY 2017/2018

Fire staff conducted annual fire safety inspections of the nightclubs referenced in your current memo. The majority of inspections were satisfactory with no significant threat to life safety with the following exceptions: Club Fate (Gulfstream Village), Martini Bar (Gulfstream Village), and Tatiana's Restaurant & Nightclub. Fire staff supports licensure renewals for the coming fiscal year for the remaining locations and is working with the three exceptions to correct the life safety issues as quickly as possible. An update will be submitted as soon as the clubs are in compliance with code violations.
