Caution! This message was sent from outside your organization.

This correspondence is intended to renew the objections outlined on behalf of my client in my May 21, 2019 letter of objection (a copy of which is included in your back up). We agree with the staff recommendation, only to the point of removing the Dixie Highway Lane Elimination from the City's priority list. We however do not believe that it is in the best interest of any party to continue to pursue the lane elimination under any circumstance. Thank you.
