Narrative description of accomplishments of nominee:

Broward County Library is deserving of the City of Hallandale Beach's because when COVID-19 crisis closed the buildings of Broward County Library to the public, including the Hallandale Beach Branch Library and the Foster Park Community Center Micro-Library, library staff continued to provide outstanding customer service when the community needed it the most. This included providing free online resources for entertainment, education, employment and enrichment; offering curbside Walk-up/Drive-up library services; handing out free grab-and-go summer meals to students and their families and producing protective facial coverings to be used in the community.

In March 2020, when concerns about the spread of the coronavirus led to safer-at-home orders and the closing of businesses, schools and public buildings, Broward County Library immediately transitioned to a fully online virtual library offering services that are available anytime and anywhere. The first step in that transition was listening to library customers and to the community. Library Marketing staff created a survey that invited customers to share openly their fears, concerns and needs regarding COVID-19.

The survey ran until late May 2020 and received 500 responses. Many people expressed concerns about

unemployment, boredom, mental health issues, homeschooling and personal finance. Their responses were used to shape a marketing/communications campaign designed to let customers know about the Library's many free resources, products and services to entertain, inform, educate and assist them with the issues they were facing. This campaign included direct, twice-weekly emails to the Library's 160,000 email subscribers that featured information about such services. It was highly successful as evidenced by a 20.5% increase in circulation of the Library's online resources from May 2019 to May 2020. Remote learning limited access to school libraries and textbooks, so many students turned to the Library's Axis 360 collection of eBooks for youth. Over 65,000 eBooks for children and teens were checked out between March and May 2020. Additionally, there were 13,814 new registrations for online e-library cards from March 5 through June 12, 2020.

To provide additional online content, librarians and library support staff created original video programming for BCL's Facebook and Instagram pages, Twitter feed and YouTube channel. Viewers can tune in to watch a sensational story time, librarian's book review or a knitting tutorial. Links to these videos are included in the customer emails and there are now over 30 videos available, with more in production. The videos have received more than 12,000 views on YouTube alone.

In addition to video programs, Broward County Library also began offering live, online events in May. These included parenting discussions with local news icon Laurie Jennings, interactive children's shows, cultural presentations, business workshops, book discussions and more. Broward County Library's annual Summer Library Program was also moved online and promoted via emails to customers. There are currently 5-8 new online programs and events held weekly, all free and open to the public.

While the library was closed to the public, staff at Broward County Library's Creation Station makerspaces created 325 protective facial masks and over 1,500 mask fasteners. These were distributed to Broward Health, Broward County Elderly and Veterans Services and to the Broward Sheriff's Office - Strategic Investigation Division. The project was covered in a May 11 post on The Internet Archives Blog. Librarians and library paraprofessionals also worked hard on essential projects including shelving, organizing materials and creating video and online programs.

As stay-at-home restrictions eased in May, BCL also opened curbside Walk-up/Drive-up Library services at 36 libraries throughout Broward County including Hallandale Beach Branch Library and Carver Ranches Branch, located in nearby West Park. The service, which was featured on WLRN Public Radio & Television, allows customers to pick up and return physical materials, the next phase before physical buildings reopen to the public. Almost 2,000 customers have used the service, which has been a lifeline to those who either need or prefer physical library materials.

During the summer, Broward County Library provided free meals to young people living in Hallandale Beach via their grab-and-go summer meals for kids. Hundreds of meals were provided to students living in Hallandale Beach via pick up service at Carver Ranches Branch in nearby Pembroke Park.

Broward County Library also received positive coverage in two of South Florida's major news outlets. An April 2, 2020, article in the Miami New Times outlined the successful transition of South Florida libraries, including Broward County Library, from in-person to online services. An April 28, 2020, article in the Sun Sentinel, "Library's Free Instant eCard Gives Readers At-Home Access," featured the Library's digital library card as well as its online resources.

While the first half of 2020 has been challenging for all, Broward County Library staff worked diligently to provide what our customers needed, when and where they needed it. By promoting online library resources, creating original video and online programming, providing virtual reference assistance and by simply listening to what our customers and community are saying, Broward County Library is able to continue to offer outstanding customer service throughout the COVID-19 crisis and beyond.

Eve Paul is a young lady who lives in North West Hallandale and graduated from Hallandale High School. She has great knowledge and skills related to business development. She created and executed two training classes to assist local residents in learning how to create their own business, and how to sell their brand. This was done free of charge to the community.

Eve was instrumental in developing the online platform of My Hometown to link Hallandale Beach residents with activities and updates that are going on in the City and to encourage residents to engage in the community. All of this without any payment to her or the group.

Eve has a heart for the community, she jumps in to bring her Millennial skills to help bridge the communication gap between the youth and adults.

She deserves to be honored with the Martin Luther King Jr Humanitarian Award.

Humanity First is a leading international human development and disaster relief organization impacting more than 4.5 million lives.

Local chapter of Humanity First has been an avid supporter of humanitarian efforts in Hallandale Beach.

Here is a summary of how it has served the citizens of Hallandale Beach:

- Monthly Food Pantry that serves approx 40 families

- Adopted Gulf Stream Academy under its "Our Kids, Our Future program" and donated uniforms, school bags and school supplies.

Activities at Austin Hepburn Center:

- Donated non perishable food.
- Turkeys during Thanksgiving.
- Christmas gifts for families under "Adopt A Family" program.
- School bags and supplies for the After School Tutorial Enrichment program.
- Gifts for seniors

During the pandemic:

- Cooked and served Hot meals for 300 families
- Donated hand-made and surgical masks, wipes, gloves and hand sanitizers
- Gift bags for children

Due to the consistent and most needed projects of Humanity First in the City of Hallandale Beach, I nominate it for the Dr Martin Luther King Jr Humanitarian Award.

As a coworker colleague and friend I have known Ida Smith to always exemplify a passion for humanity and in making a difference. She makes no secrets about the pride she takes in having been born and raised in Hallandale and now employed by the city. During her tenure with Broward County Parks and Recreation, she was recognized for numerous initiatives and accomplishments to include but not limited to Employee of the Month, Employee of the Year and Unsung Hero. All awards and recognitions were earned and well deserved. Ida is a proud member of her church Higher Vision Ministries where she actively participates in both in house and community activities and events. She is also a proud public servant (Recreation Supervisor) for the City of Hallandale. Because of Ida commitment and dedication to making a difference in and around the communities she serves, makes her a most deserving nominees and recipient of this prestigious award.

Narrative description of accomplishments of nominee:

She is a mother and grandmother, her nurturing extends beyond her family by birth. The love (motherly) voice of caring is demonstrated in all that she does at work for the City of Hallandale Beach, when is working with the residents or young children needing to be loved and inspired.

Her work at the Parks and Recreation provides all is always with a pleasant greeting to offer assistance to every member of the community, while as a poll assistant when you see her the feeling of reassurance of safety is emitted.

She is surly guided by her faith, as a member of Higher Vision Ministry she offers of her self without the thought of what she will receive. She is a voice of the voiceless, a beacon of courage, while calmly/quietly doing the work to benefit others without looking for acknowledgements of praise.

She is our blessing from God, I am thankful and appreciative of her very presence in our lives and city.

Narrative description of accomplishments of nominee:

Mrs. Ida Mae Smith was a long time resident of Hallandale and employee with the city of Hallandale with Parks and Recreation. She embodies the heart of this community. She has made such a positive impact on kids in this community and the mother we all need. She always goes above and beyond the call of duty always giving of herself. Children love her and adults respect her. She always stands for what is right despite the status quo. She has established herself to be a trusted source in the community for kids and residents. Her personality is larger than life but so is her heart. She's loyal and a true friend. She will work a full day and still be the first person to help and last to leave. You don't find that dedication in a lot of people. She takes the time to listen to whatever problem you're having. She will pray with you and be there for you. In the spirit of Dr. King, she takes ownership of the neighborhood and shows love. The city of Hallandale should consider themselves blessed to have Mrs. Ida Mae Smith a member of the City of Hallandale Beach staff but we are beyond grateful to have her as a daughter in this community.

DR. MARTIN LUTHER KING JR.

Narrative description of accomplishments of nominee:

James has always taken pride in everything he does. James is a highly motivated working American that worked in Hallandale Beach as an employee at Fix Apple Now as a apple technician for phone and computer repairs during non military training days.

During military training he focuses his experience and skills with the Florida National Guard out of Ft. Lauderdale as an Army mechanic Many people knew him as a friendly individual. When the Covid-19 pandemic hit. Him and his Unit was immediately activated for support for the state of Florida for a testing site and response mission to aid in covid-19 testing. James has been on aid support/training since April. The mission has been non stop. Has been complicated for me as I only get to see him once in a while. But I support his pride and motivation to support the state of Florida, the people, as well as defending the country in the time of need.

Narrative description of accomplishments of nominee:

Jessica Sanders is a mighty lovable caring devoted faithful WOG. She always show genuine loving concern for the well-being of others. Wife, 1st Lady, Mother, Caring Daughter/Sister, Pillar of the community, Friend, Determined, Consistent, Faithful Servant of God & those around her are just a few of the many hats she wears & she wears them all well. She's the wife of Dr Pastor Anthony Sanders, Higher Vision Ministries. Jessica possess all of the characteristics of a good & noble wife(Proverbs31:10-31). As First Lady of HVM, her leadership guidance, genuine love & counsel is phenomenal; she goes the extra mile, always giving of herself from her heart. As a nurturing mother, she goes overboard in the rearing & well-being of not just her children/grands, but of so many other children & young adults. She's that Phenomenal Woman characterized in Maya Angelo's poem. Jessica is like the energized bunny, she keeps on going. Her servant-hood goes beyond the church in the many ways she blesses the people of Hallandale Bch(charitable events, food/clothing, education, jobs, financial assistance, etc. A true Humanitarian: God, Family, Servant & the blessing & love of others. Her inner beauty comes from the Lord & flows outward.

Narrative description of accomplishments of nominee:

When I think of Jessica Sanders, I met her shortly after loosing my husband, when I began attending Higher Vision Ministries. Since then she has welcomed me, a widow that also lost my church home and I was so broken. Although she is much younger than me she embraced me like she knew me forever. She would open her home to the women of the community and the church with activities like Tea Party and fancy hats exposing the young women to different experiences. For a moment it felt like we weren't going through tough times. She always has a way of showing she cares through a simple question, it's like she knows something is heavy on your heart. Even though she was going through her own life challenges she never put herself in the front she always put others. She has shared Pastor Sanders and her family not just with the church but with the community and she does it with grace. She is a secret giver, she will see someone in need and quietly go and get just what they need but will never share that. She is an amazing mother, wife, friend and woman of God who goes above and beyond. Many kids in this community wouldn't even be looking at college if it wasn't for her. And while she is a mother of 4 she has raised the entire community. Never closing her doors or refrigerator to kids in need. Her house has been the community's house. It is with great honor that I nominate Jessica Sanders for the MLK Humanitarian Award.

Narrative description of accomplishments of nominee:

Lady Jessica's life's work has been dedicated to helping the community. She works in the area of social service and makes sure to help the residents in Hallandale to get much needed resources. She counsels people from all walks of life and have never taken a payment for her gift. For 21 years she has been the leader in providing opportunities to this community by establishing a longstanding Back To School Giveaway, activities, social services resources education and food relief. She continues to give of herself as the Lady of the church and beyond the church. She mentors young women through life, love and leadership. Anyone who is surrounded by her will be challenged to live a life filled with purpose and excellence. She is the unsung hero, a champion without the glory and despite her many accomplishments is often overlooked. She never does anything for the recognition, she does it because she knows it's needed. She has the heart of a servant leader, the soul of a mother and the spirit of soldier. This community wouldn't be what it is without her Tough Love and good counsel. Among all of this she was the original founder of the nonprofit Eagle's Wings and is the founder of Higher Vision Ministries. To me she has been a spiritual mother, a sister and a true friend. I can't think of anyone better than Jessica E. Sanders who is more deserving and that exemplifies the very essence and spirit of the Dr. Martin Luther King Jr. Humanitarian Award.

Narrative description of accomplishments of nominee:

In 2018, I had the pleasure of meeting Mr. Washington as a participant of the CareerSource Broward Summer Youth Employment Program where I was able to gain work experience and be paid for on-the-job-training. Never did I image, he would become my mentor and help drive me in the right direction to build my future.

Mr. Washington was the one who inspired me to actually go to a large University and realize my true potential. I remember him inspiring me with the words, "It would be a waste just to go to a Community College, when you have a awesome GPA and brains for a larger school". Not only did he give me the confidence to continue college, but along the way he continues to inspire me on my journey of a bright path. Mr. Washington lit the match and illuminated the route for me to walk in my greatness! I appreciate him so much for his dedication to mentor young people like myself.

Me Washington is a member of the 100 Role Models, the Miami Dolphins Foundation, and so many other entities which help give back to others.

Throughout the COVID-19 Pandemic, Mr. Washington, with others saw a need to feed the less fortunate and birth the vision to reality. Under the Miami Dolphins Foundation Mr. Washington coordinated and held many food distributions throughout Hallandale Beach where they used minority businesses to prepare delicious food and give it to the Hallandale Beach community during various Food Distributions.

Mr. Washington is a quiet leader in the Hallandale Beach community, and he is worthy of being the next Dr. Martin Luther King, Jr. Humanitarian Award Winner!

Narrative description of accomplishments of nominee:

We've been serving and supporting our local community for over 60 years. We've teamed up in numerous

occasions with other local nonprofit volunteer organizations, our First Responders, our Chamber of Commerce and our City to help.

Some of our commitments have been:

Annually awarding Scholarships to our Hallandale students.

Donating and equipping the kitchen and laundry appliances for The Family Center in Hallandale Early Childhood Learning Center and also helping paint the classrooms and common areas.

Volunteering in Community Beach and Park Clean Ups organized by the City of Hallandale Green Initiatives.

Annual Pancake Breakfast supporting our Fire Department's Benevolent Fund.

Turkey give away at our local Hallandale School.

Annual Santa Sleigh candy give away in our City of Hallandale neighborhoods and participation in Holiday in the Parks events.

Organizing donations and sending recovery efforts for Bahama's Hurricane Disaster Relief along with The City of Hallandale and Parks & Rec.

Being a part of the Post-Disaster Redevelopment Plan for Hallandale organized by Green Initiative with the City of Hallandale.

Donating face masks to our first responders and recently to Honduras.

Donating meals to our healthcare workers in Aventura Hospital during lock-down.

Supporting, partnering and donating to PAL (Police Athletic League), Friends of Hepburn Center, Mobile School Pantry, South Florida Symphony, among others.

If you want to improve our community, change lives, set an example for your children, improve your leadership and management skills, obtain or provide mentor-ship, in a setting that also allows you to grow your business, making lasting friendships and have fun, then let's talk how you can join.
