To Whom It May Concern,

TLC Diversified, Inc. has one (1) Litigation Claim pending. The Claim is: TLC Diversified, Inc. v. The City of Naples, Florida, Collier County, Florida Case No. 11-2018-CA-003703-001-XX.

Tray Batcher, Esq., Cotney Construction Law, LLP, 3110 Cherry Palm Drive, Suite 290, Tampa, Florida 33619, 813-579-3278 is Counsel for TLC Diversified, Inc.

Sara Hall, Esq., Roetzel, 850 Park Shore Drive, Trianon Center – 3rd Floor, Naples, Florida 34103, 239-649-6200 is Counsel for The City of Naples

December 03, 2018: Discovery is ongoing: The Court has set a Case Management Conference for August 30, 2019 which can be resolved by written agreement. The Issue: One (1) of several pumps specified for install, on the underlying project to upgrade the City's storm water management system, was declined by the City. The pump operates, but slightly under maximum intended capabilities. As a result, the City has refused to release all retainage owed on the project. The withheld retainage is a significant sum. TLC maintains that it ordered and installed the specified pump from the manufacturer, which is a very straight-forward process. Specified equipment failing to function at 100% in the designed environment is not a construction failure, but a design error. TLC objected to being held financially responsible for design error and attempted to negotiate with the City for approximately five (5) months prior to initiation of litigation. TLC also requested early mediation in the litigation.

Respectfully submitted,

Dalas Lamberson

Domestic Partnership Certification Form

This form must be completed and submitted with Bidder's submittal.

Equal Benefits Requirements As part of the competitive solicitation and procurement process a Contractor seeking a Contract shall certify that upon award of a Contract it will provide benefits to Domestic Partners of its employees on the same basis as it provides benefits to employees' spouses. Failure to provide such certification shall result in a Contractor being deemed non-responsive.

Domestic Partner Benefits Requirement means a requirement for City Contractors to provide equal benefits for domestic partners. Contractors with five (5) or more employees contracting with City, in an amount valued over \$50,000, provide benefits to employees' spouses and the children of spouses.

The Firm providing a response, by virtue of the signature below, certifies that it is aware of the requirements of City of Hallandale Beach Ordinance 2013-03 Domestic Partnership Benefits Requirement, and certifies the following:

Check only one box below:

- ☒ 1. The Bidder certifies and represents that it will comply during the entire term of the Contract with the conditions of the Ordinance 2013-03, Section 23-3, Domestic Partner Benefits Requirement of the City of Hallandale Beach, or
- ☐ 2. The Bidder does not need to comply with the conditions of Ordinance 2013-03, Section 23-3, Domestic Partner Benefits Requirement of the City of Hallandale Beach, because of allowable exemption: **(Check only one box below):**
 - ☐ The Bidder's price for the contract term awarded is \$50,000 or less.
 - ☐ The Bidder's employs less than five (5) employees.
 - ☐ The Bidder's does not provide benefits to employees' spouses nor spouse's dependents.
 - ☐ The Bidder is a religious organization, association, society, or non-profit charitable or educational institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association or society.
 - ☐ The Bidder is a government entity.
 - ☐ The contract is for the sale or lease of property.

- ☐ The covered contract is necessary to respond to an emergency.
- ☐ The provision of Ordinance 2013-03, Section 23-3 Definition, of the City of Hallandale Beach, would violate grant requirements, the laws, rules or regulations of federal or state law.

DESCRIPTION OF PROJECT

This project involved the new construction of a sodium hypochlorite, aluminum sulfate, and powder activated carbon storage and feed systems at the Olga WTP in Lee County. Our work included providing temporary chemical feed and PAC feed systems during construction to meet MOPO requirements of the plant. We constructed a new storm water retention pond, new asphalt driveways, all new electrical upgrades, concrete foundation for the PAC and Alum facility as well as a metal building to cover the three 10,000-gallon Alum bulk storage tanks. We furnished and installed a 42-foot-tall PAC silo along with a precast building for the instrumentation portion of the project.

SECTION E – BID SUBMITTAL FORM**FLORIDA TRENCH SAFETY ACT****CERTIFICATION AND DISCLOSURE STATEMENT**

The undersigned acknowledges the requirements of the Florida Trench Safety Act (Section 553.60 et. seq. Florida Statutes).

- A. The Bidder further acknowledges that the Florida Trench Safety Act, (the Act) establishes the Federal excavation safety standards set forth at 29 C.F.R. Section 1926.650 Subpart P, as the interim state standard until such time as the state of Florida, through its Department of Labor and Employment Security, or any successor agency, adopts, updates, or revises said interim standard. This State of Florida standard may be supplemented by special shoring requirements established by the State of Florida or any of its political subdivisions.
- B. The Bidder, as Contractor, shall comply with all applicable excavation/trench safety standards.
- C. The contractor shall consider the geotechnical data available from the County, if any, the Contractor's own sources, and all other relevant information in its design of the trench safety system to be employed on the subject Project. The Contractor acknowledges sole responsibilities for the selection of the data on which it relies in designing the safety system, as well as for the system itself.
- D. The amounts that the Bidder has set forth for pipe installation includes the following excavation/trench safety measures and the linear feet of trench excavated under each safety measure. These units, costs, and unit values shall be disclosed solely for the purpose of compliance with procedural requirements of the Act. No adjustment to the Agreement Time or price shall be made for any difference in the actual number of linear feet of trench excavation, except as may be otherwise provided in these Contract Documents.

Bidder may use additional sheets as necessary to extend this form. Failure to complete the above may result in the bid being declared non-responsive.

- E. The amount disclosed as the cost of compliance with the applicable trench safety requirements does not constitute the extent of the Contractor's obligation to comply with said standards. The Contractor shall extend additional sums at no additional cost to the County, if necessary, to comply with the Act (except as otherwise be provided).
- F. Acceptance of the bid to which this certification and disclosure applies in no way represents that the County or its representatives has evaluated and thereby determined that the above costs are adequate to comply with the applicable trench safety requirements nor does it in any way relieve the Contractor of its sole responsibility to comply with the applicable trench safety requirements.
