CITY OF TAMARAC
INTEROFFICE MEMORANDUM

DATE: June 24, 2019

THROUGH Mark Mason 
Director of Financial Services

FROM: Keith K. Glatz 
**Purchasing & Contracts
Manager**

**RE: Temp. Reso. #13307 Office
Supplies**

Recommendation:

Award an Agreement to Office Depot, Inc. to provide Office Supplies to the City, and the members of the Southeast Florida Governmental Purchasing Cooperative (Co-Op) and the Omnia Partners, LLC national consortium based on pricing received on Request for Proposal #19-12R for the period October 14, 2019 through October 13, 2023, and approving the termination for convenience of the current Agreement dated October 18, 2016 for the period from October 14, 2019 through October 17, 2019.

Issue:

The City is in need of an agreement for the purchase of office supplies for the City and the members of the Co-Op, with an estimated value of \$100,000 for the City, and an aggregate value of \$4 million for the Co-Op, and up to \$49.8 million annually for all members of the Omnia Partners, LLC national consortium.

Background:

The Current Office Supply Agreement with Office Depot is set to expire on October 17, 2019. The City of Tamarac acts as the lead agency for the Co-Op for the procurement of office supplies. Since 2016, the City has also been the lead agency for the Omnia Partners, LLC (formerly National IPA) national consortium, which includes members from across the United States.

The City issued Request for Proposal # 19-12R on March 5, 2019 which was advertised in the South Florida Sun Sentinel, and online through the City's Bids and Tenders solicitation management web-site, as well as online through the DemandStar.com web-site. As a result of these efforts, 23 firms downloaded the RFP document, however, only two firms responded despite an active recruiting effort on the part of staff. We learned that some of the firms decided not to respond either because they already have a national contract through another consortium, or because they were unable to coordinate national distribution channels. The two (2) firms who submitted proposals which were due on May 9, 2019 were as follows:

Office Depot, Inc.
The Office Cart, LLC

Boca Raton, Florida
Fort Lauderdale, Florida

An Evaluation Committee was formed from public procurement professionals who are members of the Southeast Florida Government Co-operative, as well as the representative who serves as the project liaison for this contract from Omnia Partners, LLC who served in a strictly non-voting advisory role. The Evaluation Committee was chaired and facilitated by the City's Purchasing & Contracts Manager and members included procurement professionals from the cities of Coral Springs, Margate and Sunrise, as well as the Financial Services Purchasing and Contracts Division Procurement Coordinator.

Quantities utilized in this RFP were based on the actual historic usage of Co-Op agencies combined with the estimated quantities from across the nation through Omnia Partners, LLC, and included approximately 500 of the top utilized items, known as “core” items, which were the primary items evaluated in the pricing component. Additionally, the City requested pricing for approximately 2,500 items which are representative of the types of product groups that have been purchased across the nation by members of the Omnia Partners, LLC national consortium. These items are referred to as “market basket” items since they reflect a diverse mixture of the types of items commonly ordered.

The Evaluation Committee convened on May 30, 2019, and evaluated the two proposals against criteria for pricing (50% of the weighted value) and qualifications, availability of items and services provided (also 50% of the weighted value). As a result of this review, the Committee determined that the proposal submitted by Office Depot, Inc. best met the requirements of the City and the Co-op, as well as Omnia Partners, LLC.

Based on the national quantities provided in the bid, the following aggregate pricing was received.

Proposer	Core List	Market Basket	Aggregate	Items NOT Priced
Office Depot	\$23,996,412.27	\$25,835,379.48	\$49,831,791.75	None
The Office Cart	\$44,644,182.38	\$27,862,783.23	\$72,506,965.61	Core: 60; Market Basket: 460

Office Depot also provided category discounts for several categories of supplies, equipment and furniture not included in the core or market basket list as requested by the RFP document. Representative discounts include percentage off of list price discounts of 62% for other office consumables, 75% for white recycled and virgin copy paper, 78% for palletized paper, 60% for toner for re-manufactured toner, which the City has used extensively, 43% for original equipment manufacturer (OEM) toner, 69% for folders, binders and writing instruments, and several other category discounts. The Office Cart did not provide any specific category discounts beyond their core and market basket pricing as requested by the proposal document issued by the City.

Office Depot has been successfully providing service to the members of the Co-Op for over fifteen (15) years. The proposal includes requirements for multiple value-added services such as on-line ordering and next day delivery with easy returns, which have become standard in the marketplace within the past few years; however Office Depot has also provided some additional value-added services including their print and copy services, interior design services for furniture and managed print services, but most importantly they guarantee a 98% order accuracy rate, and a 99.5% price accuracy rate, which is professionally audited on a quarterly basis by a third-party independent accounting firm. The current firm being used by Office Depot to perform this function is Price Waterhouse Coopers, LLC.

Since the inception of our partnership with Omnia Partners, LLC (formerly National IPA) our contract has become the “go-to” contract for the K-12 market and Office Depot provides such diverse materials including materials that assist in curriculum development as well as assessment tools; and featuring a wide range of course material for classroom training up to the college level.

Office Depot has also established multiple sustainability programs including offering numerous environmentally “green” products.

Another part of the overall sustainability efforts by Office Depot, includes the pro-active utilization of minority / women-owned and disadvantaged businesses both as suppliers of office supply materials (Tier 2 Suppliers), and to provide other services under the Agreement in partnership with Office Depot (Tier 1 Suppliers). This program allows for M/WBE and DBE suppliers to take an active part in the Agreement providing product fulfillment and other services to participating entities. An entity taking part in this program will pay an additional percentage fee for their office supply purchases to fund this activity. The typical fee is about ten percent (10%) of the product cost but is open to negotiation between Office Depot, the Tier 1 Supplier, and the requesting entity. Office Depot maintains a

dedicated Vendor Development Team tasked with empowering diverse suppliers by raising their capabilities to generate greater spend. This team was responsible for generating \$121.6 million in spend during 2018, with over \$3.5 billion in spend generated since the inception of their program in 1999.

As a means of preparing for potential emergencies, this proposal was solicited in conformance with the Procurement Standards of federal requirements 2 CFR Part 200 in order to make purchases under this Agreement during a federally declared emergency eligible for reimbursements by FEMA or other grant agencies.

Finally, staff wishes to exercise our right to terminate the existing Agreement dated October 18, 2016 for the period from October 14, 2019 through October 17, 2019 in order to effectuate a more efficient implementation of the Agreement for Office Depot, Inc. October 18, 2019 falls on a Friday, and Office Depot, Inc. has requested that they be able to utilize a weekend to load required documentation into their IT system to start on a Monday morning.

Fiscal Impact:

Pricing on the new Agreement is fairly similar to the current pricing being paid by the City and the Co-Op. It is anticipated that the City will expend approximately \$100,000 annually. Each City department is funded for office supply expenditures. The more important impact, however, is that Omnia Partners, LLC will pay the City of Tamarac a commission of 6.9% of the administrative fee that the supplier pays to Omnia Partners. The most recent check for 2018 was for approximately \$62,000. We will receive this payment annually.

THIS AGREEMENT is made and entered into this 14th day of October, 2019 by and between the City of Tamarac, a municipal corporation with principal offices located at 7525 N.W. 88th Ave., Tamarac, FL 33321 (the "CITY") and Office Depot, Inc. a Delaware corporation duly registered as a Florida Foreign Corporation, with principal offices located at 6600 North Military Trail, Boca Raton, Florida 33496-2434 (the "Contractor") to provide Office Supplies for CITY and other participating agencies in the Southeast Florida Governmental Purchasing Cooperative and nationwide through OMNIA Partners, Public Sector ("Omnia Partners").

Now therefore, in consideration of the mutual covenants hereinafter set forth, the City and Contractor agree as follows:

1. The Contract Documents

These contract documents form the Agreement, and all are as fully a part of the Agreement as if attached to this Agreement or repeated therein. Furthermore, in the event of a conflict between this document and any other contract documents, this Agreement shall prevail.

2. The Work

2.1. The Contractor shall perform all work for the City required by the contract documents as set forth below:

2.1.1 Contractor shall furnish all labor, materials, and equipment necessary to provide just-in-time desktop delivery of office supplies to the City of Tamarac and participating members of the Southeast Florida Governmental Purchasing Cooperative and to agencies participating in this Agreement through Omnia Partners.

2.1.2 Contractor shall comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement, which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein.

- 2.2** The Contractor and the City shall extend this Agreement to other public sector entities ("entities") within the State of Florida, including but not limited to agencies, school districts, universities, community colleges, counties, cities, towns, villages and special districts. Participating Agencies that choose to access the Agreement via their participation with Omnia Partners do not need to register with the Southeast Florida Governmental Purchasing Cooperative and vice versa.
- 2.4 Third-Party Audits:** The Contractor shall obtain a third-party firm (to be approved by the City) at no additional cost to the City to conduct external price audits for the Agreement. The third-party firm will perform a quarterly audit with a minimum of 500 items to confirm the accuracy of the discount from list price and final sell price. Specifically, the third-party firm will verify that prices offered to the City under the Agreement which are displayed on the Contractor's website are less than or equal to the discounts offered in the Agreement. The third-party firm shall submit a quarterly report to the City confirming the "Price Accuracy Rate" within 15 days after the close of each quarter. The "Price Accuracy Rate" shall be calculated using the following formula: $\text{Price Accuracy Rate} = \frac{\text{the number of audited items each quarter where the net price is less than or equal to the Agreement price}}{\text{the number of audited items}}$ (Example: 490 items priced at or below the approved Agreement price/500 items audited = 98.0% pricing accuracy). The Contractor shall maintain a Price Accuracy Rate of 98% or greater.

At a minimum, the quarterly report will identify items not in compliance with the Agreement terms, provide the date of the audit and screenshots of the items on the Contractor's website that were not in compliance with the Agreement terms. **Tier 1 Provider Option (Small, Minority- Women-Owned and Service Disabled Veteran Suppliers)**

Participating Agencies may request Contractor to provide products and services available under the Agreement through Tier One Providers. Contractor will report all applicable invoiced sales to Omnia Partners in accordance with the Agreement.

2.4.2 Pricing offered to Tier One Providers will be the pricing offered under the Agreement marked-up by the percentage of compensation negotiated by Contractor and Tier One Provider, and mutually agreed to by the Participating Agency.

5.2.2 The City recognizes that at certain times during the term of this Agreement, pricing in some industries may become volatile due to various changes not limited to changes in economic conditions such as product shortages, raw material shortages, labor stoppages, tariffs, government regulation, foreign interference or other changes which create volatile market pricing. The successful Contractor shall be responsible to provide adequate notice to the City of such situations. It is desired that such pricing remain fixed and firm through the remaining three (3) month period in place at the time, with adjustments to be made at the beginning of the next three (3) month period; however, in the event of extreme changes in market conditions, the Contractor shall advise the City as soon as feasibly possible regarding the circumstances surrounding such extreme market condition changes.

Contractor agrees to utilize technology web-based solutions to provide sufficient notifications and / or other controls necessary to alert Participating Entities that a fee will be charged for orders valued at \$25.00 or less. indemnities, and the providing of such indemnities is deemed to be part of the specifications with respect to the services to be provided by Contractor. Furthermore, the City and Contractor understand and agree that the covenants and representations relating to this indemnification provision shall serve the term of this Agreement and continue in full force and effect as to the City's and the Contractor's responsibility to indemnify.

7.5 City reserves the right to select its own legal counsel at the City's cost to conduct any defense in any such proceeding.

During the performance of the Contract, the Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, color, sex including pregnancy, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, gender identity and expression, or disability if qualified. The Contractor will take affirmative action to ensure that employees and those of its subcontractors are treated during employment, without regard to their race, color, sex including pregnancy, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, gender identity or expression, or disability if qualified. Such actions must include, but not be limited to, the following: employment, promotion; demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor and its subcontractors shall agree to post in conspicuous places, available to its employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. The Contractor further agrees that he/she will ensure that all subcontractors, if any, will be made aware of and will comply with this nondiscrimination clause.

9. Independent Contractor

This Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Contractor is an independent contractor under this Agreement and not the City's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Contractor agrees that it is a separate and independent

enterprise from the City, that it had full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the Contractor and the City and the City will not be liable for any obligation incurred by Contractor, including but not limited to unpaid minimum wages and/or overtime premiums.

Contractor or City shall not transfer or assign the performance required by this Agreement without the prior consent of the other party. For purposes of this Agreement, any change of ownership of the Contractor shall constitute an assignment which requires City approval. However, this Agreement shall run to the benefit of the City and its successors and assigns. Contractor must also certify that Contractor is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria. 14.1 The City is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, Contractor shall:

14.1.1. Keep and maintain public records required by the City in order to perform the service;

14.1.2. Upon request from the City, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at no cost to the City.

14.1.3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Agreement and any renewals thereof if Contractor does not transfer the records to the City.

14.1.4. Upon completion of the Agreement, transfer, at no cost to the City, all public records in possession of Contractor, or keep and maintain public records required by the City to perform the service. If Contractor transfers all public records to the City upon completion of the Agreement, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the Agreement, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.

14.2 During the term of this Agreement and any renewals, Contractor shall maintain all books, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract. Notwithstanding the requirements enumerated in Section 2.4 "Third-Party Audits" contained herein under this Agreement, and subject to Confidentiality agreements between Contractor and third parties, and no more than annually, City, at its expense, may audit Contractor's books and records

directly pertaining to this Agreement, to determine whether Contractor extended correct pricing. Any third-party auditor used must be approved by Contractor and must execute a non-disclosure agreement. Contractor may dispute the result of any audit by City and will refund any overcharges to customer (and customer shall be requested to refund any undercharges to Contractor, however, City will not be responsible for the actions of other participating agencies utilizing this Agreement, and Contractor shall not involve City in any enforcement actions against any participating agency). Other conditions may apply.

15. Uncontrollable Forces

15.1 Neither the City nor Consultant shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

15.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

16. Agreement Subject to Funding

This agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Tamarac in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

17. Venue

This Agreement shall be governed by the laws of the State of Florida as now and hereafter in force. The venue for actions arising out of this agreement is fixed in Broward County, Florida.

19. Severability; Waiver of Provisions

Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

20. Merger; Amendment

This Agreement constitutes the entire Agreement between the Contractor and the City, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented and/or amended only by a written document executed by both the Contractor and the City.

21. No Construction Against Drafting Party

Each party to this Agreement expressly recognizes that this Agreement results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this Agreement. Given this fact, no legal or other presumptions against the party drafting this Agreement concerning its construction, interpretation or otherwise accrue to the benefit of any party to the Agreement, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this Agreement.
