Developer will conduct any physical inspections, tests, examinations, studies, and appraisals only on Business Days. Developer may only enter upon the CRA Property, provided (i) Developer provides CRA with at least twenty-four (24) hours prior notice (which notice may be oral or written) of its intent to inspect, test, survey or study, (ii) if requested by CRA, Developer is accompanied by a representative of CRA and (iii) Developer or Developer’s agents or contractors, as applicable, furnishes to CRA a certificate of insurance acceptable to CRA naming CRA as an additional insured and with an insurer and insurance limits and coverage reasonably satisfactory to CRA. Developer and its agents and representatives shall not perform any invasive testing without the prior written consent of CRA, which consent shall not be unreasonably withheld. All inspection fees, appraisal fees, engineering fees and all other costs and expenses of any kind incurred by Developer relating to its the inspection of the CRA Property for itself and/or its lender (collectively, the “Inspection Costs”) shall be the responsibility of and paid for by the Developer.

To the extent that Developer or any of its representatives, agents or contractors damages or disturbs the CRA Property or any portion thereof, Developer shall return the same to substantially the same condition which existed immediately prior to such damage or disturbance. Developer hereby agrees to and shall indemnify, defend and hold harmless CRA from and against any and all expense, loss or damage which CRA may incur (including, without limitation, reasonable attorney's fees actually incurred) as a result of any act or omission of Developer or its representatives, agents or contractors arising from, related to, or in connection with the due diligence inspections including any soil analysis and environmental investigations, other than any expense, loss or damage to the extent arising from any act or omission of CRA during any such inspection and other than any expense, loss or damage resulting from the discovery or release of any Hazardous Substances at the CRA Property for which discovery or release Developer shall have no liability, unless such discovery or release was caused by the negligence or intentional conduct of Developer or its representatives, agents or contractors and/or such Hazardous Substances were brought on to the Property by Developer or its representatives, agents or contractors). Developer shall itself (and shall require its consultants to) keep the CRA Property free and clear of all liens and encumbrances, including but not limited to mechanics' liens, arising out of any of Developer's (and such consultants') activities on the CRA Property, including its consultants' investigations.

**3.2 Termination of Agreement.** Developer shall have until the expiration of the Inspection Period to determine, in Developer's sole opinion and discretion, the suitability of the CRA Property for the Project. Developer shall have the right to terminate this Agreement for any reason or no reason at any time on or before said time and date of expiration of the Inspection Period by giving written notice to CRA of such election to terminate. The CRA shall have the right to terminate this Agreement for reasons related to the environmental condition of the CRA Property at, on or before said time and date of expiration of the Inspection Period by giving written notice to the Developer of such election to terminate. If Developer or the CRA so elects to terminate this Agreement pursuant to this Section 3.2, the Developer shall pay the Inspection Costs whereupon, except for those provisions of this Agreement which by their express terms survive the termination of this Agreement, no party hereto shall have any other or further rights or obligations under this Agreement. If Developer fails to so terminate this Agreement prior to the expiration of the Inspection Period, Developer shall have no further right to terminate this Agreement pursuant to this Section 3.2.

**3.3 Condition of the Property.** Unless this Agreement is terminated by Developer pursuant to Section 3.2 above, as a material inducement to CRA to execute this Agreement, and except as otherwise expressly set forth in this Agreement, Developer agrees, represents and warrants that (i) the Developer will have fully examined and inspected the CRA Property, including the environmental condition of the CRA Property, (ii) Developer will have accepted and will be fully satisfied in all respects with the foregoing and with the physical condition of the CRA Property, (iii) Developer will have decided to develop the CRA Property for the Project solely on the basis of its own independent investigation. CRA shall

not be liable for, or be bound by, any verbal or written statements, representations or information pertaining to the CRA Property furnished by any employee, agent, servant or any other person unless the same are specifically set forth in writing in this Agreement. Except for the representations and warranties expressly set forth herein, all information and documentation relating to the CRA Property that have been provided or that may be provided to Developer during the course of Developer's due diligence investigation of the CRA Property have been maintained by CRA in the ordinary course of CRA's business and Developer acknowledges and agrees that such information and documentation is provided without warranty of any kind, including as to the accuracy, validity, or completeness of any such information or documentation.

**3.4 Pre-Development Plan and Pre-Development Budget.** The parties acknowledge and agree that the CRA has previously approved a pre-development plan and reviewed the budget for the Project prepared by the Developer (as approved by the CRA, the "Pre-Development Plan and the Pre-Development Budget"), which Pre-Development Plan and Pre-Development Budget are attached hereto as Exhibit "C" and by this reference made a part hereof. As used in this Agreement, the defined term Pre-Development Plan shall also include the Pre-Development Budget.

**3.5 Governmental Approvals.** The term "Development Approvals" as used in this Agreement shall mean all City approvals, consents, permits, amendments, rezonings, platting, conditional uses or variances, site plan approval, as well as such other approvals and official actions of the Governmental Authorities which are necessary to develop the Project including approval of the condominium documents by the State of Florida. No later than thirty (30) days after the expiration of the Inspection Period, the Developer shall submit to the CRA for its review and approval (a) a schedule which shall serve as the Developer's time frame for performance with respect to obtaining the Development Approvals and (b) all applications and other submittals required to obtain the Development Approvals, such approval for each not to be unreasonably withheld, delayed or conditioned provided the schedule, applications and other submittals are consistent with the Project. Following such review and approval, the CRA hereby agrees to execute and deliver to the Developer in the CRA's capacity as the owner of the CRA Property all applications and other submittals required to obtain the Development Approvals. If any such documents in which CRA's joinder is requested contain material financial obligations binding (or which may become binding) upon CRA, such obligations must be included in the Pre-Development Budget or Development Budget, as applicable. If this Agreement is terminated, then upon CRA's request, Developer shall withdraw all of its pending applications and terminate all agreements which are terminable and/or withdrawable by Developer, with respect to the Development Approvals, which foregoing obligations shall survive termination of this Agreement. The Developer will be responsible for initiating and diligently pursuing the Development Approvals applications on behalf of the CRA in accordance with the approved schedule. The CRA shall cooperate with the Developer in processing all necessary Development Approvals to be issued by the City as well as all other Governmental Authorities. The parties recognize that certain Development Approvals will require the City and/or its boards, departments or agencies, acting in their police power/quasi-judicial capacity, to consider certain governmental actions. The parties further recognize that all such considerations and actions shall be undertaken in accordance with established requirements of Applicable Laws in the exercise of the City's jurisdiction under the police power. Nothing in this Agreement is intended to limit or

restrict the powers and responsibilities of the City in acting on such applications by virtue of the fact that the CRA may have been required to consent to such applications as the owner of the Property. Nothing in this Agreement shall entitle the Developer and/or the CRA to compel the City to take any action in its police power/quasi-judicial capacity, except to timely process the applications. Subject to Section 11 below, the Developer shall pay for all permit fees, impact fees and all other costs and expenses associated with the Development Approvals and as required by Applicable Laws, which amounts shall be included in the applicable Pre-Development and Development Budget for the Project. The CRA agrees to use its good faith efforts to assist the Developer in expediting the review and approval process with applicable Governmental Authorities. Nothing in this Agreement is intended to, nor shall be construed as, zoning by contract.

3.6 Site Plan. The Developer has previously provided a site plan and elevations to the CRA for the Project as referenced on Exhibit "D" attached hereto (the attached site plan and elevations are collectively, the "Site Plan"). The CRA hereby acknowledges and agrees that the Site Plan is acceptable to the CRA. The foregoing shall in no way constitute or be construed as the approval or issuance of a development order, it being expressly acknowledged and agreed by the Developer that the Site Plan will require separate submission, review, and approval pursuant to the requirements of the City's Code. Except for a Permitted Change (as hereinafter defined), no changes, alterations or modifications shall be made to the Site Plan (either prior to or after approval by the City) without the prior written approval of the CRA, which approval shall not be unreasonably withheld, delayed or conditioned; provided, however such approval may be withheld in the CRA's sole and absolute discretion if the requested change, alteration or modification consists of a Material Change. For purposes of this Agreement, a "Material Change" means and refers to a requested change, alteration or modification to that (i) in the aggregate with all other changes, alterations and modifications increases or decreases the square footage of the condominium building and/or the common areas by ten percent (10%) or more, (ii) changes the number of stories of a building, and/or (iii) deletes any Project amenities. Following approval of the Site Plan for the Project by the City staff pursuant to the City's Code, except for Permitted Changes, the Developer shall not initiate or request review by City staff of any changes or alterations to the approved Site Plan for the Project without the prior written approval of the CRA, which approval shall not be unreasonably withheld, conditioned or delayed. In the event the approval process by the Governmental Authorities results in changes to the Site Plan that materially and adversely impacts the Developer's development scheme, plan, marketability, profitability and/or financeability of the Project, then Developer shall have the right to terminate this Agreement by giving written notice to the CRA whereupon all obligations and liabilities of the parties hereunder shall terminate and the Developer shall pay the Inspection Costs.

3.7 Plans and Specifications; Construction Documents. Following approval of the Site Plan and prior to commencement of any construction for the Project (including any demolition or site work), Developer shall prepare and submit to the CRA for review and its reasonable approval, all design documents prepared or furnished, in connection with the Work (as hereinafter defined) for the Project including, without limitation, architectural, structural, mechanical, electrical, plumbing, fire protection and any other engineering documents necessary for the permitting and construction of the Project for and through all phases of design and

construction (e.g., schematic, design development, and construction) (collectively referred to as the "Plans and Specifications"). The Plans and Specifications shall comply with all Applicable Laws including, without limitation, the Florida Building Code and all design requirements established by the Florida Accessibility Code and the Americans with Disabilities Act. CRA shall provide its written approval or disapproval (specifying the basis for disapproval and/or comments) to any such Plans and Specifications within ten (10) Business Days of receipt of request for same, it being understood that CRA review and approval of the Plans and Specifications as set forth herein is not the review required by the City, but only a general review for compliance with the terms and conditions of this Agreement and, therefore, such review need not be limited to, governmental requirements; provided, however, if the CRA fails to either approve or disapprove (either with or without conditions) the submitted Plans and Specifications within ten (10) Business Days following submittal by Developer to CRA, the Plans and Specifications in the form submitted shall be deemed approved by CRA. Without limiting the foregoing, the approval of the Plans and Specifications pursuant to this Agreement shall in no way constitute or be construed as the approval or issuance of a development order, it being expressly acknowledged and agreed by Developer that the Plans and Specifications will require separate submission, review, and approval pursuant to the requirements of the City's Code and/or its applicable rules and regulations; provided, further, the Developer hereby releases the CRA from any claims, judgments, liabilities, defects, errors and omissions associated with the Plans and Specifications. Once any Plans and Specifications receive the written approval of the CRA or are deemed approved pursuant to this Agreement, such Plans and Specifications shall be deemed the "Construction Documents." The Construction Documents for the Project or any portion thereof shall be signed and sealed by the Developer's design professional and shall consist of: (a) working drawings, (b) technical specifications, (c) schedule for accomplishing improvements, and (d) such other information as may be required by the City in accordance with its Code and as otherwise necessary to confirm compliance with this Agreement. No material changes or alterations (other than Permitted Changes) shall be made to any Construction Documents, without the prior written approval of the CRA. Developer is hereby authorized to make Permitted Changes without CRA approval. A "Permitted Change" shall mean (i) a change which is required to be made to comply with Applicable Laws, including changes required by the City or other Governmental Authorities during the Development Approvals process; (ii) a change which involves only substituting materials of comparable or better quality; (iii) a change required by the failure of the Construction Documents to satisfy field conditions where the change will not have a material adverse effect on the quality, appearance or function of Project; and (iv) a change which is made to correct inconsistencies in various Construction Documents. The Developer shall provide written notice to the CRA prior to making any Permitted Changes except to the extent such Permitted Change is required in an emergency situation, in which event the Developer shall provide notice to the CRA as soon as reasonable possible thereafter. The approval or deemed approval by the CRA of any Plans and Specifications, site plans, designs or other documents submitted to CRA pursuant to this Agreement shall not constitute a representation or warranty that such comply with all Applicable Laws and/or and procedures of all applicable Governmental Authorities, it being expressly understood that the responsibility therefore shall at all times remain with the Developer.

3.8 Proof of Developer Equity; Funding Capacity. Notwithstanding anything herein to the contrary, within thirty (30) days of the Effective Date, Developer shall provide the CRA

with evidence of the Developer Equity in a form and substance acceptable to the CRA in all respects including, but not limited to, proof of funds. If such evidence of Developer Equity is not acceptable to the CRA, in its sole and absolute discretion, the CRA shall have the right to terminate this Agreement by giving written notice to the Developer of such election to terminate. If the CRA so elects to terminate this Agreement pursuant to this Section 3.8, the Developer shall pay the Inspection Costs whereupon, except for those provisions of this Agreement which by their express terms survive the termination of this Agreement, no party hereto shall have any other or further rights or obligations under this Agreement.

3.9 Condominium Documents. The Developer shall be responsible for preparing, or causing to be prepared, the homeowner's documents for the condominium units, including, without limitation, the prospectus, declaration of condominium, purchase and sale agreement and the articles of incorporation and by-laws for the condominium association (collectively, the "Condominium Documents"). The Developer shall be the declarant/developer under the Condominium Documents and shall either self-manage or select a management company to serve as the manager of the condominium association.

#### Section 4. Development Services.

4.1 General Obligations. Subject to the terms and provisions of this Agreement, Developer shall be responsible for the design, engineering, permitting and construction for the Project substantially in accordance with the Construction Documents. In connection therewith, Developer shall provide or cause to be provided and furnish or cause to be furnished, all materials, supplies, apparatus, appliances, equipment, fixtures, tools, implements and all other facilities provided for in the Construction Documents, and shall provide all labor, supervision, transportation, utilities and all other services, as and when required for or in connection with the construction, furnishing or equipping of, or for inclusion or incorporation in the Project (collectively, the "Work"). Developer shall cause the design, engineering, permitting and construction of the Project to be prosecuted with diligence and continuity and will achieve Substantial Completion (as hereinafter defined) of the Work, free and clear of liens or claims for liens for materials supplied and for labor or services performed in connection therewith on or before the applicable Completion Date (as hereinafter defined). The CRA may look to the Developer and/or the applicable design professional, General Contractor and/or subcontractor with respect to any design and/or construction defect claims. For the purposes of this Agreement, "Substantial Completion" shall mean (i) the Project architect shall have certified in his/her reasonable discretion that the Project has been completed substantially in accordance with the Construction Documents subject to punch-list items, (ii) all temporary certificates of occupancy (or their equivalent) and all other certificates, licenses, consents and approvals required for the temporary occupancy, use and operation of the Project shall have been issued by or obtained from the appropriate Governmental Authorities (provided that in order for the Project to be deemed finally completed based upon the issuance of temporary certificates of occupancy [or their equivalent], following the issuance thereof, Developer shall diligently and in good faith proceed to obtain the issuance of all permanent certificates of occupancy [or their equivalent] and all other certificates, licenses, consents, and approvals required for the permanent occupancy, use and operation of the Project, all within the time frames required by Applicable Laws including any legally permitted extension periods) and (iii) all construction costs and other

costs and expenses incurred in connection with the Work have been paid in full or bonded, other than the costs to complete any punch list work or otherwise necessary to obtain the final certificates of occupancy. For the purposes of this Agreement, "Final Completion" shall mean (a) the Project and all Work shall have been fully completed including all punch list items substantially in accordance with Construction Documents, (b) all final certificates of occupancy (or their equivalent) all other certificates, licenses, consents and approvals required for the permanent occupancy, use and operation of the Project shall have been issued or obtained from the appropriate Governmental Authorities, (c) all construction costs and other costs and expenses incurred in connection with the Work including punch list items have been paid in full or bonded, (d) all contractor certificates and final waivers of lien for the Work have been obtained, and (e) all record drawings (other than as-builts to be delivered pursuant to Section 5.7) and electronic files have been delivered to the CRA. Substantial Completion shall occur not later than the Substantial Completion Date (as defined below) and Final Completion shall occur no later than ninety (90) days after the Substantial Completion Date, subject to a day for day extension for events of Force Majeure (the "Project Completion Date" and along with the Substantial Completion Date, the "Completion Dates"). For purposes of this Agreement, the parties acknowledge and agree that the Substantial Completion Date shall be based upon number of calendar days from the issuance of the Notice to Proceed subject only to a day for day extension for events of Force Majeure. Prior to the issuance of an Notice to Proceed, the Developer and CRA shall in good faith negotiate and mutually agree upon the Substantial Completion Date, which Substantial Completion Dates shall then be set forth in a written amendment to this Agreement. If the Developer and CRA cannot agree on the Substantial Completion Date or the CRA Board fails to approve the amendment, then either party may elect to terminate this Agreement upon written notice to the other party, and the Developer shall pay the Inspection Costs, whereupon, except for those provisions of this Agreement which by their express terms survive the termination of this Agreement, no party hereto shall have any other or further rights or obligations under this Agreement. The Notice to Proceed may only be issued following receipt of all Development Approvals necessary for the Project. Developer acknowledges and agrees that Force Majeure does not include delays due to inclement weather (other than tropical storms, hurricanes and tornados) and that the Substantial Completion Date takes into full consideration the effect of inclement weather during the construction period and such effect on both cost and time for completing the Work is accounted for in the Construction Schedule, and the Substantial Completion Date incorporates the Developer's expectation that it may experience general weather delays during construction of the Project.

4.2 Development Plan and Development Budget. Prior to commencing the Work (including any site work), Developer shall prepare a proposed development plan and development budget (as approved by the CRA, the Development Plan) for the Project and submit the same to the CRA for its approval, which approval may be granted or withheld by the CRA in its sole but reasonable discretion. The Development Plan shall include the following information, if not previously provided to CRA: (a) a description in reasonable detail of the development requirements; (b) a line item budget for the estimated cost of the construction of the Work based upon the eighty percent (80%) Construction Documents (as approved by the CRA, the "Development Budget"); (c) a construction schedule which shall be updated throughout construction and shall encompass design and engineering, and all of the trades necessary for the construction of the Work; (d) a description of the Developer Equity (including sources thereof

and proof of funds); (e) such other information as the CRA may reasonably request; and (f) any relevant information provided by the CRA to the Developer. As used in this Agreement, the term Development Plan shall also include the approved Development Budget.

4.3 Construction Contract. Contemporaneously with approval of the Development Plan pursuant to Section 4.2, the Developer shall enter into a general construction contract (the "Construction Contract") with a general contractor (the "General Contractor"), which General Contractor shall be subject to the reasonable approval of the CRA. Prior to entering into each Construction Contract, the Developer shall submit the initial and final forms of the Construction Contract to the CRA for its review and approval, such approval not to be unreasonably withheld, unreasonably conditioned or unreasonably delayed. The Construction Contract shall require the General Contractor to competitively select the contractors providing electrical, plumbing, structural and mechanical services (collectively, the "Major Subcontractors") in the same manner that Applicable Laws would require the CRA to competitively select such contractors. Prior to the advertisement of the solicitation document(s) for the Major Subcontractors, the Developer shall submit the solicitation documents to the CRA for its review and approval. Without limiting the foregoing, the Construction Contract shall provide for retainage in the statutory amounts for public contracts and otherwise reasonably acceptable to the CRA and the Developer. The Developer shall also include in the Construction Contract and all other direct contracts for the design, engineering, construction, administration, and inspection of the Work (a) an indemnity, release and hold harmless agreements by the General Contractor, Major Subcontractors, design professional, consultant, contractor or subcontractor (for themselves and their agents, employees, invitees and licensees) in favor of the CRA relating to their acts or omission arising from, related to, or in connection with their portion of the Work, (b) a requirement that the CRA be copied on all notices of default from the Developer to the General Contractor, Major Subcontractors, design professional, consultant, contractor or subcontractor, and vice versa, (c) the consent of the design professional, consultant, contractor or subcontractor to the assignment of the applicable contract by the Developer to the CRA, at the CRA's option, in the event of an uncured default by Developer, and the assumption of the applicable contract by the CRA (subject to Lender's rights); provided, however, that as between the CRA and Developer, the Developer shall remain responsible for any loss or damage relating to its default, which loss or damage may be cured by making a claim on the Bonds, following written notice by CRA to Developer and a reasonable opportunity to cure as appropriate in the context of the default. Nothing contained herein shall, however, create any obligation on the CRA to assume the Construction Contract or any contractor contract or consultant contract or make any payment to any contractor or consultant unless CRA chooses to request contractor or consultant to perform pursuant to this Section 4.3 or as otherwise provided in this Agreement, and nothing contained herein shall create any contractual relationship between the CRA and any contractor, subcontractor, consultant or subconsultant (other than the benefit in favor of the CRA of certain provisions as set forth in the applicable contracts).

4.4 Financing of Project. The Developer shall be obligated to close on the Construction Loan with the CRA. The failure of the Developer to close on the Construction Loan shall be considered a material default of this Agreement entitling the CRA to its rights and remedies hereunder.

4.5 Conveyance of the Property. The Property shall be conveyed to Developer within thirty (30) days following fulfillment to the satisfaction of the CRA of the following conditions: (a) an Event of Default on the part of Developer has not occurred or circumstances exist that with the giving of notice would constitute an Event of Default on the part of Developer, (b) all Development Approvals necessary for the Development for the Project have been obtained issued, (c) the CRA has issued the Notice to Proceed, (d) the Developer has provided satisfactory proof of the Developer's Equity contribution, (e) that the CRA and Developer have closed on the Construction Loan, (f) a completion guaranty for the Project in form and substance reasonably acceptable to the CRA and its legal counsel from an entity or individual reasonably acceptable to the CRA, taking into account the combined assets of such entity and/or individual has been provided and (g) a covenant is to be recorded in the Public Records simultaneously with the Deed (as defined below) pursuant to which (i) the Developer agrees to (i) that the Property shall remain a residential condominium for a minimum period of fifteen (15) years and (ii) if (i) is violated the individual principal members of the Developer agree to pay to the CRA the value of the Property (i.e., \$31,300.00) with such amount amortized on a straight line basis over the fifteen (15) year period, which covenant shall be in form and substance reasonably acceptable to the CRA and its legal counsel. The conveyance of the Property by the CRA to the Developer shall be by Special Warranty Deed (the "Deed") and subject to all matters of record including, but not limited to, the covenant in subsection (g) and the Declaration of Restrictive Covenants set forth below and otherwise on an "AS-IS" "WHERE-IS" basis with no representations or warranties of any kind whatsoever except for title as set for in the Deed. The CRA shall also provide an owner's affidavit as well as other documents reasonably required by the title company to provide Developer with an owner's title insurance policy. In addition to the foregoing, the Developer agrees to accept title to the Property subject to a perpetual Declaration of Restrictive Covenants prepared by the CRA's legal counsel and in a form and substance acceptable to the CRA in all respects that provides for, among other things, (a) the maintenance, repair and replacement of the Project so that it remains consistent with the Site Plan for a period of fifteen (15) years and (b) the prohibition of certain uses including, but not limited to, (i) a convenience or check cashing store, (ii) gas station or automobile repair facility, (iii) billiard parlor, night club or other place of recreation or amusement, (iv) any business serving alcoholic beverages except in conjunction with a restaurant operation, (v) a discount, variety, general or "dollar" store, (vi) a grocery store or supermarket, (vii) adult entertainment, adult bookstore or other store catering to adults only, (viii) smoke shops, (ix) pawn shop, (x) any business or facility used in growing, delivering, transferring, supplying, dispensing, dispersing, distributing or selling marijuana, whether by prescription, medical recommendation or otherwise, and whether consisting of live plants, seeds, seedlings or processed or harvested portions of the marijuana plant; or (x) any combination of the foregoing uses. At any time prior to the conveyance of the Property to the Developer, the Developer may engage in marketing and presales at its cost and expense, as it deems necessary and appropriate.

4.6 Community Benefits Plan. The Developer acknowledges and agrees that an integral element of the Project is a Community Benefit Plan, which will be organized and managed by the CRA. The Developer hereby agrees to use commercially reasonable efforts to achieve the CBP goal of twenty five percent (25%) of the total cost of the Project construction with a primary focus on hiring the workforce from within the City including the hiring of a Hallandale Beach General Contractor, Hallandale Beach subcontractors, Hallandale Beach

residents, or any combination thereof in order to reach the twenty five percent (25%) CBP commitment. The City has established an Administrator (Hallandale Opportunities Project Administrator, or "HOP Administrator") to oversee all contracts with CBP commitments. The Developer shall submit its draft CBP to the HOP Administrator, and will thereafter work with the HOP Administrator to reduce the CBP to final form acceptable to the HOP Administrator. The HOP Administrator will be responsible for tracking the Developer's compliance with its CBP throughout the duration of the Project, and reporting such compliance to the CRA Board and City Commission. To the extent that the Developer needs assistance in meeting its CBP commitment, the HOP Administrator will serve as a resource to the Developer by providing points of contact to pursue in order to achieve their established goals (local vendor participation or local workforce hiring). It is noted, however, that development of the CBP remains the sole responsibility of the Developer, as does compliance with the approved CBP. In the event that the HOP Administrator determines, at such time and in accordance with such procedures as the CBP shall establish, that the Developer has not met its CBP commitment, then the Developer shall pay to the CRA a portion of the City's cost of the HOP Program in an amount equal to (x) the difference, expressed as a percentage, between twenty five percent (25%) and the actual local workforce hiring percentage achieved by the Developer, multiplied by (y) the City's estimated total cost of the HOP Program in the amount of Three Hundred Fifty Thousand and 00/100 Dollars (\$350,000.00). By way of example, if the Developer only achieves a local hiring percentage of twenty percent (20%), then the Developer shall pay the CRA five percent (5 [25 minus 20]%) of Three Hundred Fifty Thousand and 00/100 Dollars (\$350,000.00), or Seventeen Thousand Five Hundred and 00/100 Dollars (\$17,500.00). The failure to pay such amount due as set forth in the preceding sentence within thirty (30) days following written request therefore shall be considered a material default hereunder entitling CRA to its rights and remedies set forth in Section 8.3 below and, in addition, the City may withhold any permits and/or certificates of occupancy (including a temporary certificate of occupancy) until such amount is paid in full. The Developer and the CRA acknowledge and agree that no commitment by the Developer to the CBP is intended, nor shall it be deemed or construed, to (a) replace, supersede, alter, amend and/or diminish any requirements of Applicable Laws and/or (b) place any affirmative obligation upon Developer in violation of Applicable Laws. Notwithstanding anything herein to the contrary, the General Contractor shall not be required to contract with any party that is (a) unlicensed, (b) uninsured or underinsured, (c) not financially stable, and/or (d) does not meet the bonding requirements of the General Contractor's surety.

4.7 Marketing and Sales. The Developer shall be solely responsible for the marketing and sale of all of the condominium units included in the Project, which marketing and sales shall be undertaken by the Developer, which may necessitate the need for real estate brokers, agents and related professionals. The Developer shall prepare a marketing plan based upon the proposed sales prices of each of the townhouse units as determined by the Developer consistent with the Developer's vision, assessment of the market and achievable price points (the "Marketing Plan"). The Marketing Plan shall also be consistent with the CRA policies and strategies. The costs and expenses incurred in preparing and implementing the Marketing Plan shall be the Developer's sole responsibility and is a Project expense. As may be necessary in order to facilitate sales of the townhouse units either prior to or during construction, the CRA shall reasonably cooperate with the Developer in connection with the Developer's implementation of the Marketing Plan. The Developer will convey the townhouse units to the

buyers in accordance with the applicable purchase and sale agreements. The Developer shall be responsible for handling the closings of the townhouse units with the buyers including the selection of title insurance agents, preferred lenders and other real estate closing service providers. Without limiting the foregoing, with respect to the sale of the townhouse units, the Developer acknowledges and agrees that this Project is intended to provide new housing opportunities for City residents. Accordingly, the Developer will drive the marketing and sale of the townhouse units to ensure that City residents have ample opportunity to benefit from this Project. To that end, the Developer will utilize coincident with the Marketing Plan an agency providing affordable housing services to identify potential buyers for this Project as well as to assist would be buyers in getting them "mortgage ready".

#### Section 5. Performance of the Work.

5.1 Developer shall commence the Work immediately following the satisfaction (or waiver in writing by all of the parties hereto) of the following conditions: (a) approval of the applicable Plans and Specifications by Governmental Authorities, the issuance of all required Development Approvals and the expiration of any and all appeal periods with respect thereto without the filing of any appeals, including, without limitation, issuance by the City of a building permit authorizing the construction of the Work, (b) the Developer has provided proof of Developer Equity, which Developer Equity is sufficient to fund the costs of the Work remaining to be funded under the Development Budget less the amount of the Construction Loan (c) the CRA and Developer have closed on the Construction Loan, (d) the Development Plan has been approved by the CRA (provided Developer has submitted such to the CRA as required by this Agreement), (e) a written amendment to this Agreement setting forth the Substantial Completion Date has been executed and delivered by the parties, (f) the Construction Contract consistent with the requirements of this Agreement and the Development Plan has been fully executed and (g) the Bonds are in place, and (h) the completion guarantee has been delivered to the CRA. In any case, the Work shall not commence unless and until a Notice to Proceed has been issued by the CRA to the Developer, which Notice to Proceed shall not be issued until receipt of all Development Approvals. The Developer and CRA agree to use their respective good faith and diligent efforts to satisfy the foregoing conditions for which each party is responsible and to otherwise cooperate with each other in this regard; provided, however, if any of the foregoing conditions are not satisfied within one hundred eighty (180) days from the date hereof, the parties shall continue to use their good faith and diligent efforts to satisfy such condition(s) for up to an additional ninety (90) days. If following such good faith and diligent efforts to satisfy such conditions the parties cannot do so by the expiration of the ninety (90) day extension period, unless the parties mutually waive in writing the conditions at issue, then either party may elect to terminate this Agreement upon written notice to the other party, in which case the Developer shall pay the Inspection Costs and the parties shall be relieved of all rights and obligations hereunder, except any rights or obligations that expressly survive termination. Following commencement of the Work, Developer shall diligently pursue in good faith the completion of the Work so that Substantial Completion of the Project is achieved no later than the applicable Substantial Completion Date, subject to extension as provided in this Agreement.

5.2 Prior to commencement of the Work or any portion thereof (including any demolition or site work), Developer shall cause its General Contractor to obtain and deliver to

the CRA, and at all times during the performance of the Work require and obtain performance bonds and labor and material payment bonds reasonably acceptable to the CRA (collectively referred to herein as the "Bonds") for the Project, which Bonds shall be dual obligee bonds in favor of Developer and the CRA. The Bonds shall in all respects conform to the requirements of the laws of the State of Florida and shall (a) name the Developer and CRA as obligees; and (b) be in a form and substance reasonably satisfactory to the CRA and its legal counsel. The surety(ies) providing the Bonds must be licensed, duly authorized, and admitted to do business in the State of Florida and must be listed in the Federal Register (Dept. of Treasury, Circular 570). The cost of the premiums for the Bonds shall be included in the Development Budget. Within ten (10) days of issuance, Developer shall record the Bonds in the Public Records of Broward County, which may be recorded by attaching the same to the notice of commencement.

5.3 Except as may be otherwise expressly set forth in this Agreement, Developer shall be responsible for all costs and expenses for the design, engineering, permitting, construction, administration, and inspection of the Work including, but not limited to, the following: (a) all labor and materials for the construction of the Work; (b) all compensation for the design professionals and engineers (and any other consultants) in connection with the preparation of the site plan, Construction Documents, and other documents; (c) all permit, license, connection and impact fees and other fees of Governmental Authorities which are legally required at any time during the Developer's performance of the Work; (d) all costs associated with the installation, connection, removal, replacement, relocation and protection of all utilities and all related infrastructure including but not limited to water, sewer, stormwater drainage, telephone, cable, or electric; (e) all sales, consumer, use and other similar taxes for the Work, which are legally required at any time during the Developer's performance of the Work; and (f) all royalties and license fees that are legally required at any time during the Developer's performance of the Work. The parties acknowledge and agree that such costs and expenses are to be included in the Pre-Development Budget and/or Development Budget. The Developer shall defend all suits or claims for infringement of any patent rights related to the Work to be performed by Developer hereunder and shall hold CRA harmless from any loss, liability or expense on account thereof, including reasonable attorneys' fees (at both the trial and appellate levels) unless any claim results from an act of the CRA or arises in connection with the CRA performing its obligations hereunder. CRA represents to the Developer that there is adequate water and sewer capacity available to the Property for the Project and that water, sewer and electric connections are available at the Property boundaries.

5.4 The Developer agrees that the Work performed under this Agreement shall be performed in accordance with Applicable Laws including the Florida Building Code.

5.5 The Developer agrees and represents that the direct contracts entered into by General Contractor shall require that (i) the Major Subcontractors, subcontractors, design professionals, engineers and consultants possess the licenses required by Applicable Laws to cause to be performed the Work, and (ii) the Work shall be executed in a good and workmanlike manner, free from defects, and that all materials shall be new (not used or reconditioned), except as otherwise expressly provided for in the Construction Documents.

## **Section 6. Books and Records.**

6.1 The Developer shall maintain complete and accurate books, records and accounts of all costs and expenses incurred in connection with the development of the Project. Upon the request of the CRA, all such books and records of the Developer which relate to the Project shall be available for inspection and audit by the CRA or any of its authorized representatives at all reasonable times during normal business hours. The CRA acknowledges and agrees that such books and records are limited to the books and records of the Developer and not the books and records of the members of the Developer. The Developer shall be entitled to retain such copies of the books and records as the Developer deems appropriate.

6.2 Developer's books and records shall be maintained or caused to be maintained in accordance with Generally Accepted Accounting Principles in a consistent manner, together with the pertinent documentation and data to provide reasonable audit trails for a period of seven (7) years following Final Completion. The foregoing obligation shall expressly survive the expiration or earlier termination of this Agreement.

## **Section 7. Developer's Responsibility for Costs.**

7.1 The Developer shall be responsible for all costs of the Work for the Project, including, but not limited to, labor and materials, but only excluding (a) costs and expenses incurred by the CRA in connection with the performance of the CRA's obligations under this Agreement or the administration of this Agreement by the CRA and (b) costs and expenses incurred as a result of a breach by the CRA of its obligations under this Agreement.

## **Section 8. Default; Termination.**

8.1 **Developer Default.** An "Event of Default" or "default" entitling CRA to its remedies below shall occur by the Developer on the happening of any of the following events:

(a) **Failure to Observe Agreement.** The Developer shall fail to observe, satisfy or perform any material term, covenant or agreement contained in this Agreement and such failure shall continue unremedied for thirty (30) days after written notice thereof from the CRA to the Developer ; provided, however, that if such failure is capable of cure but cannot reasonably be cured within thirty (30) days, such failure shall not constitute an Event of Default so long as the Developer provides CRA with written notice within fifteen (15) days of receipt of the CRA's default notice advising the CRA that the default cannot be reasonably cured within thirty (30) days and specifying the reasons therefore and, within the thirty (30) day period, commences and thereafter is in good faith proceeding diligently and continuously to remedy such failure, but in no event shall any additional time to cure granted hereunder exceed ninety (90) days in the aggregate after Developer 's receipt of the original written default notice; or

(j) Unpermitted Transfer. If the Developer effectuates a Transfer not permitted by this Agreement.

The parties acknowledge and agree that with respect to the Events of Default set forth in subsections (b) through (j) above, Developer is not entitled to any cure period except as may be expressly set forth herein. Upon the occurrence of an Event of Default by the Developer, the CRA may terminate this Agreement upon seven (7) days written notice to the Developer and shall thereafter be entitled to all rights and remedies available at law or in equity on account of such Event of Default.

8.2 CRA Default. An "Event of Default" or "default" entitling the Developer to its remedies below shall occur if the CRA shall fail to observe, satisfy or perform any material term, covenant or agreement contained in this Agreement and such failure shall continue unremedied for thirty (30) days after written notice thereof from the Developer to the CRA; provided, however, that if such failure is capable of cure but cannot reasonably be cured within thirty (30) days, such failure shall not constitute an Event of Default so long as the CRA provides the Developer with written notice within fifteen (15) days of receipt of the Developer's default notice advising the Developer that the default cannot be reasonably cured within thirty (30) days and specifying the reasons therefore and, within the thirty (30) day period, commences and thereafter is in good faith proceeding diligently and continuously to remedy such failure, but in no event shall any additional time to cure granted hereunder exceed ninety (90) days in the aggregate after CRA's receipt of the original written default notice. 8.4 Termination. This Agreement shall terminate upon the occurrence of the earlier of the following events:

- (a) A termination under Section 8.1 or 8.2 above; or
- (b) The completion of the development and construction of the Work and the remaining obligations of the parties under this Agreement with respect to the Project pursuant to the terms and conditions of this Agreement.

## Section 9. Indemnification.

9.1 Indemnification by the CRA. Subject to the provisions and monetary limitations of Section 768.28, Florida Statutes, as such may be amended, the CRA agrees to indemnify and hold the Developer, its managers, members, officers, directors, partners, agents and employees harmless to the fullest extent permitted by law from and against any and all liabilities, losses, interest, damages, costs or expenses (including, without limitation, reasonable attorneys' fees, whether suit is instituted or not, and if instituted, whether incurred at any trial or appellate level or post judgment) threatened or assessed against, levied upon, or collected from, the Developer, arising out of, from, or in any way arising from the negligence, gross negligence, fraud, and/or breach of trust of the CRA or from a failure of the CRA to perform its obligations under this Agreement. Notwithstanding the foregoing, the CRA shall not be required to indemnify the

Developer with respect to any liability, loss, damages, cost or expense suffered as a result of the negligence, gross negligence and/or willful misconduct of Developer.

9.2 Indemnification by the Developer. The Developer agrees to indemnify and hold the CRA, its board members, and employees harmless to the fullest extent permitted by law from all liabilities, losses, interest, damages, costs or expenses (including without limitation, reasonable attorneys' fees, whether suit is instituted or not and if instituted, whether incurred at any trial, appellate or post judgment level), threatened or assessed against, levied upon, or collected from, the CRA arising out of, from, or in any way connected with or arising from the negligence, gross negligence, fraud, and/or breach of trust of the Developer or from a failure of the Developer to perform its obligations under this Agreement. Notwithstanding the foregoing, the Developer shall not be required to indemnify the CRA with respect to any liability, loss, damages, cost or expense suffered as a result of the negligence, gross negligence and/or willful misconduct of the CRA. To the extent this indemnification clause or any other indemnification clause in this Agreement is subject to the provisions of Chapter 725, Florida Statutes, and such does not comply with Chapter 725, Florida Statutes, as such may be amended, such provision shall hereby be interpreted as the parties' intention for the indemnification clauses and to comply with Chapter 725, Florida Statutes, as such may be amended.

9.3 Notice of Indemnification. A party's duty to indemnify pursuant to the provision of this Section 9 shall be conditioned upon the giving of notice by such party of any suit or proceeding and upon the indemnifying party being permitted to assume in conjunction with the indemnitor the defense of any such action, suit or proceeding in accordance with Section 9.4 hereof.

9.4 Third Party Claim Procedure. If a third party (including, without limitation, a governmental organization) asserts a claim against a party to this Agreement and indemnification in respect of such claim is sought under the provisions of this Section 9 by such party against another party to this Agreement, the party seeking indemnification hereunder (the "Indemnified Party") shall promptly (but in no event later than ten (10) Business Days prior to the time in which an answer or other responsive pleading or notice with respect to the claim is required) give written notice to the party against whom indemnification is sought (the "Indemnifying Party") of such claim. The Indemnifying Party shall have the right at its election to take over the defense or settlement of such claim by giving prompt written notice to the Indemnified Party at least five (5) Business Days prior to the time when an answer or other responsive pleading or notice with respect thereto is required. If the Indemnifying Party makes such election, it may conduct the defense of such claim through counsel or representative of its choosing (subject to the Indemnified Party's approval of such counsel or representative, which approval shall not be unreasonably withheld), shall be responsible for the expenses of such defense, and shall be bound by the results of its defense or settlement of claim to the extent it produces damage or loss to the Indemnified Party. The Indemnifying Party shall not settle any such claim without prior notice to and consultation with the Indemnified Party, and no such settlement involving any equitable relief or which might have a material and adverse effect on the Indemnified Party may be agreed to without its written consent. So long as the Indemnifying Party is diligently contesting any such claim in good faith, the Indemnified Party may pay or settle such claim only at its own expense. Within twenty (20) Business Days after the receipt by the Indemnifying Party of written request by the Indemnified Party at any time, the Indemnifying Party shall make

financial arrangements reasonably satisfactory to the Indemnified Party, such as the posting of a bond or a letter of credit, to secure the payment of its obligations under this Section 9 in respect of such claim. If the Indemnifying Party does not make such election, or having made such election does not proceed diligently to defend such claim, or does not make the financial arrangements described in the immediately preceding sentence, then the Indemnified Party may, upon three (3) Business Days' written notice (or shorter notice if a pleading must be filed prior thereto) and at the expense of the Indemnifying Party, take over the defense of and proceed to handle such claim in its exclusive discretion and the Indemnifying Party shall be bound by any defense or settlement that the Indemnified Party may make in good faith with respect to such claim. The parties agree to cooperate in defending such third party claims and the defending party shall have access to records, information and personnel in control of the other party or parties which are pertinent to the defense thereof.

9.5 Survival. The provisions of this Article 9 shall survive the expiration or earlier termination of this Agreement for the applicable Statute of Limitations with respect to the applicable claim.

#### Section 10. Insurance.

10.1 Developer's Insurance. Developer shall provide the following insurance coverages at all times during the Term and furnish a certificate of insurance to CRA evidencing:

(a) Worker's Compensation insurance coverage in accordance with Florida statutory requirements.

(b) Employers' Liability insurance coverage with limits of \$500,000 for bodily injury by accident per accident/\$500,000 for bodily injury by disease per employee/\$500,000 for bodily injury by disease policy limit.

(c) Commercial general liability insurance coverage with limits of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate, which policy shall include coverage of the contractual liabilities contained in this Agreement.

(d) Business Auto Liability including hired and non-owned auto coverage with minimum limits of \$1,000,000 combined single limit.

(e) Builder's risk insurance (including flood insurance) during any period of construction of improvements upon the Property insuring such improvements against all casualties on a progressively insured basis for not less than 100% of the replacement cost.

(f) Umbrella/excess liability insurance coverage, with limits of no less than \$5,000,000 per occurrence and \$5,000,000 in the aggregate.

The certificate shall provide that CRA will be given at least thirty (30) days prior written notice of cancellation of the policy. The cost of the Developer's insurance shall be included in the Pre-Development Budget and Development Budget as a Project expense.

10.2 General Contractor's and Subcontractor's Insurance. The Developer shall cause (a) its General Contractor to maintain and (b) the Construction Contract shall require that all Major Subcontractors and other subcontractors brought onto the Property have insurance coverage in the following minimum amounts:

(a) Worker's Compensation insurance coverage in accordance with Florida statutory requirements.

(b) Employers' Liability insurance coverage with limits of \$500,000 for bodily injury by accident per accident/\$500,000 for bodily injury by disease per employee/\$500,000 for bodily injury by disease policy limit.

(c) Commercial general liability insurance coverage with limits of no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

(d) Business Auto Liability including hired and non-owned auto coverage with minimum limits of \$1,000,000 combined single limit.

(e) Professional Liability Insurance with minimum limits of Two Million Dollars (\$2,000,000) per occurrence with respect to Developer's architects and design consultants.

This insurance will be primary and noncontributory with respect to insurance outlined in Section 10.1. Developer shall ensure that Developer and CRA are named as additional insureds on the independent contractor's Commercial General Liability and Umbrella/excess insurance policies. Developer shall require the independent contractor and its insurers to waive all rights of subrogation with respect to the CRA and the Developer.

10.3 Certificates of Insurance. Developer shall obtain and keep on file Certificates of Insurance for any independent contractors performing services on the CRA's premises. Developer must obtain the CRA's permission to waive any of the above requirements. Higher amounts may be required if the work to be performed is sufficiently hazardous.

10.4 Waiver of Subrogation Rights. CRA and Developer, for themselves and anyone claiming through them, hereby waive all rights of their insurers to subrogation against the other to the extent permitted by law. To the extent commercially available at reasonable rates, the CRA and Developer agree that their policies will include such a waiver or an endorsement to that effect. This mutual waiver of subrogation shall apply regardless of the cause or origin of the loss or damage, including negligence of the parties hereto, their respective agents and employees except that it shall not apply to willful conduct.

Section 11. CRA Unit Subsidy. If at the time of closing of a condominium unit, the appraised value as set forth in an appraisal prepared by a State Certified Appraiser and submitted by the Developer to the CRA (the "Appraised Value") is less than the marketed purchase price of One Hundred Eighty Nine and 00/100 Dollars (\$189,900.00) (the "Marketed Price"), the CRA shall provide a subsidy to the Developer in the amount of the difference between the Marketed Price and the Appraised Value up to a maximum of Twenty Four Thousand Nine Hundred and

00/100 (\$24,900.00) per unit, and Ninety Nine Thousand Six Hundred and 00/100 Dollars (\$99,600.00) in the aggregate for the Project (the "CRA Unit Subsidy") upon and subject to the provisions of this Section 11. Provided (a) that an Event of Default on the part of Developer has not occurred or circumstances exists that with the passage of time and the giving of notice would constitute an Event of Default on the part of Developer and (b) the Developer has delivered to the CRA all necessary and requested documentation evidencing the Developer's right to a CRA Unit Subsidy including, but not limited to, appraisals, purchase agreements and closing statements, then, at the time of closing of the condominium unit, CRA Unit Subsidy shall be evidenced as a credit against the partial release price for that unit to be paid by the Developer to the CRA with respect the CRA Financing. The CRA Unit Subsidy is available on a per unit basis and shall not exceed Twenty Four Thousand Nine Hundred and 00/100 (\$24,900.00) per unit. Without limiting the foregoing, if a CRA Unit Subsidy for a unit is less than Twenty Four Thousand Nine Hundred and 00/100 (\$24,900.00), the remainder of such CRA Unit Subsidy for that unit cannot be applied to another unit. **ADDENDUM NUMBER ONE  
TO DEVELOPMENT AGREEMENT BETWEEN  
HALLANDALE BEACH COMMUNITY REDEVELOPMENT AGENCY ("CRA")  
AND  
MEGA DEVELOPERS, LLC ("Developer")**

**THIS ADDENDUM NUMBER ONE** shall be construed as part of that certain Development Agreement dated as of even date herewith (the "Agreement").

1. **Addendum Number One Controls.** In the event of any conflict between this Addendum Number One and the Agreement, it is agreed that this Addendum Number One shall control.

2. **This Agreement; Defined Terms.** All references herein to "this Agreement" shall include Addendum Number One of the Agreement. All defined term not defined herein shall have the meanings ascribed to them in the Agreement.

3. **Building Area Densification.** Reference is made to that certain Proposal/Contract dated January 14, 2016 by T&F Constructing, Inc. ("T&F") for Building Area Densification attached hereto as Exhibit "A" and by this reference made a part hereof (the "T&F Contract"). As additional consideration for Developer's obligations under the Agreement, the CRA agrees to pay for the work set forth in the T&F Contract in an amount not to exceed Thirteen Thousand Two Hundred Forty and 00/100 Dollars (\$13,240.00) (the "T&F Contract Amount"). The T&F Contract Amount shall be paid by the CRA to the Developer on a reimbursement basis no earlier than the date of the closing of the Construction Loan for the Project.

The request for the reimbursement of the T&F Contract Amount shall be in writing and presented to the CRA by the Developer only after payment has been made by Developer to T&F for the work as set forth in the T&F Contract. The CRA shall have the right to inspect and verify the work as set forth in the T&F Contract. By submitting a reimbursement request to the CRA, the Developer shall be deemed to acknowledge and agree, and represent to the CRA, that (a) the work as set forth in the T&F Contract has been completed in accordance with the T&F Contract and (b) the Developer has previously paid the T&F Contract Amount to T&F.

As a condition of the reimbursement of the T&F Contract Amount, CRA may require the Developer to provide proof of payment as well as any other information and documentation reasonably requested by the CRA. No request for reimbursement shall be made without any requested documentation that is not submitted or is in a form and substance not acceptable to the CRA. The payment of the T&F Contract Amount by the CRA shall not be construed that the work or any portion hereof complies with (x) the T&F Contract and/or (y) applicable law including the Florida Building Code, it being acknowledged and agreed by the Developer that it is the Developer's sole responsibility to ensure the work complies with (x) and (y) above.
