Re: Contract Number FSA 19-TRS21.0 - Tires

We are pleased to announce that the Florida Sheriffs Association has successfully completed its 21st nationwide cooperative bid for tires. This contract is in effect beginning June 3, 2019 through February 28, 2022.

This year's bid has 10 tire specifications which include:

- Specification 2: Passenger Vehicle Tires;
- Specification 3: Light Truck & Related Vehicle Tires;
- Specification 4: Commercial Truck & Related Vehicle Tires;

The competitive process for this award began in December 2018, when stakeholders were surveyed regarding procurement needs. Specifications were developed based on prior year activity and new additions were added based on survey results and the Fleet Advisory Committee's review of commodities.

On April 5, 2019, a direct notification was sent to nine (9) prospective bidders to register for qualification to participate in the bid process. An advertisement of the Invitation to Bid (ITB) was placed within the Florida Administrative Weekly on March 28, 2019 and again on April 5, 2019. From this ITB, 6 bidders responded to the pre-bid meeting registration. Of these respondents, 6 submitted bids and 6 qualified, responsive bidders were awarded after a review by the FSA Fleet Advisory Committee and FSA Cooperative Purchasing Program staff.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions to procure this contract.

Contract prices are extended and guaranteed to any local government or political subdivision of the state, public educational institutions, other public agencies or authorities with the State of Florida, and other entities approved by the manufacturer to participate in this contract.

Out of state sales are permitted under this contract. All purchasers are bound by their local governing purchasing ordinances, rules and regulations.

In lieu of being listed in the publications, a Bidder may provide a Qualification Certification Form signed by the CATL Program Administrator.

Prices for the following services shall be supplied on the price sheets as separate items as shown on the attached Specifications And Price Sheets:

- Mounting of the tire

- New tire valve stem and installation
- New Tire Pressure Monitoring System (TPMS) and installation

Purchasers may purchase tires alone without related optional goods or services. If additional related optional goods and services are purchased, each related cost shall be added to the invoice as a separate additional charge.

For solid rubber tires, written shipping costs are required from Vendor in bid quote prior to Purchaser order being placed. In addition, written installation costs (if applicable) are required from Vendor in bid quote prior to Purchaser order being placed.

All bulk deliveries of tires shall be completed within thirty (30) days after receipt of an order, unless the Vendor and Purchaser negotiate a different delivery schedule and include it in an order.

Additional required related services are:

- Disposal of used tires. The Purchaser has the option of retaining used tires for recycling purposes. On bulk tire deliveries to a Purchaser's facility, the Vendor must pick up and dispose of an equal number of replaced used tires. This pickup of used tires may be required at a later date. All used tires must be disposed of in accordance with all Federal, State and local requirements, and disposal fee maybe assessed (refer to "Specifications and Price Sheets") by contractor to recover such costs.

ASTM Standard F1922, Test Method-for Tires, Pneumatic, Vehicular Highway.

ASTM Standard F1923, Test Method-for Tires, Pneumatic, Vehicular Low Speed, Off Highway.

Delivery of non-conforming product shall be grounds for terminating the Contract.

5. POSTING AND REVISION OF AUTHORIZED PRODUCT AND PRICE LIST

Every Vendor shall maintain on the Internet a list of the products it is authorized to sell under the Contract. The list shall clearly indicate the discounted price for each product. On the Ordering Instructions form submitted with the bid, bidders shall note the proposed Universal Resource Locator (URL) for this list. Posting of the list in a form easily accessible to the FSA and Purchasers shall be a condition precedent to Vendor's right to payment under the Contract. The FSA, in its sole discretion, may maintain Bidder's authorized list or provide electronic links to it. Regardless of the number of links to the list, Bidder shall ensure that Purchasers are able to access one, and only one, version of the authorized list. The authorized list shall include, either directly or via electronic link, the following:

Contract number; contact person; part or product numbers and descriptions; ordering information; pricing information, and service/distribution points organized geographically by city. When submitting your information for your "Authorized Service Centers/Distributors," please provide the following headings:

Dealer/Distributor Name
Address
City
State
Zip
Phone Number
Copy of Applicable Bid Tire Specifications & Price Sheet
Contact Name

Bidder's initial authorized list shall be identical to the discounted list submitted with the bid. Bidders shall not make the list generally available or accept any orders off it until the FSA approves the list. Bidders may thereafter amend the list to reflect product line and price changes, subject to the following restrictions:

- For product line changes, a Bidder may amend its list to reflect product developments. Any added product shall be offered at the then-current authorized percentage discount, which shall always be at least as great as the discount offered initially.
- For price changes, a Bidder shall only decrease, and shall never increase, the prices offered initially. Posted price reductions shall take effect immediately and be applied to unshipped and

subsequent orders. **BIDDERS ARE FREE TO OFFER GREATER DISCOUNTS FOR INDIVIDUAL TRANSACTIONS, AND PURCHASERS ARE ENCOURAGED TO SEEK THEM AND TO EXPLORE WHETHER OTHER BIDDERS AUTHORIZED FOR THE PRODUCT GROUP MIGHT OFFER BETTER DISCOUNTS.**

- At least two (2) business days before making any changes to the posted authorized list – whether to products, to prices, or otherwise – a Bidder shall notify the FSA by mail of its intent to make a change and describe the proposed change. The FSA may, in its sole discretion, prohibit any requested change or direct a Bidder to undo any change already made.
- Changes to the authorized list or to related information (i.e.: ordering information) shall not be deemed Contract amendments.
