If not, the award will be made to the vendor that submits the lowest responsive bid.

If there is a Tier 1 local vendor and a Tier 2 local vendor and a Tier 3 local vendor participating in the same Bid solicitation and the three vendors qualify to submit a second Bid as detailed above, the Tier 1 local vendor will be given first option.

If the Tier 1 local vendor cannot match the lowest bid received, an opportunity will be given to the tier 2 local vendor. If the tier 2 local vendor cannot match the lowest bid received, then an opportunity will be given to the tier 3 local vendor. If the tier 3 local vendor cannot match the lowest bid received, then the bid will be awarded to the lowest bidder regardless of tier 1, tier 2 or tier 3 local vendor preference.

If multiple local vendors submit bids which are within ten percent of the lowest bid, then all vendors will be asked to submit a "best and final offer (BAFO)." The award will be made to the tier 1 local vendor submitting the lowest BAFO providing that the BAFO at least matches the lowest bid received in the original solicitation. If no tier 1 local vendor can beat the lowest bid by matching it, then the process will be repeated with tier 2 and tier 3 local vendors who have submitted a bid which is within two and one-half percent of the lowest bid. If no tier 1, tier 2 or tier 3 local vendor can submit a BAFO that matches the lowest bid submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of the tiers.

Exemptions to Tier 1, Tier 2 and Tier 3.
