TO: Nydia Rafols-Sallaberry, HBCRA Executive Director

FROM: Jeremy Earle, Ph.D., AICP, FRA-RP Assistant City Manager

SUBJECT: HBCRA Board/City Commission Visioning Retreat

The HBCRA Board of Directors has requested that Staff schedule a Visioning Session to discuss HBCRA's strategic priorities, which the HBCRA should be accomplishing over the next seven to eight (7 to 8) remaining years of the life of the CRA.

Accordingly, Staff is recommending possible dates for the HBCRA Visioning Session, all of which occur on a weekend, unless it is the Board's desire to meet on a week day.

Possible Retreat Dates

December 15, 2018
January 12, 2018
January 19, 2018

This will be a publicly noticed meeting. It is expected that the meeting will start at 9am and last until 4pm. To ensure there are no distractions, Staff is recommending to meet offsite. Breakfast and lunch will be provided. Once a date has been selected, Staff will prepare and release the agenda.

The retreat would be facilitated by Jeff Oris, who is a former President of the Florida Redevelopment Association (FRA), and a current instructor for the FRA's Redevelopment Academy Class, Redevelopment 101 (Exhibit 1).
