My procurement Department, said that I need to get written permission to piggyback off of the contract. The permission must include the contract number as well. Thanks

Subject: Question regarding OMNIA contract

Hi James. Darin let me know that you were trying to connect with City of Charlotte regarding some questions you had regarding our contract. I have copied Jessica Goforth from OMNIA who is our contract administrator so she should be able to assist or at least point you in the right direction with any questions that you may have.

Let me know if I can help with anything else – thanks!
