I am a community minded person who enjoys helping people. Former board member of my condo association, former president of the Hollywood Historical Society, founding member of the Hollywood Lions Club, several Chambers of Commerce. I am a wartime veteran and a member of the American Legion. Enjoy walking, nature hikes, bicycling, karaoke, sunshine and ocean

Earned a BS in Mass Communications/TV productions from Towson University, Towson MD. Studied Political science in Heidelberg, Germany, lived in Germany for 6 years and traveled extensively throughout Europe.

Continue to utilize my position as owner of South Florida Video Productions to create community service videos to help our community.

Regarding Parks and Rec Board: I frequently use Scavo Park, and am a big fan of social community, green space, open air and exercise, and would like to assist in the implementation of these for all citizens.

Regarding Transportation: Transportation solutions are a passion of mine, and I would like to have a voice in our city's transportation systems because as it stands now, our traffic situation is a business, health and community liability. Living in Europe and experiencing their transportation solutions has inspired me.

I have enclosed front/back copy of drivers license, it is expired, I have also included extension granted by the state.

I do currently have an open permit to replace my condo flooring, unfortunately it has been almost 2 months trying to get this permit approval...
