**RE: Hallandale Beach Community Redevelopment Agency Commercial Façade Improvement Program
Application -Status of Application**

Dear Mr. Cornel Hanes,

On February 28, 2019 the Hallandale Beach Community Redevelopment Agency (HBCRA) received your completed application for the Commercial Façade Grant Program (CFIG). Per the Program policy, applications will be reviewed, and the applicant will be notified if there is any missing information or deficiencies in terms of program requirements. As stated in the application, there is no guarantee of funding. Throughout the review process, Ms. Allie Hanes was also made aware that the HBCRA Board of Directors made the Fashion, Arts and Design District a priority for funding.

Due to funding limitations in the fiscal year 18/19 the HBCRA Commercial Investment Program funding is no longer available to any more applicants, as the funds have been depleted. The HBCRA would like to issue a refund of the application fee. Full funding for the program will be available in the next fiscal year.

Should you have any questions or concerns please feel free to contact me at 954-457-1384 or fphinn@cohb.org.
