25
26
27
28
WHEREAS, the 2011 Florida's legislature enacted House Bill 883 (Florida Chapter 2011-119, Laws of Florida)(hereafter "HB 883") which preempted the local regulation of specific land use commonly called short-term vacation rentals (transient rentals less than thirty (30) days in duration and commonly located in residential areas); and

23
24
25
26
27
28
WHEREAS, the 2014 Florida Legislature enacted Senate Bill 356 (Florida Chapter 2014-71, Laws of Florida) (hereafter "SB 356") which rescinded the previous preemption on local regulation of short-term vacation rentals, but provided that a local law, ordinance, or regulation adopted after June 1, 2011 may not prohibit short-term vacation rentals or regulate the duration or frequency of rental of vacation rentals; and

28
29
30
31
32
33
34
WHEREAS, adoption of SB 356 permits local government to enact legislation to mitigate the effects of short-term vacation rentals in an attempt to make them safer, more compatible with existing neighborhoods, and accountable for their proper operation; and

31
32
33
34
35
36
WHEREAS, the presence of short-term vacation rentals within single-family dwelling units in established residential neighborhoods can create negative compatibility impacts, among which include, but are not limited to, excessive noise, on-street parking, accumulation of trash, and diminished public safety; and

35
36
WHEREAS, many local jurisdictions in the State of Florida and across the nation have standards in place to minimize the negative impacts caused by short-term vacation rentals; and

WHEREAS, the City desires to encourage short-term vacation rentals that are safe, protect the character and integrity of the neighborhood, provide positive impacts on the community, increase property values, and achieve greater neighborhood compatibility; and

WHEREAS, the City seeks to balance respect for private property rights and incompatibility concerns between the investors/short-term vacation rentals and families/permanent single-family residences in established single family residential neighborhoods through the use of reasonable development and regulation standards; and

WHEREAS, these standards are deemed necessary by the Mayor and the City Commission of the City of Hallandale Beach to preserve property values and to protect the health, safety, and general welfare of permanent residents, lot/parcel owners, investors, and transient occupants and visitors alike; and

WHEREAS, the application of these minimum standards to short-term vacation rental properties located in single family zoning districts ensures that transient occupants are provided the same minimum protections as is required by the current statutes and codes for transient uses; and

WHEREAS, the Mayor and City Commission have determined that it is not necessary to apply the regulations set forth in this ordinance to vacation rentals located in multifamily zoning districts and condominiums because multifamily housing is typically built to a more stringent standard and condominiums are required to be governed by an association which provides its own necessary regulations on rentals; and

WHEREAS, Mayor and City Commission have determined that this program shall apply to properties located within the City's RS-5, RS-6, and RS-7 single family Zoning Districts, both currently and in the future.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION
OF THE CITY OF HALLANDALE BEACH, FLORIDA:
