- e) The Contractor shall be solely responsible for determining and informing the County whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and subcontractors at the Contractor's own risk. l. Notification of Breach. Associate shall notify the County within twenty-four (24) hours, and shall provide written notice no later than forty-eight (48) hours of any suspected or actual breach of security, intrusion or unauthorized disclosure of PHI and/or any actual or suspected disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall take (i) prompt corrective action to cure any such deficiencies, and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

m. Expenses. Any and all expenses incurred by Associate in compliance with the terms of this Addendum or in compliance with the HIPAA Regulations shall be borne by Associate.

n. No Third Party Beneficiary. The provisions and covenants set forth in this Agreement are expressly entered into only by and between Associate and the County and are intended only for their benefit. Neither Associate nor the County intends to create or establish any third party beneficiary status or right (or the equivalent thereof) in any other third party nor shall any other third party have any right to enforce or enjoy any benefit created or established by the provisions and covenants in this Agreement.

3. Audits, Inspection and Enforcement. From time to time, after reasonable notice, upon any breach of this Addendum by Associate, the County may inspect the facilities, systems, books and records of Associate to monitor compliance with this Addendum. Associate shall promptly remedy any violation of this Addendum and shall certify the same to the County in writing. The fact that the County inspects, or fails to utilize its right to inspect, Associate's facilities, systems, books, records, and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does the County's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate to remedy such breach, constitute acceptance of such practice or a waiver of the County's enforcement rights under this Addendum.

4. Termination.

a. **Material Breach.** A breach by Associate of any provision of this Addendum, shall constitute a material breach of the Agreement and shall provide grounds for immediate termination of the Agreement by the County. [45 CFR § 164.504(e)(3) and 45 CFR § 164.314(a)(2)(i)(D)]

b. **Termination for Cause - Reasonable Steps to Cure Breach.** If the County recognizes a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum and does not terminate the Agreement pursuant to Section 4a, above, the County may provide an opportunity for Associate to end the violation or cure the breach within five (5) days, or other cure period as may be specified in the Agreement. If Associate does not cure the breach or end the violation within the time period provided, the County may immediately terminate the Agreement.

c. **Judicial or Administrative Proceedings.** The County may terminate the Agreement, effective immediately, if (i) Associate is named as a defendant in a criminal or administrative proceeding for a violation of HIPAA, or (ii) a finding or stipulation that Associate has violated any standard or requirement of the HIPAA Regulations (or other security or privacy law) is made in any administrative or civil proceeding.

d. **Effect of Termination.** Upon termination of the Agreement for any reason, Associate shall return or destroy as directed by the County all PHI, including but not limited to ePHI, received from the County (or created or received by Associate on behalf of the County) that Associate still maintains in any form. This provision shall also apply to County PHI that is in the possession of subcontractors or agents of Associate. Associate shall retain no copies of such PHI or, if return or destruction is not feasible, Associate shall provide to the County notification of the conditions that make return or destruction infeasible, and shall continue to extend the protections of this Addendum to such information, and limit further use or disclosure of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 CFR § 164.504(e)(2)(ii)(I)]

5. Indemnification. Associate shall indemnify and hold harmless the County and its officers, employees, trustees, agents, and instrumentalities (the indemnified parties) from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, trustees, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to, or resulting from the performance of this Addendum by Associate or its employees, agents, servants, partners, principals, or subcontractors. Associate shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of any of the indemnified parties, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Associate expressly understands and agrees that any insurance protection required by this Addendum, or otherwise provided by Associate, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the indemnified parties as herein provided. This paragraph shall survive the termination of the Agreement.

6. Limitation of Liability. Nothing in this Addendum shall be construed to affect or limit the County's sovereign immunity as set forth in Florida Statutes, Section 768.28.

7. Amendment.

a. **Amendment to Comply with Law.** The parties acknowledge that state and federal laws relating to the security and privacy of PHI, including electronic data, are rapidly evolving and that

amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HIPAA Regulations and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that the County must receive satisfactory written assurance from Associate that Associate will adequately safeguard all PHI that it receives or creates pursuant to this Agreement. Upon the County's request, Associate agrees to promptly enter into an amendment to the Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HIPAA Regulations or other applicable laws. The County, in addition to any other remedies including specific performance, may terminate the Agreement upon five [5] days' written notice in the event Associate does not enter into said amendment to the Agreement providing assurances regarding the safeguarding of PHI that the County, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and the HIPAA Regulations. Notwithstanding Associate's failure to enter into an amendment, Associate shall comply with all provisions of the HIPAA laws.

b. Amendment of Appendix C. In addition to amendments described in 7a above, Appendix C may otherwise be modified or amended by written mutual agreement of the parties without amendment of the remainder of this Agreement."

8. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under this Agreement, available to the County at the County's convenience upon reasonable notice, at no cost to the County, to testify as witnesses, for document production, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its trustees, officers, agents or employees based upon claimed violation of HIPAA, the HIPAA Regulations or other laws relating to security and privacy, except where Associate or its subcontractor, employee or agent is a named adverse party.

9. Effect on Agreement. Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Agreement shall remain in force and effect. In the event of any conflict between this Addendum and Agreement, this Addendum shall control.

10. Interpretation. This Addendum and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA Regulations and applicable Florida laws. The parties agree that any ambiguity in this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the HIPAA Regulations.

11. Jurisdiction. Any litigation between the parties regarding the terms of this Addendum shall take place in Miami-Dade County, Florida.
