**C. Consideration of Renewal of Contract with Staffing Connection for Provision of School Crossing Guard Services**

Assistant Chief Kirchoff stated that this contract is beneficial to the City as the City saves the cost of substituting absent school crossing guards with higher paid police officers or community service aides. Staffing Connection has provided excellent service and is the only company interested in providing these services in south Broward County.

City Manager Good stated he is requesting the City Commission authorize an initial three year agreement with the option for the City Manager to extend the agreement on a continuing year by year basis after the three years, subject to the renewal cost being reasonable and Chief of Police's recommendation.

Commissioner Ross asked about the training conducted by the company regarding the proper crossing of students and how to handle emergency situations. Assistant Police Chief Kirchoff advised that the company was checked out thoroughly, provide excellent training and are very reputable.

**MOTION BY COMMISSIONER GIBBONS, SECONDED BY COMMISSIONER ROSS TO APPROVE.** The motion carried by a 5/0 voice vote.
