RE: Roofing Products, Services and Job-Order-Contracting Services Contract #R180901

Ms. Jeannot,

Thank you for your interest in OMNIA Partner Cooperative Contract #180901 for Roofing Products, Services and Job-Order-Contracting Services Contract

This letter is to inform participating public agencies of our awarded Cooperative Contract through OMNIA Partners for Roofing and Job Order Contracting services.

OMNIA Partners awarded contract #R180901 to National Roofing Partners and its authorized contractor for Florida, PSI Roofing (see **Table 1 - Authorized Contractor**, Number 50, PSI Roofing) is available for complete Roofing and Job Order Contracting Services.

This contract has been competitively solicited and publicly awarded by a lead government entity. For agencies that utilize our Roofing and JOC Contract, we have implemented a compliance process to include a Cooperative Proposal Number (CPN) system, a proposal registration program. This system will track transactions from the initial proposal stage to the completion of each project and provide consistency and faster service for your agency. This process includes verification of contract compliance and consistency for all pricing. All proposals must include a detailed scope of work and cooperative line item pricing prior to issuance of a purchase order.

All documentation is publicly available online: <https://public.omniapartners.com/suppliers/national-roofing-partners/contract-documentation>

Please contact us at National Roofing Partners if you have any additional questions.

Sincerely,

Tara Adams
