*Required Member Qualification.

**Required Statement of Financial Interest (Form 1). The following Board/Committee members are required to disclose their Financial Interest (Form 1) annually:

All Board/Committee members are subject to Sunshine Law training.

Please tell us about yourself (education, profession, personal accomplishments, honors received, hobbies), list your experience relevant to the Board(s)/Committee(s) you are applying for, and provide a brief statement outlining why you wish to serve on the Board(s)/Committee(s) you have selected above.

I am currently on Board of Directors at my over-55 cooperative on the Ocean. As an oceanfront resident,

I am concerned about matters that directly affect my building, as well as others in this community.

I relocated from New York City after a life as a single-parent homeowner on the North Shore of Queens 35 yrs.

Hoping to have time to get back to my hobbies and interests I am following through with daily practice of classical music and various facets of computer science and art. But working on the Board for this building has become a hidden blessing in that I am now forced to study new subjects and practice old skills.

BACKGROUND & EXPERIENCE

I have worked in my profession WNET/Thirteen (MIS Coordinator), the New York Daily News (Confidential Assistant to Publisher and Managing Editors), the Wall Street Journal (Systems Analyst), Dow Jones/Associated Press, Science Direct/Elsevier Science (Help Desk Analyst/Product Development) John Wiley & Sons (Electronic Products Quality Assurance), The Sporting News (Web Ad Traffic Manager). These are the major ones which formed the inner core of my experience. I speak write and read Castillian Spanish, studying Hebrew for 10 years now, interested in Portuguese and French.

I graduated Queensborough Community College, Queens College and other technical schools after for certification as a Certified Network Engineer. I have a comic-satire-illustration web site.

In a nutshell, as a Trainer, Troubleshooting and Systems Analyst for Science and Technology, I was paid organize and manage, provide oversight and guidance on a large scale. I was available during off hours to handle operational escalations of incidents & problems. My studies place me on a very late schedule, so I am not your average 9-to-5 retiree and like it that way. Peace of mind is very important to me, but that doesn't happen in a vacuum, so if I can offer anything to my community I will as I know volunteering is an essential element of this. Currently I am on the Ballot for a second term on our Board of Directors, but that only inspires me to reach out and learn how this community actually works!
